Early Years Education

Aberavon Integrated Children's Centre works in partnership with Sandfields Primary School who deliver Early Years Education. The Centre offers flexible wrap around care facilities to compliment the nursery school hours to support parent/carers who participate in training or employment opportunities. We are part of the Welsh Assembly Government pilot in Neath Port Talbot which offers 30 hours funded childcare for children aged 3-4 years attending nursery school. They are funded for 17.5 hours during term time and 30 hours during the holiday periods. This has been very successful and we have 17 children using the service.

Our services include the support of Health professionals. We have 2 designated Health Visitors for this area as well as support from an Educational Physiologist to ensure if needed, parents, carers and children can access support at an earlier stage of their child's development. We are able to access Flying Start Family Support services, they are able to support families within their homes according to their individual needs. Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroups both morning and afternoon are running with 56 places.

We have a successful bilingual playgroup at the Centre which now incorporate Flying Start places. This is open for five mornings a week to address the limited Welsh medium playgroup provision in the area.

Independent examiner's report to the trustees of Aberavon Integrated Children's Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Nursery fees are measured at the fair value of the consideration received or receivable, net of discounts. Turnover is from the rendering of services. Turnover is recognised in the period in which the services relate and future income is recognised as deferred income.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Assets below £250 are not capitalised, but included within expenses. The Trustees do not believe any assets are impaired and do not carry out impairment reviews.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes falling in future time periods.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

ABERAVON INTEGRATED CHILDREN'S CENTRE

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash at bank and cash in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Short term creditors are measured at transaction price.

Functional and Presentation Currency

The company's functional and presentation currency is pounds sterling.

Going Concern

The company continues to adopt the going concern basis in preparing its financial statements.

Provision for liabilities

Provisions are recognised when the company has a present obligation (legal and constructive) from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Government Grants

Government Grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's statement of financial position when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Trade debtors, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment.

Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the debt instrument to the net carrying amount on initial recognition.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

ABERAVON INTEGRATED CHILDREN'S CENTRE

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES - continued

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

ABERAVON INTEGRATED CHILDREN'S CENTRE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Nursery fees are measured at the fair value of the consideration received or receivable, net of discounts. Turnover is from the rendering of services. Turnover is recognised in the period in which the services relate and future income is recognised as deferred income.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Assets below £250 are not capitalised, but included within expenses. The Trustees do not believe any assets are impaired and do not carry out impairment reviews.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes falling in future time periods.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

ABERAVON INTEGRATED CHILDREN'S CENTRE

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash at bank and cash in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Short term creditors are measured at transaction price.

Functional and Presentation Currency

The company's functional and presentation currency is pounds sterling.

Going Concern

The company continues to adopt the going concern basis in preparing its financial statements.

Provision for liabilities

Provisions are recognised when the company has a present obligation (legal and constructive) from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Government Grants

Government Grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's statement of financial position when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Trade debtors, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment.

Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the debt instrument to the net carrying amount on initial recognition.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

ABERAVON INTEGRATED CHILDREN'S CENTRE

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2024**

1. ACCOUNTING POLICIES - continued

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

Aberavon Integrated Children's Centre offers a wide range of childcare options and our aim is to provide children, from 8 weeks to 11 years with the opportunity to explore their potential in a safe, secure and stimulating environment. We operate for 51 weeks of the year, with the exception of Bank Holidays. Childcare is offered from 7.30 am to 6.00 pm, Monday to Friday for up to 69 children at any one time.

We provide:

- Day nursery care for 8 weeks - 5 years
- Wraparound care for the LEA
- Early Years Nursery provision at Sandfields Primary School
- After School Club for 4 - 11 years (term time only)
- Holiday Play Scheme
- A pick up/drop off service to Sandfields Primary School & St Josephs
- Welsh Medium Playgroup for 2 - 3 year olds
- Flying Start Playgroups
- 30 hour Childcare Offer for 3-4 year olds

Currently 117 children are registered using the day care nursery facility, the Out of School Club and during school holidays, the Holiday Club. This can be full time, part-time or on a sessional basis, 47 of these families are accessing childcare with support from the Flying Start initiative. Sixteen children who do not currently attend the childcare facility or out of School Club, utilise the holiday club sessions (some funded by NPTCBC) on a part-time basis during school holidays.

