#### **Structure, governance and management *(continued)***

The charity is required to report how it deals with fundraising from the public. The charity does not use a professional fundraiser or commercial participator to raise funds. Any monies raised direct from the public follows all guidelines set out by the Charity Commission and UK law in every respect. We respect the privacy and contact preferences of all donors.

The Board, who give their time freely and no trustees received remuneration in the year, have considered who the Key Management Personnel (KMP) of the charity are. Together with the board, these KMP are those in charge of directing and controlling, running and operating the activities of the charity on a day to day basis. The pay of KMP is reviewed annually and normally increased in accordance with average earnings. The trustees benchmark against pay levels of other charities and similar organisations within the sector and the region. Pay levels are set using this information together with the budget and forecast information, ensuring that the charity can afford proposed increases. The board then agree any uplift to remuneration.

#### **Objectives and activities**

Greater Morpeth Development Trust (GMDT) has been in existence since 2006 and the diverse range of projects carried out over the past thirteen years could not have happened without the support of our partners, funders and members.

GMDT have continued their objective of developing partnership networks through facilitation to develop initiatives and through the skill base in the team adding value where ever possible to make Morpeth a quality place to live.

GMDT have developed a portfolio of projects to deliver these aims and objectives and the major capital schemes which have benefitted the town include the redevelopment of Morpeth Town Hall and Morpeth Railway station which generated development income and sustainable income to support the activities of GMDT. This has been achieved through the support of a number of funding bodies who have invested in the vision to redevelop key public assets within Morpeth - the main funders being Heritage Lottery Fund, Network Rail, Northern Trains Limited, Northumberland County Council, Railway Heritage Trust and North East Rural Growth Network.

#### **Achievements and performance**

The existing staff team is made up of 2 part time members supported by a range of professional associates to deliver a portfolio of quality projects and through engaging volunteers' support and strong partnership working we work to maintain our level of service and delivery for the benefit of Morpeth. More detail about the activities during the year and photographs and testimonials of the projects can be seen on our website [www.gmdt.net](http://www.gmdt.net) and also within our Annual Report.

#### Financial review

Morpeth Railway Station has taken over seven years from inception to completion and has been a major undertaking for a Charity of our size and could not have been delivered without the support of a portfolio of funders who provided the capital to realise the opportunity of rejuvenating a key asset for the town. Not only did the project reinstate a grade II listed building to its former glory but provides a gateway to the town of which the public can be proud. The funding was not only secured to safeguard the future of the Grade II Listed station but to provide an enterprise hub for small businesses as well as creating a state of the art ticket office, and provide modern facilities for today's rail users such as new toilets. The occupation of units in the office suite will provide an income stream for GMDT which shall sustain the Charity in future years and enable further public benefit to be realised.

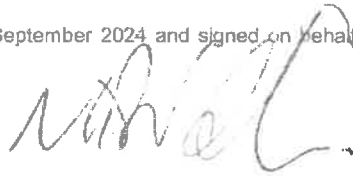

#### Small company provisions

### **Independent Examiner's Report to the Trustees of Greater Morpeth Development Trust Limited**

**Year ended 31 March 2024**

---

I report to the trustees on my examination of the financial statements of Greater Morpeth Development Trust Limited ('the charity') for the year ended 31 March 2024.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### Notes to the Financial Statements

Year ended 31 March 2024

---

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 1 Benjamin Green House, Coopies Lane, Morpeth, Northumberland, NE61 2SL.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

##### Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

##### Going concern

During the Covid 19 Pandemic the charity has faced difficulties in raising funds to finance their core activities and this has been compounded by difficulties in the past of renting out units at Morpeth Railway Station. The Trustees have in place agreements with prospective tenants for the let of Units which should increase income to a level which will cover core costs. The Trustees have produced budgets for the coming year which show that funding is expected to be in place for the next 12 months. Therefore the Charity continues to operate as a going concern.

##### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 10. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company.

##### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### 3. Accounting policies *(continued)*

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

##### Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### Company Limited by Guarantee

#### Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

#### 3. Accounting policies *(continued)*

##### **Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Long leasehold Railway Development	-	4% straight line
Short leasehold property	-	4% straight line
Fixtures and fittings	-	15% reducing balance

##### **Impairment of fixed assets**

At each balance sheet date, the company reviews the carrying amount of its tangible fixed assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss, if any.

##### **Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2024

#### 3. Accounting policies *(continued)*

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

Greater Morpeth Development Trust Limited is a limited company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such an amount as may be required not exceeding £1 to the assets of the charitable company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member.
