Structure, governance and management

Beacon South Yorkshire Ltd is a registered charity with the Charity Commission and a company limited by guarantee, governed by its Memorandum and Articles of Association, dated March 2005, most recently amended April 2016. Formerly Barnsley Beacon Support Services, the charity changed its name on 15 December 2017, following a rebrand and expansion of services outside of Barnsley.

The company has no share capital and the liability of each member in the event of winding-up is limited to a sum not exceeding £1. The affairs of the charity are managed on a day-to-day basis by the trustees who may exercise all the powers of the charity.

Appointment of trustees

The trustees are also directors of the company for the purpose of company law. The trustees are elected at the Annual General Meeting.

Trustee training & induction

New trustees are given a copy of the volunteer's handbook containing information about the organisation and internal policies/ procedures. During the year all trustees completed training relevant to the role.

Risk management

The trustees keep a risk register which is reviewed regularly. A major risk is the loss of funding to pay for the manager's post and to continue the operational running of the charity. The financial position and level of reserves is reviewed at each bi-monthly trustees meeting and funding applications are ongoing. For other areas, systems are in place to manage the risks and to lessen the possible impacts.

Charitable aims and objectives

The principle objectives of the charity are to relieve the suffering and needs of parents and carers, primarily but not exclusively, of drug users by:

- i) Establishing and developing a service that provides help, support and advice.
- ii) Providing a safe, comfortable environment in which to hold a parent and family support group.
- iii) Raising awareness and educating the public about drugs and drug related issues and by offering training and education on matters such as counselling.
- iv) Offering Indian Head Massage, Hand & Foot Massage, Reflexology and Reiki as complimentary therapies.

Public Benefit Statement

In shaping the objectives for the year the trustees have paid due regard to the public benefit guidance published by the Charity Commission.

Chair's Report on Activities undertaken for the public benefit

This year has again been very different as we continued to offer services via telephone, zoom and MS Teams during the pandemic. BSY continued to follow government guidelines and we were lucky to be able to work from the office on occasions as well as supporting carers from home, through homeworking. This was made possible by our main funder, The National Lottery Community Fund, who assisted us in purchasing laptops and mobile phones to keep the service going through difficult times.

The trustees would like to say a massive thank you to all staff and volunteers for their continued support in the strange times we have seen. The volunteers are/have been carers themselves and we are eternally grateful to each one who has given their time to support others. We are making more connections with other agencies throughout the borough to assist each other with relevant up to date signposting and partnership working.

BSY would also like to thank The Liz & Terry Bramall Foundation for their continued support towards core operating costs to maintain service delivery, to The Coalfields Regeneration Trust for funding towards a part time counsellor as we saw a major decline in carers mental wellbeing. This service has been a lifeline for many. Additional thanks to Awards for All, The Freshgate Trust, The Shaw Lands Trust, Leeds Building Society, The Screwfix Foundation, BMBC, and South Yorkshire Community Foundation for their continued support to our cause. BSY continued to work with the private group Space4Carers and continue to receive referrals from across South Yorkshire.

Carers accessing services have continued with telephone support and feedback is positive. When we could open safely, following government guidance, it was found to be a very slow process as people still felt a little unsure about being around others and this continues in some respects. The trustees and staff at BSY had to do a lot of rethinking and towards the year-end, we began to see more carers face to face. Our group and drop-in sessions are slowly getting back to normal.

Thanks to The Brelms Trust, BSY have been able to extend the funding period for The Stepping Stones group courses and have worked on development with an external consultant as agreed with them. This involved a pilot for The Next Steps in-house course, to assist carers whose caring role may have changed. The Funding & Services Manager continues to seek feedback on all courses to ensure that we are listening to carer needs throughout this time. The trustees would like to thank all staff, past & present for their input.

The charity continues to use The Lamplight database currently being funded by our main funder.

The support and counselling services are in high demand with extremely positive feedback. We regularly receive thanks, cards, flowers and donations from carers who access this support from both Barnsley & Rotherham. We are now linked with Barnsley & Rotherham College, where counselling students in their final year volunteer their time and this has proven invaluable throughout the pandemic. Again thank you to all students who have volunteered this year, we are grateful to you all.

Therapies and group sessions reduced throughout the year although we are hopeful carers will come back into the building soon, we also welcome an additional therapist to the team. Mindfulness continues to attract more carers weekly along with Yoga, all to aid carers physical & mental wellbeing.

Training completed either face-to-face or online:

- 2 staff members went to Fareshare and learned basic cooking & knife skills with Chris.
- 2 attended training with BSARCS – Trauma informed responses & the impact of sexual harm.
- The team invited Rebecca McManus from Leeds Teaching Hospital who talked to us all about Unconscious Bias, which was very interesting.

Staff are involved in The Carers Strategy group, Mental Health Forum and Volunteer Coordinators meeting. BSY was also lucky to have been involved with The Covid Bounce Back programme with Mutual Ventures which has been incredibly helpful moving forward and brought various organisations together which was brilliant to be part of.

We continue to distribute food parcels weekly to alleviate the hardship in the community and wish to thank Fareshare Yorkshire and their volunteers for this service. Volunteers give their time to help distribute food each week and we are very grateful to them.

