Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Our main focus this year has been to continue to support the Brainbow Service at Addenbrookes Hospital throughout the pandemic.

Anna's Hope is the major funder of this pioneering new children's neuro-oncology rehabilitation service and is a partnership with 2 other charities, Tom's Trust and Joshua Tarrant Trust (which replaced Camille's Appeal this year.) Anna's Hope funds Specialist Paediatric Physiotherapy, Occupational and Speech and Language Posts and is known as The Anna's Hope Therapy Team.

The service is now fully operational and growing and is now helping over 100 children with brain tumours each year. This service does not exist anywhere else in the UK and our aim is to prove the model for the NHS to roll out nationally.

Each year Anna's Hope has negotiated increased contribution to Brainbow from Addenbrookes Hospital and 100% funding has been agreed from 1 April 2023.

Anna's Hope continues to raise awareness in addition to fund raising through Local, Regional and National Activities and communication. This includes the National Brain Tumour Awareness Day (Wear a Hat Day) and Lobbying events at the Houses of Parliament

Section E

Financial review

Brief statement of the charity's policy on reserves

We only fund projects when we have funds to cover all costs. All reserves are held in low risk accounts.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- ☐ the charity's principal sources of funds (including any fundraising);
- ☐ how expenditure has supported the key objectives of the charity;
- ☐ investment policy and objectives including any

Anna's Hope fundraising model relies heavily on Events . Due to COVID-19 we have been unable proceed for a second year with our Annual Ball, the Anna's Hope 5K Fun Run, the London Marathon and Concerts. As a result funds raised this year have been severely impacted with circa 75% reduction vs previous years. Our reserves policy has ensured **commitment to our current contracts** which support children with brain tumours until 31 March 2023 when Addenbrookes take over full funding.

Each year we strive to ensure all monies raised goes directly to funding the charities aims. We aim to cover all fundraising costs through sponsorship. Admin costs are paid by Rob and Carole Hughes (Co-Founders and Trustees). We therefore can continue

ethical investment policy adopted.

to support our claim that Every Penny donated goes to funding the charity's aims.

We are in the 8th year of funding The Anna's Hope Therapy Team with Addenbrookes Hospital and our current commitment is until 31 March 2023 .

We appreciate the support of our Trustees and dedicated Volunteers