Early Years Education

Aberavon Integrated Children's Centre works in partnership with Sandfields Primary School who deliver Early Years Education. The Centre offers flexible wrap around care facilities to compliment the nursery school hours to support parent/carers who participate in training or employment opportunities. We are part of the Welsh Assembly Government pilot in Neath Port Talbot which offers 30 hours funded childcare for children aged 3-4 years attending nursery school. They are funded for 17.5 hours during term time and 30 hours during the holiday periods. This has been very successful and we have 12 children using the service.

Parents and Carers

Aberavon Integrated Children's Centre offers parents and carers affordable high quality childcare which incorporates before and after school, holiday, full day care and sessional care enabling them to participate in community training or employment opportunities.

Aberavon Integrated Children's Centre offers a training room for hire during the evenings for the delivery of community training and use as a meeting/conference venue for partners and organisations. We also have a smaller interview/medical room for hire to facilitate organisations and services delivering support and opportunities to families and carers.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Aberavon Integrated Children's Centre has been operating since September 2006. We continue to develop further services and opportunities to meet the varying needs of the community. Our services include the support of Health professionals. We have 2 designated Health Visitors for this area as well as support from an Educational Physiologist to ensure if needed, parents, carers and children can access support at an earlier stage of their child's development. We are able to access Flying Start Family Support services, they are able to support families within their homes according to their individual needs. Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroups both morning and afternoon are running with 56 places.

We have a successful bilingual playgroup at the Centre which now incorporate Flying Start places. This is open for five mornings a week to address the limited Welsh medium playgroup provision in the area.

Reserves policy

The Charity's reserves policy aims to provide financial stability and support for future development of our Charitable activity. The Trustees aim to maintain designated reserves at a level sufficient to cover up to six months operating expenditure, in line with Charities Commission recommendations.

FUTURE PLANS

We are making progress in returning to our pre covid numbers and by the end of the financial year 2022/23 we forecast improvements in the annual accounts. Continual promotion and increased numbers will slowly help us return to a healthier position.

Risk management

The Management Committee actively review the major risks which the Organisation faces on a regular basis and believe that maintaining our reserves at the levels stated, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Management Committee have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ABERAVON INTEGRATED CHILDREN'S CENTRE**

Independent examiner's report to the trustees of Aberavon Integrated Children's Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Nursery fees are measured at the fair value of the consideration received or receivable, net of discounts. Turnover is from the rendering of services. Turnover is recognised in the period in which the services relate and future income is recognised as deferred income.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Assets below £250 are not capitalised, but included within expenses. The Trustees do not believe any assets are impaired and do not carry out impairment reviews.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes falling in future time periods.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES - continued

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash at bank and cash in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Short term creditors are measured at transaction price.

Functional and Presentation Currency

The company's functional and presentation currency is pounds sterling.

Going Concern

The company continues to adopt the going concern basis in preparing its financial statements.

Provision for liabilities

Provisions are recognised when the company has a present obligation (legal and constructive) from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Government Grants

Government Grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's statement of financial position when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Trade debtors, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment.

ABERAVON INTEGRATED CHILDREN'S CENTRE

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES - continued

Debtors

Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the debt instrument to the net carrying amount on initial recognition.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

Sixteen children who do not currently attend the childcare facility or out of School Club, utilise the holiday club sessions (some funded by NPTCBC) on a part-time basis during school holidays.

