Sherborne Sports and Leisure Limited

TRUSTEES' REPORT

The Trustees, who are also directors of the charity for the purposes of the Companies Act, present their report and the financial statements of Sherborne Sports and Leisure Limited for the year ended 31 August 2022.

ORGANISATION AND STRUCTURE

Sherborne Sports and Leisure Limited is constituted as a company limited by guarantee (Company registration number 05869779). It is governed by a Memorandum and Articles of Association, which was last amended on 7 July 2006. The company is a wholly owned subsidiary of Sherborne School for Girls, a company limited by guarantee and a registered charity (Note 12). Sherborne Sports and Leisure Limited was established as a charity on 28 November 2006 (Charity registration number 1117024).

Sherborne Sports and Leisure Limited has three committee meetings each year, where financial and operational management information is provided and discussed. Future planning is then carried out, based on this information.

REVIEW OF ACTIVITIES AND FUTURE PLANS

Sherborne Sports and Leisure Limited is an arms-length charitable company operated by Sherborne School for Girls. The Company's sports centre (The Oxley Sports Centre) at Sherborne School for Girls is operated as a full "dual use" facility for the benefit of both the School and the local community. The local community has access to over 66% of the Centre's opening hours.

During the 2021-2022 year the Oxley Sports Centre has returned to full operation following a period of restricted activity due to COVID-19. In the early part of the year some restrictions were still maintained and it has taken time for confidence to return. This has meant reduced activity and lower membership numbers. In the second half of the year class numbers, holiday activities and new memberships have seen an improvement and a new system of performance indicators has been introduced within the business plan to monitor progress. The Centre has invested in refurbishment of the spin zone and the gym and these initiatives are paying dividends.

The increased cost of utilities has had a negative impact on the Centre and therefore improved energy efficiency is high on the agenda for the next year. The new business plan is in place and all staff are fully engaged in meeting the targets. The management team are working more closely with the School Sports department to ensure that first class provision is maintained for both the community members and for the School members.

PRINCIPAL OBJECTS, AIMS AND STRATEGIES

The charitable objects of Sherborne Sports and Leisure Limited, as set out in the Memorandum and Articles of Association are to:

"provide or assist in the provision of facilities and services for recreational, sporting or other leisure time occupation in the interests of social welfare; such facilities being provided to Sherborne School for Girls and to the public at large, save that special facilities may be provided for persons who by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances may have need of special facilities and services; and/or such other charitable purposes beneficial to the community consistent with the objects above as the Trustees shall in their absolute discretion determine."

In providing the local community with increased access to sports facilities and in creating new opportunities for disadvantaged members of the community and local schools, the Trustees feel that charitable objects have been met, although it is recognised that more can still be done.

Sherborne Sports and Leisure Limited

TRUSTEES' REPORT (continued)

The objectives for the next financial year are as follows:

- Objective 1: continue to improve services and facilities and ensure the centre fulfils its charitable obligations.
- Objective 2: increase participation across the spectrum of activities delivered by the Oxley and explore new activities.
- Objective 3: increase the number of full members.
- Objective 4: monitor energy and utility expenditure and propose new initiatives.
- Objective 5: to further develop partnerships with Sherborne School for Girls, offering a greater range of activities for pupils to participate.

An important measure of these objectives will be membership numbers and the retention of these members. A member satisfaction survey will provide a qualitative response to the objectives.

Public benefit

In setting our objectives and planning our activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

TRUSTEES

The following trustees have held office since 1 September 2021:

Mrs F J L Clapp
Mrs A L Harris
Mr A W G Harrison - (resigned 7 March 2022)
Mr I W McClary
Dr R M Sullivan
Mr M Snow – (appointed 7 March 2022)
Mrs M Wingfield Digby

RECRUITMENT AND TRAINING

The majority of the Company's Trustees are members of staff and Governors for Sherborne School for Girls. Two trustees are appointed from the local community. On appointment these trustees receive an information pack, which focuses on the role and responsibility of a Trustee, and introductory briefings.

