### The Charity's Objects

To help preserve health through prevention, detection and treatment of breast disease in men and women in Bristol and surrounding areas by providing, or assisting in the provision of equipment, facilities or services, and any other such charitable cause that the trustees see fit.

### The Charity's Main Activities

BUST is now in its 30th year and has now raised £2,035,684.51 to 31<sup>st</sup> January 2022. We continue to spend less than one per cent on expenses. Our total income for this year is £51,045.76.

The Trustees have considered the Charity Commission's Guidance on public benefit reporting, and we can confirm that all the fundraising activities that the Charity has been involved in are for the benefit of the public (in this case patients both male and female) who attend the Breast Centre each year for treatment breast abnormalities.

Our BUST Members group of patients normally meets at the Breast Centre inside the Southmead Hospital Bristol. Due to the Covid pandemic we have not been able to meet.

The Committee (we are eight volunteer/patients) accept many invitations to talk about breast cancer in men and women. We normally attend Church groups, Rotarians, Women's Institute, Airbus - talking to men. Well Women Clinics for full days where our intention is not to fundraise but to educate and inform and support patients following treatment for Breast Cancer. But again, this has not been possible although we have started to see more fundraising events taking place.

We still receive donations from patients for the Charity which will be spent on medical equipment for the Centre. We look forward to a better time for all Charities and NHS staff.

### Achievements and Performance

This has been a difficult time for the Bust Charity, as we have been unable to meet regularly due to the Covid pandemic and several fundraising events could not take place. We have, however, continued to receive money from very grateful patients and have seen a few fundraising events starting up again.

When we are able, the charity will continue to pursue its main task of fundraising to help buy new technology to improve patient care. It will also continue to attend and represent patients' interests at the Bristol Breast Care Centre. We provide our experience in looking from a patient's perspective at new research items and publications.

BUST is continuing its aim to purchase an MRI scanner or other needed medical equipment for the Breast Centre which will support patients.

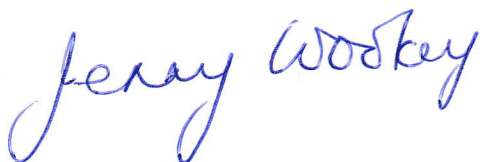

***Trustees' Responsibilities***

The trustees recognise their responsibilities for keeping proper accounting records and preparing financial statements each year. The appended accounts were prepared on the receipts and payments basis and were examined by an Independent Account, whose report is also appended.

**The trustees declare that they have approved the trustees report above.**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**  
**FOR THE YEAR ENDED 31 JANUARY 2022**

---

We have examined the financial statements set out on pages 5 and 6.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of accounts. The charity's members consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is our responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to our attention.

**Basis of independent examiner's report**

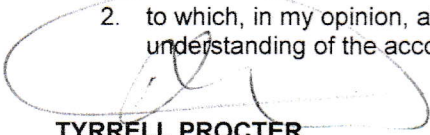

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

This report is made to you in accordance with the terms of our engagement and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the trustees, for our work or for this report.

**Independent examiner's statement**

In connection with our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act and the Regulations have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
