STRUCTURE, GOVERNANCE AND MANAGEMENT

Command Prayer Centre Ministries International is a registered charity and is governed by the trust deed dated 12th August 2006.

The charity is governed by the trust deed, which states the appointment of new trustees is at the discretion of the spiritual leadership of the church.

OBJECTIVES AND ACTIVITIES

The objects of the charity are for public benefit:

1. To advance the Christian faith (in accordance with the statement of beliefs) in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit.
2. To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods, or services of any kind, including the provision of counselling and support in such parts of the United Kingdom and the world as the trustees from time to time may think fit; and
3. To advance education in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit.

The trustees' objectives for each year are determined by reference to the overall objects.

METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the Charity is the responsibility of the Directors who are elected and co-opted under the terms of the Articles of Association. This states that any person, being a member of the Church who accepts the doctrine of the Church, may be appointed to the board by the members.

POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

Each of the appointed Trustees / Directors draws on specialist and professional advice for their area of responsibility. Each has received training and teaching to help them bring governance and direction to their area of responsibility.

The Trustees / Directors are aware that they are responsible for the training of any new trustee, including awareness of a trustee's responsibilities and the Memorandum and Articles.

**COMMAND PRAYER CENTRE MINISTRIES INTERNATIONAL
FINANCIAL STATEMENTS YEAR ENDED 31 MAY 2025**

During the year, the Trustees / Directors have a refreshed training programme.

The induction of the new Trustees / Directors consists of giving them a copy of the company Memorandum and Articles of Association and the CC3 Publication: 'The Essential Trustee, what you need to know'.

Specific training courses are attended by Trustees / Directors & other key personnel in the church throughout the year to help further develop their area of involvement and expertise, e.g., key directors, staff members & volunteers have attended training events in the areas of Safeguarding, Income Generation, Food Hygiene, Child Protection, First Aid, Health & Safety and Fire Safety.

ORGANISATIONAL STRUCTURE AND DECISION MAKING

The Directors / Trustees of the Charity are as noted on page 1.

Directors / Trustees meetings are held bi-monthly to review legal & financial strategy and financial performance, but regular contact is maintained in between meetings to monitor the organisational priorities, cashflow, legal / HR procedures and general governance issues.

The Directors / Trustees work together with the Elders and Diaconate of the Church, which comprises the following people who meet at least ten times a year.

In addition to the work done by Elders & Trustees / Directors as detailed above, the Charity seeks to further its aims and objectives by utilising the volunteer's capacity (of about 45) in the membership of the Church. They help to facilitate various areas of the activity and vision of the charity as follows.

The Elders and Trustees meet with departmental leaders of the church to periodically review various areas of church life and activity. These reviews are key in ensuring that the Charity continues to meet its primary objectives. The Trustees / Directors work together with the Elders and Diaconate in the Church to ensure that these aims and objectives are met throughout the activity of the organisation.

Areas of oversight and governance have continued to be developed this year including the review of key policies such as health and safety policy, fire risk assessment, assets register, child protection and adult safeguarding policies in line with Government guidance or best practice.

The Elders and Trustees set and agree financial budgets for each area of Church life. These are monitored and reviewed each month against cash flow and expenditure management.

REVIEW OF ACTIVITIES

Promotion of the Gospel of Jesus Christ Our Lord and Saviour

We held regular weekly Bible studies and worship services. Members and the general public had access to our regular meetings on

Mondays – Fridays – Morning Dew Prayer Meeting – 06:00hrs - 06:35hrs

Wednesdays – Prayer Meeting – 19:30hrs - 21:00hrs

Fridays – Weekday Service – 19:30-21:00hrs

Sundays – 10:00-12:30hrs

There were a number of outreach events undertaken during the last year to spread the good news and the love of Jesus Christ.

Cost of Living Crisis

CPCMI remains proactive in responding to the needs of our local community in partnership with other local churches, mainly Victoria Park Fellowship and Nazarene Church Longsight using the food bank as an anchor. We continue to work with partners to collectively respond to rising costs of living crisis. Our dedicated volunteers worked hard to expand our services including delivery of food parcels by a dedicated team of

volunteers. This is captured in the food bank report which appears on www.ardwickandlongsightfoodbank.org.uk.

Training & People Development

We held a number of leadership training sessions aimed at equipping all leaders including Board, Elders, Diaconate, Heads of Department as well as those aspiring to be leaders. Members were offered advice and guidance to enhance their career prospects through one- to-one coaching.

Community Connection Programme

CPCMI is a multinational church with over 17 nationalities with a real heart for the local community organising events and activities aimed at building community resilience and fostering good neighbourliness. Below are a range of initiatives that benefits the wider community.