The day to day running of the Charity is delegated to the senior management. Senior management's remuneration is decided by the Trustees. Factors taken into consideration are the responsibilities of the role, comparison to industry average, sector performance and inflation rates.

FINANCIAL REVIEW

The results for the year are shown in the attached financial statements. Sherborne Sports and Leisure Limited made a net loss for the year of £60,456 (2021: £6,328 surplus).

The company maintains a sound financial position. Capital investment was in the Spin Zone and the Gym to enhance the offering. In the meantime, Sherborne Sports and Leisure Limited will continue to identify more efficient ways to operate by increasing its income and decrease costs, which will lead to an improvement in the operational surplus.

Sherborne Sports and Leisure Limited

TRUSTEES' REPORT (continued)

RESERVES POLICY

The cumulative surplus on unrestricted funds at the year end was £178,569 (2021: £239,025). Projected cash flows over the next year are considered sufficient by the Trustees to cover the risks and uncertainties of operating as a Sports and Leisure facility.

The policy is to build reserves, to reinvest in future developments and to settle outstanding loans.

RISK MANAGEMENT

The Trustees identify key areas of risk and seek to mitigate these through established reporting and monitoring systems. The Board reviews the company's risk register annually and receives reports from management of key areas of risk to the Sports Centre. The risk register is a comprehensive list of internal and external risks such as reputational risk, compliance risk and financial risk. Each risk has an owner and mitigating strategies. Some of the risks which challenge Sherborne Sports and Leisure Limited are listed below:

- Changes in Charitable Rate Relief legislation. Provisions have been built into the budget to account for the potential increase in costs.
- Increasing demand on Health and Safety legislation. A health and safety audit will be carried out annually to mitigate risk in this area.
- Potential increase in competition from local competitors. Facilities will continue to be upgraded and a wide variety of activities will be offered to ensure customer satisfaction.
- Utility costs and other inflationary pressures will be monitored throughout the year.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of Sherborne Sports and Leisure Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and FRS102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the Trustees are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. observe the methods and principles in the Charities SORP;
- c. make judgements and estimates that are reasonable and prudent; and
- d. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2006 to have due regard to the Charity Commission's published general and relevant sub-sector guidance concerning the operation of the public benefit requirement under that act.

Sherborne Sports and Leisure Limited

TRUSTEES' REPORT (continued)

In so far as each of the Trustees of the Charity at the date of approval of this report is aware;

- there is no relevant audit information (information needed by the charity's auditor in connection with preparing the audit report) of which the charity auditor is aware, and
- that they have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

CHARITY GOVERNANCE CODE

Sherborne Sports and Leisure Limited is a not for profit organisation which aims to follow charity sector best practice, the Board members reviewed the updated version of the Charity Governance Code (the "Code") in 2019. The Trustees consider that Sherborne Sports and Leisure Limited's governance framework does align with the Code.

FUND RAISING STANDARDS

Sherborne Sports and Leisure Limited is not a fundraising charity and does not currently subscribe to any specific fundraising standards or schemes for fundraising regulation but considers that it has set appropriate standards for the operation and management of its fundraising activities. In particular, Sherborne Sports and Leisure Limited considers that its processes and controls should ensure that vulnerable people and other members of the public are protected from any unreasonable intrusion on a person's privacy and that no fundraising activities would be unreasonably persistent or place undue pressure on a person to give money or other property.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

AUDITOR

A resolution will be proposed at the annual general meeting to reappoint Crowe U.K LLP, who have indicated their willingness to continue in office.

