Company Limited by Guarantee
Trustees' Annual Report (Incorporating the Director's Report)
Year ended 31st December 2021

The trustees, who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the year ended 31st December 2021.

Achievements and performance

2021 continued the theme of 2020 in being a very challenging year for many people, both in the UK and also in Africa. The continued impact of Covid on people has direct impact on the work of Hands UK both across the United Kingdom and also in the way it was able to work with its partner communities across Africa. As in 2020 we were unable to send teams as we have done in the past. It is looking like 2022 will enable easier access to our Communities in Africa and we trust this will be the case. The financial challenges faced by many of our supporters remains very real and we are so thankful that people continued to give faithfully through 2021 such that we saw no drop in our income and so were able to continue to give to each of our partner communities.

Against this backdrop, the trustees are pleased to report a healthy financial position with donations again remaining very resilient. Income from donations was £355,209, a small increase from £352,996 in the prior year.

Total funds at the end of 2021 were £100,474, a small decrease of £7,480 on the prior year as our strong reserves position enabled us to continue to give to Africa even while there was considerable uncertainty on our income at the time. The charities policy on reserves is shown below. Actual reserves remain above the minimum level set by the trustees.

The healthy financial position also enabled the trustees to commit to support the the number of children requested of us with the 'three essential services' (food, primary education and basic healthcare). Hands UK maintained the number of children supported at 1,295 through 2021. For 2022 we have had a small reduction in the number of children supported to 1,180 due to changes in the number of children in some of our partner communities. We expect this number to increase again in the following years.

Financial review

The charity's policy on reserves is founded on a desire to maximise the funds made available on the ground in Africa. The directors have maintained the reserves policy to meet contractual requirements in the UK and to sustain operations and meet its commitments to three essential services in Africa and to UK volunteers for three months. At 31st December 2021 the minimum reserves requirement on this basis was £70,800. Actual reserves remain comfortably above the minimum reserves requirement. The Trustees will continue to monitor and manage free reserves through careful budgeting in future periods to ensure the objectives of the Company are met.

Objectives and activities

The objectives of the company are to partner with Hands at Work in Africa, a Non Governmental Organisation based in South Africa, by raising awareness throughout the UK of the plight of orphans and vulnerable children, people living with or affected by HIV/AIDS and those suffering from extreme poverty in Sub-Saharan Africa.

The principal activities undertaken in pursuit of its charitable aims have continued to be:

- forming and building partnerships with churches, corporate bodies and individuals wanting to support the work of Hands at Work in Africa,
- organising visits to partner communities to foster relationships,
- encouraging and facilitating short and long-term volunteering, and
- fundraising.

In overseeing the activities of the organisation, the Trustees have had due regard to the guidance issued by the Charity Commission on public benefit.

Hands @ Work in Africa UK is staffed entirely by volunteers. Its two UK National Coordinators volunteer full time, and other staff roles are filled by part-time volunteers. All its directors and trustees are volunteers

The charity sustained the number of UK volunteers serving long term in Africa at eight. The charity supported these volunteers, including the coordination of donations made to the charity towards the financial support of the volunteers.

Due to the continued impact of Covid, the charity was unable to send any teams to Africa in 2021. Teams are expected to resume in 2022, albeit starting at a lower level than pre-covid.

Structure, governance and management

Hands @ Work in Africa UK is a charitable company limited by guarantee. It was incorporated on 25th July 2006 and was granted charitable status on 3rd January 2007. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. New trustees are appointed by the Board of trustees.

Independent Examiner's Report to the Trustees of Hands @ Work In Africa UK

Year ended 31st December 2021

I report to the trustees on my examination of the financial statements of Hands @ Work In Africa UK ('the charity') for the year ended 31st December 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).