Civic and Community Engagement

We are proud of being actively engaged with the Civic life of Manchester and supporting other minority churches to do likewise. Our vision is to serve our local communities in partnership with local agencies and statutory bodies through our Community Connection Programme. Our values are underpinned by our Christian faith, but our activities and services can be accessed by people of all faiths and none. We have worked in partnership with other local churches.

Transformation Community Resource Centre (TCRC) - We continue to provide space for local groups and residents for meetings, workshops and conferences. We host a number of small organisations that use our premises for hot-desking and as a registered address. We currently home for Manchester South Street Pastors, Cancer Care Diaspora, Caribbean & African Health Network Greater Manchester CIC. This also serves as service address for new business start-ups.

IT Café- The IT Café is accessible to local residents for general browsing and job searches and application. The Café has printing facilities and a Sessional Worker who supports service users with acquiring or improving their IT skills. This runs

during Foodbank sessions to benefit our service users and also by appointment at different times.

Ardwick & Longsight Food Bank - Our Foodbank is run with dedicated volunteers from Victoria Park Christian Fellowship and regular food donations from Nazarene Church Longsight to assist the needy and vulnerable in our community. Our Foodbank is opened twice a week on Mondays (11:00- 13:00hrs) and Thursdays (11:00-13:00hrs). We operate this in partnership with the Manchester Central Foodbank. We take referrals from local groups, organisations, or statutory agencies including Manchester City Council, Greater Manchester Probation Service, and Greater Manchester Police. Ardwick & Longsight Food Bank remains an independent food bank that fundraises and sources food items to distribute.

Grace Loaves & Fishes - Since February 2016, our partnership with local Tesco stores through the Fairshare Food Cloud scheme has benefitted many local residents. We receive surplus bakery, vegetables, and groceries that we redistributed during Foodbank sessions and to hostels and other churches in Ardwick, Longsight, Ancoats, Clayton, and Didsbury.

iProgress Work Club- iProgress runs on Tuesday mornings helping local residents who are unemployed with CV writing, online job applications completion, interview skills and support to start self-employment. We run sessions by appointment only due to the lack of funding.

Volunteering Scheme- We create opportunities for people to volunteer with any of our projects or refer potential volunteers to other organisations depending on their interests and skills set. We utilise the Manchester Volunteer Centre and the Manchester City Council VIP scheme.

TCRC Premises Development

We are planning to improve accessibility and the energy efficiency on the premises as well as the aesthetics. This is in furtherance of our goal of a green community hub that is welcoming to residents and other groups/organisations. TCRC will continue provides local meeting spaces and opportunity for information sharing as well as training and workshops.

FINANCIAL REVIEW

In promoting Christian faith, the church has managed to generate a total income of £209,038 (2024 £197,121) through holding regular weekly meetings, conferences, and joint conferences with other churches. We received grants from The National Lottery Community Fund and Forever Manchester to support our Community Connection Programme as the COVID-19 pandemic peaked. These grants were duly used to deliver activities of the Ardwick & Longsight Foodbank as we began to experience a surge in food parcels request.

Voluntary income totalled £103,391 (2024: £121,795) and has been achieved through the efforts of the spiritual leadership of the church.

Total grants of twenty-one thousand five hundred (£21,500) pounds (2024: £1,279) was received from Manchester Wellbeing Fund and IProgress.

Other revenue generation is rental income from the use of the community hall for meetings, conferences, training, and events, which amounted to sixteen thousand five hundred and ten (£23,750) pounds total from CAHN, and Cancer Care Diaspora and Resurrection Power ministries. We also allow other charities and local communities to use the facility as our support towards their objectives.

RESERVES

It is the Trustees objective to build up sufficient reserves to cover three (3) month's recurrent expenditure.

PLANS FOR FUTURE PERIODS – Post 20th Anniversary Community

In February 2025, the ministry celebrated 20 years of operation, and it is important we use this milestone to reflect on our activities and impact. Furthermore, we need envision what the next 5, 10, 20 years would look like and reassess the direction of travel. In furtherance of the gospel and providing pastoral care, we will continue to build on our operations and activities, streamlining to ensure efficiency and effectiveness in furtherance of the objects of the organisation.

We would be reviewing our formats of services and events, and how we reach a new audience as we organise church conferences and seminars promoting the Christian faith, singles Retreat, married couples' dinner and regular in-house leadership training. We will

resume our August Bank Holiday socials as a way to reach out to families in our

neighbourhood. Internally, there would be a variety of socials to further strengthen the bond between our members. We will continue to offer welfare support to individuals within our congregation and the local community at large.

The Community Connection Programme - We will continue with our plans to develop Transformation Community Resource Centre and the community projects we are currently running. Reviewing the future of the Ardwick & Longsight Foodbank will be a thorough exercise.

