TRUSTEES REPORT

FOR THE YEAR END 31ST AUGUST 2025

Income this year amounted to £32,216 which was enough money for a further three wells bringing the total to 189.

I decided to wind the charity down in November 2024 and informed all regular donors in our Christmas newsletter. We are holding a slight surplus which was the result of an HMRC giftaid payment, and this will be kept to transfer over to South Africa at a later date for the upkeep of our wells.

Independent examiners report to the trustees of Lawrence's Roundabout Well Appeal Trust

I report on the accounts of Lawrence's Roundabout Well Appeal Trust (the Trust) for the year ended 31 August 2024, which are set out on page 1.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

LAWRENCE'S ROUNDABOUT WELL APPEAL

England & Wales - Charity number 1117317

Accounts

It has been another successful year for the charity with £105,273 raised which has allowed us to purchase another fourteen pumps.

Our goals for 2014 are as follows:

- To continue to raise money to provide South African schools with fresh water
- To continue to provide as much feedback to donors as to where their donations have been spent
- To continue to spend as little as possible on administration so that we can ensure that every penny donated goes straight to South Africa, and that our little administrative costs are amply covered by Gift Aid repayments.

LAWRENCE'S ROUNDABOUT WELL APPEAL

England & Wales - Charity number 1117317

Accounts

As with many other charities in the UK, Lawrence's Roundabout Well Appeal has seen a decrease in donations from the effects of Covid, and will no doubt suffer further with the general rise in cost of living in the UK. However, we still managed to raise enough funds for five new roundabout water pumps.

Our goals for 2022 are as follows:

- To continue to raise money to provide South African schools with fresh water
- To continue to provide as much feedback to donors as to where their donations have been spent
- To continue to spend as little as possible on administration so that we can ensure that every penny donated goes straight to South Africa, and that our little administrative costs are amply covered by Gift Aid repayments.
