THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2024

REPORT OF THE TRUSTEES

Charity

The Trust was registered by the Charity Commissioners on 24 November 2006.

Governing document

Deed of Variation dated 24 June 2006.

Charitable objectives

To advance education by providing or assisting in the provision of facilities for the teaching development and supervision of the playing of chess amongst persons under the age of twenty-one, resident in England or eligible to represent England at chess.

Trustees

Appointment of new Trustees is vested in the Council of the British Chess Federation.

Trustees may be appointed at any time (either by way of replacement or addition) so that the total number of Trustees shall at no time exceed four.

Trustees may be removed by a resolution of the Council of the British Chess Federation passed with a majority in favour of 75% of those present in person or present by proxy and voting thereon.

Summary of the main achievements in the period

The Trust continues to provide support towards junior chess. With a full return to normal playing conditions during the audit year the Trustees were able to make a wide range of formative grants to individual players, chess associations and various events.

The Trustees established a website in 2023 which has continued to be warmly welcomed by those in the junior chess community.

Financial review

The Trust funds remain fully invested and have increased in overall value during the financial year. The main sources of funds during the period have been dividends.

The majority of income is applied to grants. Expenses and professional fees are the other main areas of expenditure.

Policy on investments

The return objective of the Trust is to receive income, after fees, in the region of £30,000 per annum whilst maintaining the real value of the assets. The income generated (net of fees) is normally distributed quarterly. The risk tolerance is 'lower risk' but given the long investment

time horizon and the desire to maintain the real value of the assets, there is scope for an allocation to equities.

Constraints: The Trust is managed with a long-time horizon in mind as the Trustees wish to support junior chess for decades ahead. Given that there is little chance of cash distributions beyond the quarterly distributions of dividends, there are little or no liquidity constraints for the Charity. Due to the Trust's charitable status there are no tax constraints nor are there any legal or regulatory constraints. The Trustees have requested several ethical constraints and there are to be no investments in armaments, tobacco or gambling.

Policy on reserves

The Trust holds cash at bank of £21,034 representing unrestricted funds to be applied for the charity's objectives. Since 2006 when the Trust was founded it has been the policy of the Trustees to:

- (i) To treat the capital of the Trust as a permanent endowment and not to spend more than the accumulated income on grants from the Trust, unless there are grant applications that merit expenditure over and above the estimated income.

Also held are funds totalling £878,764 by the Trust's investment managers.

To the extent that these do not represent accumulated income due to be paid over these are to be applied for the purchase of investments.

Plans for the future

The Trust will continue to support chess events and individual junior players by way of grant giving and will always consider grant applications on merit and with an open mind.

The Trustees agreed during the audit year to explore the position to becoming a CIO.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;

- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees are content that Mr John Robinson, our founder, would approve of the efforts of the Trust over the last year and would be satisfied that the Trust is meeting the moral and legal obligations that it owes to its beneficiaries and to its benefactors.

Approved by the Trustees on 14th May 2025 and signed on their behalf by:

Dr. John Higgs
Chairman

FINANCIAL YEAR ENDED 31 AUGUST 2024

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE JOHN ROBINSON YOUTH CHESS TRUST

I report on the financial statements for the year ended 31 August 2024, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under charity law and is eligible for independent examination it is my responsibility:

- To examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be included in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives cause to believe that, in any material respect, the requirements:
 - To keep accounting records in accordance with section 130 of the 2011 Act;
 - To prepare accounts which comply with the accounting records and to comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

REPORT OF THE TRUSTEES

Charity

The Trust was registered by the Charity Commissioners on 24 November 2006.

Governing document

Deed of Variation dated 24 June 2006.

Charitable objectives

To advance education by providing or assisting in the provision of facilities for the teaching development and supervision of the playing of chess amongst persons under the age of twenty-one, resident in England or eligible to represent England at chess.

Trustees may be removed by a resolution of the Council of the British Chess Federation passed with a majority in favour of 75% of those present in person or present by proxy and voting thereon.

Summary of the main achievements in the period

The Trust continues to provide support towards junior chess. With the full return of *over the board chess* during the audit year the Trustees were able to return to business as usual and made a wide range of formative grants to individual players, chess associations and various events.