We will continue to develop and create volunteering opportunities to support employability and give local people confidence ahead of interviews. We would be refreshing our community engagement activities including how we engage with other churches, the voluntary sector, and statutory agencies. Enhancing good working relationship with key stakeholders in the local community would be crucial. The community hall will remain available to community groups and local organisations for meetings, conferences training and events.

Charles Kwaku-Odoi

Chair of Board of Directors and Trustees

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2025

1. ACCOUNTING POLICIES

1.1. Basis of preparation of the financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), and the Companies Act 2006.

Command Prayer Centre Ministries International meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

1.2. Company status

The charity is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member. Command Prayer Centre Ministries International is incorporated in the United Kingdom.

1.3. Transition to FRS 102

This is the first fiscal year that the company has presented its financial statements in accordance with FRS 102 “The Financial Reporting Framework Applicable in the UK and Ireland” (“FRS 102”) – (Charities SORP (FRS102)). For fiscal years up to and including the year ending 31 May 2016, the company prepared its financial statements in accordance with the old UK GAAP.

The company’s date of transition to FRS 102 is therefore 1 June 2016. The policies applied under the entity’s previous accounting framework are not materially different to FRS 102 and have not impacted on funds.

1.4. Going concern

These financial statements have been prepared on a going concern basis. The directors/trustees have looked at least 12 months from the date of signing these financial statements and the company’s ability to continue in operational existence to support its charitable objectives will be dependent upon the support of donors. The directors/trustees have adopted the going concern basis of preparation on the basis that the donors promised contributions will enable the company to meet its debts as they fall due.

1.5. Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

1.6. Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

1.7. Expenditure

All expenditure other than that capitalised has been reflected in the Statement of Financial Activities on an accrual's basis.

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise fundraising expenses and advertising and marketing costs.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes those costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and are included within charitable expenditure.

1.8. Debtors

Trade and other debtors are recognized at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10. Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.11. Financial instrument

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.12. Taxation

The company is a registered charity whose charitable activities are fully exempt from United Kingdom corporation tax.

1.13. Critical accounting judgments and key sources of estimation uncertainty

In applying the charity's accounting policies, the trustees are required to make judgments, estimates and assumptions in determining the carrying amounts of assets and liabilities. The trustees' judgments, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgments, estimates and assumptions, the actual results and outcomes may differ. The Trustees do not consider there to be any critical accounting judgments nor key sources of estimation uncertainty contained within the financial statements.

2. INCOME

The income is attributable to the principal activities of the company, all of which arise within the United Kingdom.

Donations

This represents income from fundraising events and other donations received.

Donated services and facilities of £124,891 (2024: £123,074) have been recognized as an estimate of their gross value to the charity.

Independent Examiner's Report to the members of CPMMI Trustees

To the trustees and members of Command Prayer Centre Ministries International with Charity number 1118904. I report on the accounts for the year ended 31 May 2025, which are set out on pages 14 to 20.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act.
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view,' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

The management of the Charity is the responsibility of the Directors who are elected and co-opted under the terms of the Articles of Association. This states that any person, being a member of the Church who accepts the doctrine of the Church, may be appointed to the board by the members.

POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

Each of the appointed Trustees / Directors draws on specialist and professional advice for their area of responsibility. Each has received training and teaching to help them bring governance and direction to their area of responsibility.

The Trustees / Directors are aware that they are responsible for the training of any new trustee, including awareness of a trustee's responsibilities and the Memorandum and Articles.

REVIEW OF ACTIVITIES

Promotion of the Gospel of Jesus Christ Our Lord and Saviour

We held regular weekly Bible studies and worship services. Members and the general public had access to our regular meetings on

Tuesdays – Prayer Line – 20:00hrs - 21:00hrs

Wednesdays – Prayer Meeting – 19:30hrs - 21:00hrs

Fridays – Weekday Service – 19:30-21:00hrs

Sundays – 10:30-12:30hrs

There were a number of outreach events undertaken during the last year to spread the good

Post COVID-19 and Cost of Living Crisis

Before the pandemic, the church had been proactive in responding to the needs of our local community in partnership with other local churches, mainly Victoria Park Fellowship and Nazarene Church Longsight using the food bank as an anchor. During the pandemic and recovery phase we worked with partners to collectively respond to the demands of the community. As the occasion demanded, thankfully our volunteers worked hard to expand our services including delivery of food parcels by a dedicated team of volunteers. This is captured in the food bank report which appears on www.ardwickandlongsightfoodbank.org.uk.

We have been responding to the Cost-of-Living crisis following the pandemic and are seeing request for food at a level higher than the peak of the Covid-19 pandemic.

Training & People Development

We held a number of leadership training sessions aimed at equipping all leaders including Board, Elders, Diaconate, Heads of Department as well as those aspiring to be leaders. Members were offered advice and guidance to enhance their career prospects through one- to-one coaching.

