TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Articles & Memorandum of Incorporation, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

North Wales Regional Equality Network (NWREN) is a registered charity, with 20 years' experience in delivering services to North Wales. We aim our services to the individuals who are marginalised and/or identified under the protected characteristics of The Equality Act 2010. Our services and activities are designed to address discrimination in day to day life.

Our primary business activities, funding and / or grants are generated through partnership work with Heritage Lottery, the Welsh Government's Hate Crime Minority Communities Project and Race Equality Action Plan, Comic Relief/Bawso and North Wales Community Cohesion.

Aims and objectives

NWREN is committed to:

- Encouraging the development of equality work and improving relations between equality organisations in North Wales

- Supporting initiatives to challenge discrimination against individuals and groups

- Increasing awareness of the impact of discrimination and prejudice on peoples' lives in North Wales

- Promoting equality education, training and action-planning with the public, voluntary and private sectors

- Increasing the awareness of the value of all groups at risk of social exclusion to make a positive contribution to social and economic life in a thriving North Wales.

- The reduction of crime, especially hate crime

- Supporting grass-roots developments

- Supporting communication between service users and providers

- Implementing policies to promote best practice

- Developing partnerships

Further to the above objectives but not otherwise, the Charity may undertake the following functions to highlight the issues and experiences of minority individuals and communities by:

- Challenging all aspects of discrimination

- Informing mainstream organisations about the marginalisation and diversity of need within their communities

- Promoting innovation and good practice within the consultative process

- Raising awareness and educating the community, volunteer organisations, statutory bodies, business and individuals about equality issues

- Conducting empirical research and gathering statistical data raising awareness of the impact of discrimination and generating an appreciation of the extent and long terms effects of rural discrimination within the Welsh context

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance

The political and economic climate continue to be uncertain, the prospects for 2022 remain unclear. The lack of clarity over the future availability of Welsh Government grants, which we noted in our last overview, remains. Continued reduction in local authority budgets restricts opportunities for local funding. In the context of this uncertainty we need to plan strategically and develop clear priorities, while some of these priorities may be shaped by the availability of funding opportunities.

Nevertheless we will be planning to develop our work in a positive way to meet both the foreseen and unforeseen circumstances ahead.

Our priorities are to combat racism and discrimination and to extend our educational work, whenever possible in partnership with voluntary sector organisations that share our equality objectives. Secondly, we will continue our collaboration with public-sector bodies, as 'critical friends' supporting the development and implementation of their equality policies and exchanging best practices. We intend also to represent the particular interests of North Wales in the development of equality policy at the national level in Wales. We will continue to seek funding for this work and for the core funding of NWREN.

Financial review

The turnover for the year under review was £112,447 (2020: £31,778) . The company will continue its efforts to improve its income streams through widening partnership work and engage on new areas of appropriate business activities.

We have been careful to balance the budget throughout the year with cost reduction strategies and good cash management with a continued emphasis on the need to secure long-term sustainable growth. Funding from the Welsh Government from their Hate Crime Minority Communities project has enabled NWREN to recruit an administrator and Project Manager, and provided a positive start to year commencing April 2020.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Risk Management

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The trustees constantly monitor the potential risks through framework for risk identification, evaluation, mitigations and management every quarter.

Structure, governance and management

The charity is a company limited by guarantee and is controlled by its governing document, "Memorandum and Articles of Association", a deed of trust.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Recruitment and appointment on new trustees

The trustees of NWREN, the charity, are the same as the Directors of NWREN the Company Limited by Guarantee. The directors may at any time co-opt any person to the board of directors whether or not they are a member of the charity, provided the maximum number prescribed in Articles 38 is not exceeded and that no more than three such co-options shall be made between one Annual General Meeting and the next. All persons so co-opted shall retire at the Annual General Meeting following their co-option but shall be eligible to be reappointed thereafter.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Organisational structure

The organisational structure of NWREN members is explained in its governing documents with the addition of a range of subgroups. The organisational structure of NWREN is hierarchical with the Chief Executive taking management responsibility for the delivery of its aims, objectives and projects. All activities are accounted for via the officer's report at each Board Meeting.

Induction and training of new trustees

All trustees are issued with an induction pack containing all of the pertinent policies and procedures and a copy of the Memorandum and Articles of Association. All training and development offered to staff is, if appropriate, also made available to Board members.

Wider Network

NWREN has a number of protocols in place across North Wales to sustain its operational relationships. These are designed to ensure the efficient and confidential signposting of individuals from a minority ethnic background who have undergone racist abuse of any nature.

The trustees' report was approved by the Board of Trustees.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Charity information

North Wales Regional Equality Network Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is The Equality Centre, Bangor Road, Penmaenmawr, Conwy, LL34 6LF, Wales.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1 Accounting policies

(Continued)

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	not depreciated
Fixtures and fittings	25% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