The Trustees established a website during the year which has been warmly welcomed by those in the junior chess community.

Financial review

The Trust funds remain fully invested and have increased in overall value during the financial year. The main sources of funds during the period have been dividends.

The majority of income is applied to grants. Expenses and professional fees are the other main areas of expenditure.

The return objective of the Trust is to receive income, after fees, in the region of £29,000 per annum whilst maintaining the real value of the assets. The income generated (net of fees) is normally distributed quarterly. The risk tolerance is 'lower risk' but given the long investment

The Trustees have requested several ethical constraints and there are to be no investments in armaments, tobacco or gambling.

Policy on reserves

The Trust holds cash at bank of £38,501 representing unrestricted funds to be applied for the charity's objectives. Since 2006 when the Trust was founded it has been the policy of the Trustees to:

- (i) To treat the capital of the Trust as a permanent endowment and not to spend more than the accumulated income on grants from the Trust, unless there are grant applications that merit expenditure over and above the estimated income.

Also held are funds totalling £836,524 by the Trust's investment managers.

To the extent that these do not represent accumulated income due to be paid over these are to be applied for the purchase of investments.

Plans for the future

The Trust will continue to support chess events and individual junior players by way of grant giving and will always consider grant applications on merit and with an open mind.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under charity law and is eligible for independent examination it is my responsibility:

- To examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking from you as trustees concerning any such matters. Independent examiner's statement

In connection with my examination, no matter has come to my attention:

THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2022

REPORT OF THE TRUSTEES

Charity

The Trust was registered by the Charity Commissioners on 24 November 2006.

Governing document

Deed of Variation dated 24 June 2006.

Charitable objectives

To advance education by providing or assisting in the provision of facilities for the teaching development and supervision of the playing of chess amongst persons under the age of twenty-one, resident in England or eligible to represent England at chess.

Trustees

Appointment of new Trustees is vested in the Council of the British Chess Federation.

Trustees may be appointed at any time (either by way of replacement or addition) so that the total number of Trustees shall at no time exceed four.

Trustees may be removed by a resolution of the Council of the British Chess Federation passed with a majority in favour of 75% of those present in person or present by proxy and voting thereon.

Summary of the main achievements in the period

Due to pandemic *over the board chess* was suspended for half of the audit year. This had a impact on the ability of the Trustees to consider and make grants. However, with the withdrawal of restrictions in February 2022, the Trust was in a better position to consider grant applications.

The Trustees have considered the impact of Covid-19 on the Trust. In view of the Trust's low fixed costs and its strong liquidity position, the Trustees do not believe that Covid-19 will have a material impact on the Trust's ability to continue as a going concern nor will it have a material impact on its ability to continue to meet its charitable objectives. There may be an impact in the short term on the value of the charity's investment portfolio but this is anticipated to be temporary and cannot currently be quantified.

The Trust continues to provide support towards junior chess and a grants were made in the audit year.

Financial review

The Trust funds remain fully invested and have increased in overall value during the financial year. The main sources of funds during the period have been dividends.

The majority of income is applied to grants. Expenses and professional fees are the other main areas of expenditure.

Policy on investments

The return objective of the Trust is to receive income, after fees, in the region of £25,000 per annum whilst maintaining the real value of the assets. The income generated (net of fees) is normally distributed quarterly. The risk tolerance is 'lower risk' but given the long investment time horizon and the desire to maintain the real value of the assets, there is scope for an allocation to equities.

Constraints: The Trust is managed with a long-time horizon in mind as the Trustees wish to support junior chess for decades ahead. Given that there is little chance of cash distributions beyond the quarterly distributions of dividends, there are little or no liquidity constraints for the Charity. Due to the Trust's charitable status there are no tax constraints nor are there any legal or regulatory constraints. The Trustees have requested several ethical constraints and there are to be no investments in armaments, tobacco or gambling.

Policy on reserves

The Trust holds cash at bank of £33,172 representing unrestricted funds to be applied for the charity's objectives. Since 2006 when the Trust was founded it has been the policy of the Trustees to:

- (i) To treat the capital of the Trust as a permanent endowment and not to spend more than the accumulated income on grants from the Trust, unless there are grant applications that merit expenditure over and above the estimated income.
- (ii) To give three months prior written notice to the BCF Management Board of any proposed expenditure of capital.

