**Achievements and performance**

**a. Review of activities**

The focus of all the activities of the RCCG International Christian Centre is sharing the good news of Jesus Christ in a holistic and practical way with children, young people and adults within our local community and the world at large. We believe that the gospel is life transforming and life enhancing and is the only way through which men can have and experience eternal life. It is our belief that the gospel has a positive impact on individuals who, in turn, have a positive and transformative impact on their families, communities and the world. Hence, in the year ending 31 March 2024, RCCG ICC as a charity, in keeping with its objectives was able to extend existing programmes and develop new initiatives aimed at propagating and advancing message of the gospel of Christ and the Christian faith within its local community, the UK and overseas through its mission work. The charity also consolidated its Social Action initiatives; its provision of education/training; and the delivery of children and family support services in the community.

The church continued to work in partnership with other local organisations with similar objectives of advancing the gospel of Jesus Christ and raising finances and awareness for the needs and plight of the most disadvantaged in our society and around the world.

**b. Investment policy and performance**

The trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board as far as possible, funds will be retained in interest bearing accounts.

**Financial review**

**a. Reserves policy**

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding. The free reserve for the year is 250,382 (2023 - £275,353).

**b. Financial Position**

The church is financially stable.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**1. General information**

The Redeemed Christian Church of God International Christian Centre Ltd is a private company limited by guarantee, incorporated in England on 18 February 2002

The address of its registered office is:

Rear of 31 - 33 High Road  
Chadwell Heath  
Romford  
Essex  
RM6 6QJ

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Redeemed Christian Church of God International Christian Centre Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Income**

All income is recognised once the Charitable Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

**2.3 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charitable Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**2. Accounting policies (continued)**

**2.4 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charitable Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.5 Tangible fixed assets and depreciation**

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line basis
Long-term leasehold property	- 2% straight line basis
Motor vehicles	- 25% reducing balance basis
Office equipment	- 15% straight line basis

**2.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charitable Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charitable Company for particular purposes.