This Annual Report, prepared under the Charities Act 2011 and the Companies Act 2006, was approved by the Trustees of Sherborne Sports and Leisure on 25 November 2022 and is signed and authorised on its behalf by:

.....
Mrs F J L Clapp - Trustee

Sherborne Sports and Leisure Limited

Independent Auditors' Report to the trustees of Sherborne Sports and Leisure Limited

Opinion

We have audited the financial statements of Sherborne Sports and Leisure Limited for the year ended 31 August 2022 which comprise the Statement of financial activities, the balance sheet and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise

Sherborne Sports and Leisure Limited

Independent Auditors' Report to the trustees of Sherborne Sports and Leisure Limited

appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the Trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the Trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in directors' report included within the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors report included within the Trustees' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the trustees' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Sherborne Sports and Leisure Limited

Independent Auditors' Report to the trustees of Sherborne Sports and Leisure Limited

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the company for fraud. The laws and regulations we considered in this context for the UK operations were health and safety and employment legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Directors and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, the Bursar and the Finance & General Purposes Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals and reviewing accounting estimates for biases and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the

Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Sherborne Sports and Leisure Limited

Independent Auditors' Report to the trustees of Sherborne Sports and Leisure Limited

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mrs F J L Clapp
Trustee

The accompanying notes on pages 12 to 19 are an integral part of this Balance Sheet.

Sherborne Sports and Leisure Limited

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 August 2022

1 ACCOUNTING POLICIES

a) Charity information

Sherborne Sports and Leisure Limited is a registered charity with the Charities Commission England and Wales (charity number: 1117024) and an incorporated private company limited by guarantee (company number: 05869779). The address of its registered office is Sherborne School for Girls, Bradford Road, Sherborne, Dorset, DT9 3QN.

b) Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK.

Sherborne Sports and Leisure Limited meets the definition of a public benefit entity under FRS 102.

c) Reduced disclosure exemptions for subsidiaries

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objections to, the used of exemptions by the company's immediate parent.

The company has taken advantage of the following exemptions:

- No statement of cash flows has been presented, as the wholly owned subsidiary is included in the consolidated financial statements of the group.
- Disclosures in respect of the company's financial instruments have not been presented as equivalent disclosures are included in the consolidated financial statements of the group in which the entity is consolidated.

d) Going concern

At the year end, the Company had net assets of £178,569 (2021: net assets of £242,671).

For long term finance the company relies on loans provided by its parent undertaking disclosed in note 10. The parent undertaking has confirmed it will not seek repayment of loans due to it for a period of 12 months from the date of approval of these financial statements without first considering the ability of this Company to meet its third party liabilities as they fall due. The current cost of living, and inflationary factors are impacting on costs, which combined with the effects of Covid-19 global pandemic has temporarily impacted profit, which the company's parent Sherborne School for Girls will offer any required support over this period.

On this basis the directors conclude that it is appropriate to prepare the financial statements on the going concern basis.

Sherborne Sports and Leisure Limited

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

for the year ended 31 August 2022

e) Income

All income is recognised when the charity is legally entitled to the income and any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

f) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

g) Tangible fixed assets

Tangible fixed assets are stated at cost net of depreciation and any provision for impairment.

Items costing less than £1,000 are written off in the year of purchase.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Buildings	2% on cost straight line
Computer equipment	33⅓% on cost straight line
Furniture, fixtures and equipment	10% - 33⅓% on cost straight line

No depreciation is provided on assets in the course of construction.

h) Stock

Stocks are stated at the lower of cost and net realisable value.

i) Debtors

Short term debtors are measured at transaction price, less any impairment.

j) Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions.

k) Creditors

Short term creditors are measured at the transaction price.

l) Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Basic financial assets and liabilities that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. See notes 8 and 9.

Sherborne Sports and Leisure Limited

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

for the year ended 31 August 2022

m) Finance and operating leases

Rentals applicable to operating leases are charged to the SOFA over the period in which the cost is incurred. Assets purchased under finance lease are capitalised as fixed assets. Obligations under such agreements are included in creditors. The difference between the capitalised cost and the total obligation under the lease represents the finance charges. Finance charges are written-off to the SOFA over the period of the lease so as to produce a constant periodic rate of charge.

n) Pension contributions

The amounts charged to the profit and loss account in respect of pension costs is the contributions payable in the year to a defined contribution pension scheme.

o) Grant accounting policy

The charity is not in receipt of any grants and does not make any.

p) Critical accounting judgements and key sources of estimation uncertainty

Preparation of the financial statements requires management to consider making any significant judgements and estimates where necessary. There are no items in the financial statements where significant judgements and estimations have been made.