Early Years Education

Aberavon Integrated Children's Centre works in partnership with Sandfields Primary School who deliver Early Years Education. The Centre offers flexible wrap around care facilities to compliment the nursery school hours to support parent/carers who participate in training or employment opportunities. We are part of the Welsh Assembly Government pilot in Neath Port Talbot which offers 30 hours funded childcare for children aged 3-4 years attending nursery school. They are funded for 12.5 hours during term time and 30 hours during the holiday periods. This has been very successful and we have 12 children using the service.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Charitable activities

Aberavon Integrated Children's Centre has been operating since September 2006. We continue to develop further services and opportunities to meet the varying needs of the community. Our services include the support of Health professionals. We have 2 designated Health Visitors for this area as well as support from an Educational Physiologist to ensure if needed, parents, carers and children can access support at an earlier stage of their child's development (due to current covid restrictions we have had to suspend this service on the premises) We are able to access Flying Start Family Support services, they are able to support families within their homes according to their individual needs. Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroups both morning and afternoon are running with 48 places. We numbers have reduced partially due to Covid 19 and reduced birth rate.

We have a successful bilingual playgroup at the Centre which now incorporate Flying Start places. This is open for five mornings a week to address the limited Welsh medium playgroup provision in the area.

ABERAVON INTEGRATED CHILDREN'S CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

FINANCIAL REVIEW

Principal funding sources

The Neath Port Talbot Families First has provided support to the Centre through a small annual grant - for refurbishment, items for childcare and for provision of a holiday play care facility.

Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroup both morning and afternoon are running at full capacity at 49 places.

Our principle funding is made up of private income for childcare plus Welsh Government funding through both flying start and childcare offer. As a reaction to the pandemic In 2020/21 we received funding from NPTCBC for vulnerable children to attend our holiday club through the summer. Flying start awarded funding for both sustainability and PPE costs.

Investment policy and objectives

The Trustees regularly review that there are sufficient available funds and take a cautious approach towards investment, adopting a short-term low-risk policy.

Reserves policy

The Charity's reserves policy aims to provide financial stability and support for future development of our Charitable activity. The Trustees aim to maintain designated reserves at a level sufficient to cover up to six months operating expenditure, in line with Charities Commission recommendations.

FUTURE PLANS

We are making progress in returning to our pre covid numbers and by the end of the financial year 2022/23 we forecast improvements in the annual accounts. Continual promotion and increased numbers will slowly help us return to a healthier position. The impact on our services has been far bigger than we originally predicted with complete closure for 3 months and periods of high staff/children isolations over the year to March 2021.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ABERAVON INTEGRATED CHILDREN'S CENTRE**

Independent examiner's report to the trustees of Aberavon Integrated Children's Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Assets below £250 are not capitalised, but included within expenses. The Trustees do not believe any assets are impaired and do not carry out impairment reviews.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes falling in future time periods.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES - continued

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash at bank and cash in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Short term creditors are measured at transaction price.

Functional and Presentation Currency

The company's functional and presentation currency is pounds sterling.

Going Concern

The company continues to adopt the going concern basis in preparing its financial statements.

Provision for liabilities

Provisions are recognised when the company has a present obligation (legal and constructive) from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Government Grants

Government Grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

OBJECTIVES AND ACTIVITIES

Significant activities

Childcare

Aberavon Integrated Children's Centre offers a wide range of childcare options and our aim is to provide children, from 8 weeks to 11 years with the opportunity to explore their potential in a safe, secure and stimulating environment. We operate for 51 weeks of the year, with the exception of Bank Holidays. Childcare is offered from 7.30 am to 6.00 pm, Monday to Friday for up to 69 children at any one time.

We provide:

- Day nursery care for 8 weeks - 5 years
- Wraparound care for the LEA
- Early Years Nursery provision at Sandfields Primary School
- After School Club for 4 - 11 years (term time only)
- Holiday Play Scheme
- A pick up/drop off service to Sandfields Primary School & St Josephs
- Welsh Medium Playgroup for 2 - 3 year olds
- Flying Start Playgroup
- 30 Childcare Offer for 3-4 year olds

Currently 108 children are registered using the day care nursery facility, the Out of School Club and during school holidays, the Holiday Club. This can be full time, part-time or on a sessional basis, 35 of these families are accessing childcare with support from the Flying Start initiative. Eighteen children who do not currently attend the childcare facility or out of School Club, utilise the holiday club sessions (some funded by NPTCBC) on a part-time basis during school holidays.