Also held are funds totalling £905,461 by the Trust's investment managers.

To the extent that these do not represent accumulated income due to be paid over these are to be applied for the purchase of investments.

Plans for the future

The Trust will continue to support chess events and individual junior players by way of grant giving and will always consider grant applications on merit and with an open mind.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees are content that Mr John Robinson, our founder, would approve of the efforts of the Trust over the last year and would be satisfied that the Trust is meeting the moral and legal obligations that it owes to its beneficiaries and to its benefactors.

Approved by the Trustees on 10th May 2023 and signed on their behalf by:

Dr. John Higgs
Chairman

THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2022

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE JOHN ROBINSON YOUTH CHESS TRUST

I report on the financial statements for the year ended 31 August 2022, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under charity law and is eligible for independent examination it is my responsibility:

- To examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be included in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives cause to believe that, in any material respect, the requirements:
 - To keep accounting records in accordance with section 130 of the 2011 Act;
 - To prepare accounts which comply with the accounting records and to comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2021

REPORT OF THE TRUSTEES

Charity

The Trust was registered by the Charity Commissioners on 24 November 2006.

Governing document

Deed of Variation dated 24 June 2006.

Charitable objectives

To advance education by providing or assisting in the provision of facilities for the teaching development and supervision of the playing of chess amongst persons under the age of twenty-one, resident in England or eligible to represent England at chess.

Trustees

Appointment of new Trustees is vested in the Council of the British Chess Federation.

Trustees may be appointed at any time (either by way of replacement or addition) so that the total number of Trustees shall at no time exceed four.

Trustees may be removed by a resolution of the Council of the British Chess Federation passed with a majority in favour of 75% of those present in person or present by proxy and voting thereon.

Summary of the main achievements in the period

Due to pandemic *over the board chess* was suspended for much of the audit year. This had a direct impact on the ability of the Trustees to consider and make grants.

The Trustees have considered the impact of Covid-19 on the Trust. In view of the Trust's low fixed costs and its strong liquidity position, the Trustees do not believe that Covid-19 will have a material impact on the Trust's ability to continue as a going concern nor will it have a material impact on its ability to continue to meet its charitable objectives. There may be an impact in the short term on the value of the charity's investment portfolio but this is anticipated to be temporary and cannot currently be quantified.

The Trust continues to provide support towards junior chess and a small number of grants were made in the audit year.

Financial review

The Trust funds remain fully invested and have increased in overall value during the financial year. The main sources of funds during the period have been dividends and interest.

The majority of income is applied to grants. Expenses and professional fees incurred in the investment of funds are the other main areas of expenditure.

Policy on investments

The return objective of the Trust is to receive income, after fees, in the region of £25,000 per annum whilst maintaining the real value of the assets. The income generated (net of fees) is normally distributed quarterly. The risk tolerance is 'lower risk' but given the long investment time horizon and the desire to maintain the real value of the assets, there is scope for an allocation to equities.

Constraints: The Trust is managed with a long-time horizon in mind as there is no intention to distribute more than the annual investment income. Given that there is little chance of cash distributions beyond the quarterly distributions of dividends, there are little or no liquidity constraints for the Charity. Given the charitable status there are no tax constraints nor are there any legal or regulatory constraints. The Trustees have requested several ethical constraints and there are to be no investments in armaments, tobacco or gambling.

Policy on reserves

The Trust holds cash at bank of £29,859 representing unrestricted funds to be applied for the charity's objectives. It is a policy of the Trustees to:

- (i) To retain the capital of the Trust as a permanent endowment and not to spend more than the accumulated income on grants from the Trust.
- (ii) To give three months prior written notice to the BCF Management Board of any proposed expenditure of capital.

Also held are funds totalling £902,091 by the Trust's investment managers.

To the extent that these do not represent accumulated income due to be paid over these are to be applied for the purchase of investments.

Plans for the future

The Trust will continue to support chess events and individual junior players by way of grant giving.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees are content that Mr John Robinson, our founder, would approve of the efforts of the Trust over the last year and would be satisfied that the Trust is meeting the moral and legal obligations that it owes to its beneficiaries and to its benefactors.

THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2021

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE JOHN ROBINSON YOUTH CHESS TRUST

I report on the financial statements for the year ended 31 August 2021, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under charity law and is eligible for independent examination it is my responsibility:

- To examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be included in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives cause to believe that, in any material respect, the requirements:
 - To keep accounting records in accordance with section 130 of the 2011 Act;
 - To prepare accounts which comply with the accounting records and to comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE JOHN ROBINSON YOUTH CHESS TRUST

FINANCIAL YEAR ENDED 31 AUGUST 2020

REPORT OF THE TRUSTEES

Charity

The Trust was registered by the Charity Commissioners on 24 November 2006.

Governing document

Deed of Variation dated 24 June 2006.

Charitable objectives

To advance education by providing or assisting in the provision of facilities for the teaching development and supervision of the playing of chess amongst persons under the age of twenty-one, resident in England or eligible to represent England at chess.

Trustees

Appointment of new Trustees is vested in the Council of the British Chess Federation.

Trustees may be appointed at any time (either by way of replacement or addition) so that the total number of Trustees shall at no time exceed four.

Trustees may be removed by a resolution of the Council of the British Chess Federation passed with a majority in favour of 75% of those present in person or present by proxy and voting thereon.

Summary of the main achievements in the period

Due to pandemic *over the board chess* was suspended for much of the audit year. This had a direct impact on the ability of the Trustees to consider and make grants.

The Trustees have considered the impact of Covid-19 on the Trust. In view of the Trust's low fixed costs and its strong liquidity position, the Trustees do not believe that Covid-19 will have a material impact on the Trust's ability to continue as a going concern nor will it have a material impact on its ability to continue to meet its charitable objectives. There may be an impact in the short term on the value of the charity's investment portfolio but this is anticipated to be temporary and cannot currently be quantified.

The Trust continues to provide support towards junior chess and the following grants were made in the audit year:

- 2020 FIDE Online Olympiad (*to fund the junior training plan*)
- 2-day FIDE weekend Congress (*for junior costs*)

Financial review

The Trust funds remain fully invested and have increased in overall value during the financial year. The main sources of funds during the period have been dividends and interest.

The majority of income is applied to grants. Expenses and professional fees incurred in the investment of funds are the other main areas of expenditure.

Policy on investments

The return objective of the Trust is to receive income, after fees, in the region of £25,000 per annum whilst maintaining the real value of the assets. The income generated (net of fees) is normally distributed quarterly. The risk tolerance is 'lower risk' but given the long investment time horizon and the desire to maintain the real value of the assets, there is scope for an allocation to equities.

Constraints: The Trust is managed with a long-time horizon in mind as there is no intention to distribute more than the annual investment income. Given that there is little chance of cash distributions beyond the quarterly distributions of dividends, there are little or no liquidity constraints for the Charity. Given the charitable status there are no tax constraints nor are there any legal or regulatory constraints. The Trustees have requested several ethical constraints and there are to be no investments in armaments, tobacco or gambling.

Policy on reserves

The Trust holds cash at bank of £32,870, representing unrestricted funds to be applied for the charity's objectives. It is a policy of the Trustees to:

- (i) To retain the capital of the Trust as a permanent endowment and not to spend more than the accumulated income on grants from the Trust.
- (ii) To give three months prior written notice to the BCF Management Board of any proposed expenditure of capital.

Also held are funds totalling £644,606 by the Trust's investment managers.

To the extent that these do not represent accumulated income due to be paid over these are to be applied for the purchase of investments.

Plans for the future

The Trust will continue to support various chess events and individual junior players by way of grant giving.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees are content that Mr John Robinson, our founder, would approve of the efforts of the Trust over the last year and would be satisfied that the Trust is meeting the moral and legal obligations that it owes to its beneficiaries and to its benefactors.

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE JOHN ROBINSON YOUTH CHESS TRUST

I report on the financial statements for the year ended 31 August 2020, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under charity law and is eligible for independent examination it is my responsibility:

- To examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be included in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives cause to believe that, in any material respect, the requirements:
 - To keep accounting records in accordance with section 130 of the 2011 Act;
 - To prepare accounts which comply with the accounting records and to comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
