Activities

Objects: THE PRESERVATION AND PROTECTION OF GOOD HEALTH OF PEOPLE WHO HAVE SUFFERED FROM STROKES AND THEIR FAMILY AND CARERS.

Activities: Our charity looks after stroke patients and their carers. When people come out of hospital after stroke once their needs have been assessed by social services and provided with all necessary equipment they are left entirely on their own. This means that because of their disabilities they are mainly confined to their home. We endeavour to bring them back socially into the real world.
