The objects of the charity are:

- To provide educational support to poor children of deprived families through our 'education project', 'orphan sponsorship project' and 'financial support for the poor children's families'.
- Building shelter for the homeless through our 'housing project'.
- To provide safe and clean water in deprived areas through our 'water project'.

ACHIEVEMENT AND PERFORMANCE

Education and orphan sponsorship projects:

Our education and orphan sponsorship projects support children from poor backgrounds with their educational needs i.e. providing books, pencils and other educational materials. We also provide financial support to the families of these poor children, who otherwise would send their children to work as child labourer. We also provide sponsorship to poor children so that they can have a chance to educate themselves and change the future of their deprived families.
