## **THE PAMELA MATTHEWS CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020**

#### **Objectives and Activities**

The Trust was established by a deed dated 13 October 2006. Its assets comprise the residue of the estate of Pamela Matthews who died on 5 December 2005; assets from her estate have been transferred to the charity since 13 October 2006. No more transfers are expected.

In accordance with the Trust deed the Trustees hold the income and capital of the Trust Fund to apply the income and all of such part or parts of the capital in accordance with the charitable objects as the Trustees may in their discretion think fit.

The Trust Deed states that the Trustees in their discretion, instead of applying the income of the Charity in any year, may accumulate all or any part of the income. Any accumulations may be applied in subsequent years as though it was the income of that year.

#### **Grant Making Policies**

In general terms, the Trust aims to support the following charitable areas:-

- (a) Local Cavendish/Suffolk community projects
- (b) Animal care charities
- (c) Armed forces charities
- (d) Medical and disability charities
- (e) Garden and environmental charities
- (f) Charities supported by the late Pamela Matthews during her lifetime

To support charities registered with the Charity Commission for England and Wales and charitable activity which falls within one of the six previously described categories.

Where proposed recipients are not registered charities, Trustees undertake a thorough examination of the organisation to ensure the purpose of the grant is properly considered to be charitable and that there are means of ensuring, so far as reasonably practicable, that any grant made to the organisation shall be properly applied to such charitable purpose or repaid to the Trustees. Advice will be sought, as necessary, from the Trust's lawyers as to the eligibility of such proposed recipient.

#### **Report on Public Benefit**

The trustees have had regard to the Charity Commission's guidance on public benefit. The charity's aims are far-reaching and for the public benefit. By making grants in accordance with this charity's aims the trustees are confident that their public benefit duty is fulfilled. The trustees also consider that there is no detriment, harm or private benefit that arises from carrying out the charity's aims.

#### **Fund Raising Policy**

The Charity's income is generated from the investments held, it does not undertake fundraising activities, it is nevertheless mindful of the code issued by the fundraising regulator.

#### **Achievements and Performance**

11 grants of £30,200 in total were made or committed to institutions over the year (2019 36 grants totalling £101,800). They were paid to beneficiaries who fall within the six categories mentioned above. The grants were paid following the trustees' meeting held in the year. There was one meeting in 2020.

## **THE PAMELA MATTHEWS CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020**

#### **Financial Review**

The Trust's Funds are held in investments, freehold properties, chattels and cash. The values of the properties and chattels in these accounts are the same as the values used for probate purposes in Pamela Matthews' estate. The properties are the subject of a rent free 15 year lease dated 25th November 2008 to the Landmark Trust.

Investment income was £65,056 (2019: £79,916). Other income was £63 (2019: £558).

Charitable grants were made or committed of £30,200 in total during the year (2019: £101,800). Charitable Activities also include support costs (administration and management) which were £24,854 (2019: £20,561). Other expenditure (charged to the Trust Fund) includes investment management and safe custody fees of £17,767 (2019: £17,569).

#### **Investment Policy and Performance**

The Trust Deed gives the Trustees wide powers of investment. The Trustees have agreed an investment policy, which has been notified to the appointed investment advisors, Investec. The policy of the Trustees is to achieve a balanced portfolio of income producing securities and capital growth whilst adopting a medium level of risk. The performance of the funds is continually monitored by Investec and Investec's performance is monitored by the Trustees who meet with the investment manager at least once a year.

The Trustees report that the total return from the investment portfolio for the year ended 31 December 2020 has been 5.61% (2019:17.58%) compared to UK CPI +3% benchmark of 3.18% (2019: 4.56%). Investments are shown at market value rather than book cost in accordance with the accounting policies in note 1. In the year to 31 December 2020, the charity realised losses on listed investments of £23,749 (2019: gains of £33,774) and unrealised gains of £138,270 (2019: gains of £370,837).

#### **Reserves Policy**

The Trustees have established a Reserves Policy with reference to Charity Commission guidance (CC19) and accounting standards. Cash flow is carefully monitored to match income receipts with operating expenditure. Subject to this, the Trustees aim to apply all income to direct charitable purposes. As at 31 December 2020 there were reserves in the Unrestricted Fund of £19,571 (2019: £9,506), to be used for charitable purposes in future, although the Trustees can, at their discretion, instead of applying the income of the charity in any year, accumulate all or part of it as if it were an accretion to capital. It is the Trustees' policy to retain a balance of at least 9 -12 months of running costs in its reserves together with sufficient funds to meet any pledged but unpaid grants.

