Section B Structure, governance and management

Description of the charity's trusts

Type of governing document

Constitution

How the charity is constituted

The Charity was incorporated on 26 July 2006 as a company limited by guarantee and is registered with the Charity Commission. The affairs of the company are governed by its memorandum and articles of association. The liability of the members in the event of the company being wound up is limited to a sum not exceeding £1.

Trustee selection methods

Trustees are elected by members at the AGM in November each year.

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Ridgeway Playgroup has a set of policies and procedures related to all aspects of the day to day operation of Playgroup, employment of staff and roles of Trustees. We are governed by the requirements of the Early Years Framework and Ofsted. We are audited by Gloucestershire Early Years Team for our processes and procedures, with particular regard to safeguarding.

Ridgeway Playgroup is a member of PATA, which is a voluntary sector provider of support to early years providers in Gloucestershire.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity's objectives are to provide safe and satisfying group play for the promotion of the education of pre-school-age children.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees make all decisions with regard to the public benefit requirement.

Ridgeway Playgroup exists to provide public benefit through the provision of a playgroup and pre-school for the local community.

Where we charge for our provision, the fees are reviewed and maintained at an affordable level.

When reviewing our opening hours and access to our premises we take into account the needs of the local community (eg how it fits with the school day, whether the least advantaged parents can still afford to access full provision).

We review the cost of services (eg payroll) and staffing levels carefully.

No personal benefits are received by the trustees.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Playgroup is run by volunteer parents and staff who oversee all the legal and financial obligations of the charity and company.

It is acknowledged that this is a time consuming and complex business and the input of the trustees is invaluable in the continued existence of Playgroup.

This year we carried out a successful Christmas nativity event which was organised by the committee and volunteer parents as well as raising small amounts of additional through donations throughout the year.

We were unfortunately unable to run the Spring fun day and take part in other fundraising activities this year due to the covid19 pandemic.

We made a successful application to receive a Parish grant for equipment.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During this period we have been open 5 days a week for 32 weeks of the year. We have kept our increased opening hours of Tuesday and Wednesday afternoons.

We provided term time childcare in accordance with the requirements of the Early Years Foundation Stage Framework, Ofsted Framework and the requirements of the Gloucestershire Early Years team.

It has been another challenging year due to the pandemic. We were only able to carry out 1 main fundraising event – the Christmas nativity. This fundraising provides useful additional funds for resources. However, the other planned events were forced to be cancelled. Parents have continued to contribute with some donations of items playgroup required and money.

We received £187 from DVD sales from the Nativity, £300 from the local Parish Grant, Bags to School raised £360 and £150 from donations from parents.

We have continued to foster strong links with local Primary Schools and continue to work with other local settings to share good practice. School visits were able to take place this year and the reception teachers from the Primary Schools were able to visit us to meet the pre schoolers. We have received good support and advice from the Early Years Team at Gloucestershire County Council and from PATA.

The Chair, Secretary and Treasurer of trustees remained unchanged at the AGM in November 2021.

We continued to provide the extended opening hours, being open 5 days per week and continued to provide a total of 27.5 hours of a provision a week and places for children from 2 years upwards.

We had very good child numbers evenly spread across the five days and the numbers rose again throughout the year.

We chose to ensure we had a more stable level of staffing going forward. Ensuring that we have 4 or 5 members of staff working everyday. We felt it would be hugely beneficial for the children to have extra staff on hand. As well as staff feeling more valued and hopefully retained as they are not having their hours changed according to children's numbers.

We have continued to successfully deliver provision of the extended 30 hours childcare and Tax-free childcare (beginning September 2017). We have provided support to parents to enable them to sign up and access these additional benefits. We have also continued our membership of childcare voucher schemes.

During the last year we have been able to get back to near normal as we felt it has always been important for the children to just be children.

We were able to maintain the business and in fact increase turnover. We also have Tracey Chudley now working 3 days a week from September 2022, this will help having an extra member of staff on the team in case someone is ill.

Section E**Financial review**

Brief statement of the charity's policy on reserves

We began and finished this year with a good level of reserves. Our child numbers increased and this was helped by being open extra hours (Tuesday and Wednesday afternoons) We have now been allowed to keep these hours indefinitely. For the first time in a number of years we have a waiting list of children wanting to start as far forward as January 2024 and we are already nearly full from September 2023

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal sources of funds for Ridgeway Playgroup are the Early Years grant from Gloucestershire Council (15/30 hours funded childcare for children from the term after their 3rd birthday). We also receive funding for eligible 2 year olds and additional Pupil Premium funding for the most disadvantaged.

Some of our income comes from fees for those children who are not eligible for Early Years funding or who have exceeded their funded hours limit.

We have managed to increase our children's numbers over the last year and now have a waiting list for the next term. We have also increased staffing hours and two of our unqualified staff are now doing their level 3 qualification.

1b Additional Notes on Accounting Policies

Cash flow statement

These accounts do not include a cash flow statement because the charity, as a small reporting entity is exempt from requirements to prepare such a statement.

Income

Donations, legacies and gifts are recognised in the accounts when receivable by the company. Other income is accounted for on an accruals basis as far as it is prudent to do so. Donations received in kind are not valued unless the items involved are of significant value.

Revenue Grants

Revenue grants are credited to the income and expenditure account as receivable.

Capital Grants

Fixed assets acquired with grant assistance are stated at cost and depreciated over their useful economic lives. The receipt of the grant is recorded as a restricted fund in the statement of financial activities.

Taxation

As a registered charity the company is generally exempt from income tax and capital gains tax, but not from VAT. Irrecoverable VAT is included in the costs of those items to which it relates.

Tangible Fixed Assets

Fixed assets are shown at historical cost. Depreciation is provided at an annual rate of 25% for Gardens, and 20% for equipment, furniture and fittings in order to write off each asset over its estimated useful life on a reducing balance basis.

Allocation of Expenditure

Expenditure has been allocated between the main headings in the Statement of Financial Activities on the basis of the type of activity to which they relate. Governance of the charity is principally by the unpaid Trustees and few costs have been allocated to this activity. Income and expenses have not been netted off.