Early Years Education

Aberavon Integrated Children's Centre works in partnership with Sandfields Primary School who deliver Early Years Education. The Centre offers flexible wrap around care facilities to compliment the nursery school hours to support parent/carers who participate in training or employment opportunities. We are part of the Welsh Assembly Government pilot in Neath Port Talbot which offers 30 hours funded childcare for children aged 3-4 years attending nursery school. They are funded for 12.5 hours during term time and 30 hours during the holiday periods. This has been very successful and we have 15 children using the service.

Parents and Carers

Aberavon Integrated Children's Centre offers parents and carers affordable high quality childcare which incorporates before and after school, holiday, full day care and sessional care enabling them to participate in community training or employment opportunities.

Training/Meeting Facilities

Aberavon Integrated Children's Centre offers a training room for hire during the evenings for the delivery of community training and use as a meeting/conference venue for partners and organisations. We also have a smaller interview/medical room for hire to facilitate organisations and services delivering support and opportunities to families and carers.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Charitable activities

Aberavon Integrated Children's Centre has been operating since September 2006. We continue to develop further services and opportunities to meet the varying needs of the community. Our services include the support of Health professionals. We have 2 designated Health Visitors for this area as well as support from an Educational Psychologist to ensure if needed, parents, carers and children can access support at an earlier stage of their child's development (due to current covid restrictions we have had to suspend this service on the premises) We are able to access Flying Start Family Support services, they are able to support families within their homes according to their individual needs. Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroups both morning and afternoon are running with 48 places. We numbers have reduced partially due to Covid 19 and reduced birth rate.

We have a successful bilingual playgroup at the Centre which now incorporate Flying Start places. This is open for five mornings a week to address the limited Welsh medium playgroup provision in the area.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW

Principal funding sources

The Neath Port Talbot Families First has provided support to the Centre through a small annual grant - for refurbishment, items for childcare and for provision of a holiday play care facility.

Aberavon ICC is also registered to provide childcare under the WAG FLYING START initiative. The playgroup both morning and afternoon are running at full capacity at 49 places.

Our principle funding is made up of private income for childcare plus Welsh Government funding through both flying start and childcare offer. As a reaction to the pandemic In 2020/21 we received funding from NPTCBC for vulnerable children to attend our holiday club through the summer. Flying start awarded funding for both sustainability and PPE costs.

Investment policy and objectives

The Trustees regularly review that there are sufficient available funds and take a cautious approach towards investment, adopting a short-term low-risk policy.

Reserves policy

The Charity's reserves policy aims to provide financial stability and support for future development of our Charitable activity. The Trustees aim to maintain designated reserves at a level sufficient to cover up to six months operating expenditure, in line with Charities Commission recommendations.

FUTURE PLANS

It is our intention to promote the ICC to ensure we can return to pre-covid numbers and services by the end of 2022. The impact on our services has been huge with a complete closure for 3 months and periods of high staff isolations over the year to March 2021. We hope with the reopening of schools this will enable us to start after school clubs/holiday clubs and begin to recover numbers

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ABERAVON INTEGRATED CHILDREN'S CENTRE**

Independent examiner's report to the trustees of Aberavon Integrated Children's Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on cost

Assets below £250 are not capitalised, but included within expenses. The Trustees do not believe any assets are impaired and do not carry out impairment reviews.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes falling in future time periods.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES - continued

Fund accounting

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash at bank and cash in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Short term creditors are measured at transaction price.

Functional and Presentation Currency

The company's functional and presentation currency is pounds sterling.

Going Concern

The company continues to adopt the going concern basis in preparing its financial statements.

Provision for liabilities

Provisions are recognised when the company has a present obligation (legal and constructive) from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Government Grants

Government Grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.