We continue to advertise and recruit volunteer roles through Barnsley CVS, Voluntary Action Rotherham, Facebook, Indeed, Barnsley Council and our website. This year we were lucky to recruit another trustee and an additional therapist.

We are delighted to be one of the Mayor's chosen charities along with TADS (Therapies for Anxiety, Depression & Stress) for an extended period due to the pandemic and would like to thank Cllr. Caroline Makinson and her team for the continued support, fundraising and for raising awareness of our charity for carers and for the time spent connecting with BSY. After missing our 21st anniversary, we will be celebrating 25 years accordingly.

The Chair and all trustees would also like to thank everyone involved with BSY in the last year for their continued support and care and for giving back to the community we support

The charity's policy on reserves

As a small charity, reliant on public and charitable funding, we are susceptible to factors beyond our control. Beacon trustees recognise that a certain level of funds need to be maintained to give the organisation stability to continue the running of services for the carers of the Borough. Reserves are also needed so that the charity can meet all statutory obligations in the event of winding up. The Trustees aim to hold reserves equivalent to 3 months running costs, plus a provision of £12,500 for redundancy and other closure costs. In 2021-22 this equates to approximately £40,000.

At the year-end, the unrestricted reserve was £41,032 (2021: £28,478) which is now in line with the agreed policy.

Statement of trustee's responsibilities

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity at the end of the year and of the surplus or deficiency for the year then ended. In preparing those financial statements, the trustees are required to: select suitable accounting policies and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity, and enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Financial Position

The financial statements are set out in pages 9 to 17. The Statement of Financial Activities shows a surplus for the year of £9,360. (2021: £38,207).

The total funds at the year-end stand at £60,600 (2021: £51,240).

The general reserve of the charity, represented by unrestricted funds, stands at £41,032 at the year-end (2021: £28,478). The financial position has improved during the year and the reserves have now reached desired level agreed by the trustees.

Small company provisions:

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Exemptions

The trustees have taken advantage of the exemptions available to small companies, including the audit exemption.

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees:

Signed S. Owen

Date: 15-6-22

S Owen, Chair/Director

BEACON SOUTH YORKSHIRE LTD
INDEPENDENT EXAMINER'S REPORT
YEAR ENDED 31 MARCH 2022

I report on the accounts of the charity, which are set out on pages 9 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Exemption from audit

For the year ending 31 March 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476;*
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.*

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The trustees declare that they have approved the accounts above.
Signed on behalf of the charity's trustees:

Signed S. Owen Dated: 15-6-22.

S Owen, Chair/Director

BEACON SOUTH YORKSHIRE LTD
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2022

1. Accounting policies

Basis of the preparation of the accounts

The financial statements have been prepared in accordance with Accounting and Reporting by Charities - Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) – (Charities SORP (FRS102)) and the Companies Act 2006.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy note(s).

Income and expenditure has been analysed in the accounts using natural classification, in accordance with the provisions of Section 4.6, SORP (charities below the audit threshold). The charity also meets the requirements for exemption for preparing a statement of cash flows.

Going Concern Note

The trustees regularly review the financial position of the charity and its reserves. The charity has secured funding for 5 years from the National Lottery Community Fund, commencing 1st April 2020, which will fund all major services. Funding applications for other activities are on-going and the charity has been successful in securing a number of small grants.

In view of the above, the trustees have reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future and deem it appropriate to adopt the going concern basis in preparing the financial statements.

Incoming resources

All material incoming resources have been included in the Statement of Financial Activities when the charity is entitled to the income, when any performance conditions attached are met, when it is probable that the income will be received and when the amount can be measured reliably.

Donated goods and services

Donated facilities and services are recognised in the accounts, at the amount the charity would pay in the open market for a service equivalent to that being donated, when the charity would otherwise have purchased them and the value can be measured reliably.

Donated goods for the charity's own use are recognised as income, at their fair value.

The contribution of general volunteers is not recognised as income in the charity accounts.

Resources Expended

All expenditure is included on an accruals basis and is recognised as a liability is incurred. The charity is not registered for VAT and accordingly resources expended are shown gross of irrecoverable VAT.

Depreciation

Depreciation is calculated to write down the cost or valuation less estimated residual value of all tangible fixed assets, with a cost exceeding £1,000, over their expected useful lives. In the year of acquisition, assets are depreciated over the full year.

The rates applicable are:

Computer Equipment	- 33.333% on a straight line basis
Office Equipment, Furniture, Fittings	- 15% on a straight line basis

BEACON SOUTH YORKSHIRE LTD

NOTES TO THE FINANCIAL STATEMENTS continued

YEAR ENDED 31 MARCH 2022

Taxation

Beacon South Yorkshire Ltd is a registered charity and is exempt from UK corporation tax on income from its charitable activities.

Funds Structure

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity.

Restricted funds have been provided to the charity for particular purposes and may only be spent for the purposes for which they were given. Any balance remaining outstanding on a restricted fund at the end of the year is carried forward as a balance on the fund, unless permission has been given by the funder to remove the restriction on the balance outstanding.

Funds relating to capital expenditure are transferred to a designated fund against which depreciation is charged.
