POM Charitable Trust

Report of the Trustees for the Year Ended 30 November 2021

The trustees present their report with the financial statements of the charity for the year ended 30 November 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Trust are the relief of children in need by reason of ill-health, disability, social or financial hardship or other disadvantage and in particular to enable such children to experience outdoor activity-based residential holidays in the UK.

Significant activities

Please refer to Achievements and Performance for details of activities taken place during the year.

Public benefit

The Trust had due regard for the Charity Commission's public guidance on Public Benefit.

Grantmaking Policy

POM Charitable Trust provides grants to institutions that help meet the objectives of the Trust. Grants are made to these organisations on an annual basis and reports are submitted to the Trust to show how the funding has been used.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During this year the Trust continued to support a number of organisations that offer children from disadvantaged backgrounds the opportunity to take part in activity related holidays.

Those organisations that were supported during the previous year were invited to submit reports describing how the POM Charitable Trust funding had been used. These reports were received and discussed by the Trustees at the Trustees' meeting in February 2021.

Investment performance

During the year the Trust received investment income from its portfolio held with Rathbones of £33,369 (2020: £34,173).

FINANCIAL REVIEW

Principal funding sources

The Trust was established from a legacy of approximately £2 million from the estate of Peter Lawrence. The legacy and the investment income deriving from it are the principal sources of funds.

Investment policy

Rathbone Greenbank Investments continue to manage the POM Charitable Trust's investments in accordance with defined ethical criteria that are considered to be consistent with the objectives of the Trust.

Reserves policy

The Trustees regularly meet to review the charity's level of reserves. A representative from Rathbone Greenbank Investments attended the February 2021 Trustees' meeting to report on the performance of the portfolio.

At the year end total reserves amounted to £2,223,888 (2020: £2,143,869), of this general funds amounted to £86,251 (2020: £363,263)

Going concern

The Trustees confirm that the charity operates as a going concern.

The Trustees have considered the impact of the current COVID19 pandemic on the future finances of the charity and believe that due to the nature of its income and expenditure, together with its high level of investment assets, it will be in a position to continue for the foreseeable future.

FUTURE PLANS

The Trust plans to continue to support organisations that help meet the charity's objectives.

POM Charitable Trust

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The Trust is founded as an unincorporated association upon the Declaration of Trust made on 8 November 2006 by its Trustees.

Organisational structure

All decisions pertaining to the Trust are taken by trustees at a yearly meeting, which must be attended by a quorum of four Trustees, supported by additional email communication as necessary. Decisions are taken as specified in the Declaration of Trust.

Independent Examiner's Report to the Trustees of
POM Charitable Trust

Independent examiner's report to the trustees of POM Charitable Trust

I report to the charity trustees on my examination of the accounts of POM Charitable Trust (the Trust) for the year ended 30 November 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities (SOFA) once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
