Contribution made by volunteers	Para 1.38	<p>The charity and its activities are entirely volunteer run, mainly by parents or other relatives of children attending the school. Without these voluntary contributions the charity would cease to exist. The trustees have taken seriously issues around volunteer recruitment and succession planning to ensure the charity remains viable as volunteers move on.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>In 2021-22, FoSMPS raised in excess of £43,000 through a combination of fundraising, sponsorship and donations.</p> <p>This took place against the backdrop of continuing Covid restrictions and uncertainty, with the charity unable to return to a full programme of events.</p> <p>This funding was used to support the school in its day to day running, such as through financial floats for each class teacher to buy consumables and other provisions for their classes; to support children in particular hardship through the establishment of a hardship fund; and to support particular groups of students, such as contributing to the Year 6 leavers' activities, and other activities to enhance the children's experiences at school.</p> <p>The charity's spending was significantly lower than its income this year for several reasons; primarily that FoSMPS had agreed with the school significant support to enable new Outdoor Play and Learning provision, including funding the provision of shade and weather shelters, equipment sheds and sand for the new sandpit, with expenditure that fell in the 2022-23 financial year.</p>

		<p>FoSMPS is also committed to ringfencing and retaining a proportion of the funds it raises to enable a much bigger building project to be funded, in partnership with the school, in the future.</p> <p>Outside of its fundraising activities, FoSMPS also continued its support to the school community, such as through organising events for new parents, establishing and running a system of class representatives and providing other volunteer support for school activities throughout the year.</p>

Achievements against objectives set	Para 1.41	<p>Against the objective to raise funds to both meet its annual commitments to the school and go further to provide additional, higher value items, FoSMPS performed well, with a profit of £18,432 from its fundraising events. Even without a significant sponsorship it received, this enabled it to meet its annual fundraising goals.</p> <p>Against its objective to foster a sense of community, FoSMPS shifted back to in-person events in late 2021, making considerable changes and embracing innovative ideas to how events were held to ensure they were in line with best practice guidance around Covid-19, with strong attendance figures at events and very positive feedback from attendees, particularly those parents who had joined the school community during the pandemic.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>With the return to in-person fundraising after the pandemic, it was challenging to set realistic objectives for fundraising events that had not been held for several years and took place in a very different context, particularly in winter 2021.</p> <p>However, each fundraising event that was held returned significant profit and costs were minimised, while holding the core principle that fundraising events should also be community events and, where pupils were involved in the events they should be financially accessible, provide a positive experience for all, and that pupils in financial hardship should be supported in being able to gain equal access to the events and not be excluded on the basis of ability to pay.</p>

Review of the charity's financial position at the end of the period	Para 1.21	On 31 August 2022, FoSMPS had £55,293 in available funds
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>FoSMPS has a policy of holding reserves to:</p> <ul style="list-style-type: none"> a. enable it to meet its standing annual commitments to the school for the following financial year b. enable the funding of future, larger projects that require multi-year fundraising to achieve. <p>The policy outlined at (b) recognises the need to balance the interests of future students with current students, and to strike a balance between funding medium-sized projects that would have immediate impact and retaining funds for longer-term projects.</p>
Amount of reserves held	Para 1.22	
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>Fundraising remains the primary source of funds for the charity, through volunteer-led events involving some or all of the school community.</p> <p>The charity also received donations and sponsorships.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	N/A
A description of the principal risks facing the charity	Para 1.46	<p>The charity is currently performing well, with a strong volunteer base, a succession plan for key committee members and a growing programme of events.</p> <p>The willingness of members of the wider school community to volunteer remains the primary risk to the charity's future fundraising abilities.</p> <p>The other main risk to the charity is the potential impact of the cost of living crisis, both in terms of ability to maintain fundraising levels and in terms of potential</p>

		increased need from the school for hardship support. However, the charity is in a strong financial position which mitigates the impact of this risk, and the reserves policy will ensure that economic uncertainty does not affect its abilities to meet its core commitments.