#### **Going Concern**

The Trustees have prepared the financial statements on a going concern basis. However, before reaching their decision to do so, careful consideration has been given to the impact of the COVID-19 pandemic in 2020 and the longer-term implications.

The main consideration was the volatility of the stock market and its implications on both the value of the investment portfolio and the level of income arising therefrom as the charity relies on both to produce sufficient funds to meet its liabilities as and when they fall due. In particular discussions have taken place with the Investment Advisers to plan the best way forward.

As a result of these discussions the Trustees are satisfied that it is appropriate to prepare the financial statements on a going concern basis.

## THE PAMELA MATTHEWS CHARITABLE TRUST

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020

#### Risk Management

The major risks to which the Charity is exposed, as identified by the Trustees, have been reviewed and systems and procedures have been established to manage those risks. In particular, as mentioned above, the Trustees do not enter into commitments in excess of their available cash resources and as a result they operate in a very low risk environment. Any drop in income received will be matched by an appropriate reduction in expenditure.

#### Future Plans

It is the intention of the Trustees to continue to manage the investment portfolio so as to produce an investment income from which grants will be made to charitable organisations in line with the grant-making policy set out on page 2.

The Trustees plan to monitor the performance of the Landmark Trust with a view to transferring the freehold of the properties to the Landmark Trust when the 15 year lease is up.

#### Responsibilities of the Trustees

Law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES IN RESPECT OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

I report to the trustees on my examination of the accounts of The Pamela Matthews Charitable Trust ('the Trust') for the year ended 31 December 2020 which are set out on pages 6 to 11.

#### Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

#### Use of my report

This report is made solely to the Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the Trust's Trustees those matters which I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my examination, for this Report or for the opinions I have formed.

## THE PAMELA MATTHEWS CHARITABLE TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

#### 1. Accounting Policies

##### Basis of accounting

The financial statements have been prepared under the historical cost convention, with the exception that investments are shown at market value as at the balance sheet date, and are in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (October 2019), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011. The Charity constitutes a public benefit entity as defined by FRS 102. Where necessary estimates and judgements are based on historical experience and other factors.

##### Funds

The Unrestricted Income Fund comprises the income which the trustees are free to use in accordance with the charitable objects. The Expendable Endowment Fund represents those capital assets which are held for the longer term for the Trust, in accordance with the terms of the Trust Deed. Income arising on the Expendable Endowment Fund can be used in accordance with the objects of the Trust and is included in the Unrestricted Income Fund. As an Expendable Endowment Fund the capital can also be spent in certain circumstances in fulfilment of the Trust's objects. Any capital gains or losses arising on the investments held in the Expendable Endowment Fund form part of the Trust Fund.

##### Going Concern

The Trustees are satisfied that it is appropriate to prepare the financial statements on a going concern basis. Before reaching this conclusion the Trustees considered the impact and longer-term implications of the COVID-19 pandemic as shown in the Report of the Trustees on page 3.

##### Investment Income

Income from interest, royalties and dividends is recognised when receivable; Royalties are recognised when receivable in accordance with the substance of the relevant agreement; and Dividends are recognised when the shareholder's right to receive payment is established, although at the year end if the dividend is due but not received (i.e. it is "ex-dividend") it is not included in these accounts, it will be shown in the subsequent year when received. Accumulation dividends are not paid in cash but added to the value of the holdings. These are included within the gains in the Expendable Endowment Fund.

##### Charitable Expenditure

A liability and related expenditure is recognised when there is a legal or constructive obligation at the balance sheet date as a result of a past event; that it is likely to be settled and that it can be measured or estimated reliably. Other than investment management fees (expenditure on raising funds), all administration expenses are charitable support costs. Grants are recognised when the trustees have made the decision to make a payment and that decision has been communicated to the recipient and it is probable that payment will take place. However, the recognition of any liability will be dependent on any conditions attaching to the commitment.

##### Properties, chattels and investments

Freehold properties and chattels are valued at the probate values for Mrs Pamela Matthews' estate. Investments are valued at their mid market value at the year end. The value of the chattels has been adjusted to reflect disposals since the probate date.

##### Realised and unrealised gains/losses on investments

Realised gains/losses on the disposal of investments are calculated by reference to the market value of those investments at the start of the accounting period or, if purchased during the accounting period, the cost of acquisition. Unrealised gains/losses reflect the increase/decrease in value during the accounting period of investments held throughout that period or, in the case of investments purchased during the accounting period and still held at the end of the period, the increase/decrease in value compared to their acquisition cost.