Community Connection Programme

CPCMI is a multinational church with over 157 nationalities with a real heart for the local community organising events and activities aimed at building community resilience and fostering good neighbourliness. Below are a range of initiatives that benefits the wider community.

Community Engagement

We are proud of being actively engaged with the Civic life of Manchester and supporting other minority churches to do likewise. Our vision is to serve our local communities in partnership with local agencies and statutory bodies through our Community Connection Programme. Our values are underpinned by our Christian faith, but our activities and services can be accessed by people of all faiths and none. We have worked in partnership with other local churches.

Transformation Community Resource Centre - We continue to provide space for local groups and residents for meetings, workshops, and conferences. We host a number of small organisations that use our premises for hot-desking and as a registered address. We currently home for Manchester South Street Pastors, Cancer Care Diaspora, Caribbean &

IT Café- The IT Café is accessible to local residents for general browsing and job searches and application. The Café has a printing facility and a Sessional Worker who supports service users with acquiring or improving their IT skills. This runs during Foodbank sessions to benefit our service users and also by appointment at various times.

Ardwick & Longsight Food Bank - Our Foodbank is run with dedicated volunteers from Victoria Park Christian Fellowship and regular food donations from Nazarene Church Longsight to assist the needy and vulnerable in our community. Our Foodbank is opened twice a week on Mondays (11:00- 13:00hrs) and Thursdays (11:00-13:00hrs). We operate this in partnership with the Manchester Central Foodbank. We take referrals from local groups, organisations, or statutory agencies including Manchester City Council, Greater Manchester Probation Service, and Greater Manchester Police. Ardwick & Longsight Food Bank remains an independent food bank that fundraises and sources food items to distribute.

Grace Loaves & Fishes- Since February 2016, our partnership with local Tesco stores through the Fareshare Food Cloud scheme has benefitted many local residents. We receive surplus bakery, vegetables, and groceries that we redistributed during Foodbank sessions and to hostels and other churches in Ardwick, Longsight, Ancoats, Clayton, and Didsbury.

iProgress Work Club- iProgress runs on Tuesday mornings helping local residents who are unemployed with CV writing, online job applications completion, interview skills and support to start self-employment. We run sessions by appointment only due to the lack of funding.

Volunteering Scheme- We create opportunities for people to volunteer with any of our projects or refer potential volunteers to other organisations depending on their interests and skills set. We utilise the Manchester Volunteer Centre and the Manchester City Council VIP scheme.

Transformation Community Resource Centre (TCRC)

TCRC continues to service as work and meeting spaces for the church, Cancer Care Diaspora, and the Caribbean & African Health Network. This also serves as service address for new business start-ups.

**COMMAND PRAYER CENTRE MINISTRIES INTERNATIONAL
FINANCIAL STATEMENTS YEAR ENDED 31 MAY 2024**

We have plans to improve accessibility and the energy efficiency on the premises as well as the aesthetics. This is in furtherance of our goal of a green community hub that is welcoming to residents and other groups/organisations. TCRC will continue provides local meeting spaces and opportunity for information sharing as well as training and workshops.

FINANCIAL REVIEW

In promoting Christian faith, the church has managed to generate a total income of £197,121 (2023 £154,080) through holding regular weekly meetings, conferences, and joint conferences with other churches. We received grants from The National Lottery Community Fund and Forever Manchester to support our Community Connection Programme as the COVID-19 pandemic peaked. These grants were duly used to deliver activities of the Ardwick & Longsight Foodbank as we began to experience a surge in food parcels request.

Voluntary income totalled £121,795 (2023: £64,737) and has been achieved through the efforts of the spiritual leadership of the church.

Total grants of one thousand two hundred and seventy-nine (£1,279) pounds (2023: £14,000) was received from Manchester Wellbeing Fund and IProgress.

Other revenue generation is rental income from the use of the community hall for meetings, conferences, training, and events, which amounted to sixteen thousand five hundred and ten (£37,100) pounds total from CAHN, and Cancer Care Diaspora and Resurrection Power ministries. We also allow other charities and local communities to use the facility as our support towards their objectives.

RESERVES

It is the Trustees objective to build up sufficient reserves to cover three (3) month's recurrent expenditure.

PLANS FOR FUTURE PERIODS – Post 20th Anniversary Community

In February 2025, the ministry will be 20 years, and it is important we use this milestone to reflect on our activities and impact. Furthermore, we need envision what the next 5, 10, 20 years would look like and reassess the direction of travel. In furtherance of the gospel and proving pastoral care, we will continue to build on our operations and activities, streamlining to ensure efficiency and effectiveness in furtherance of the objects of the organisation.

We would be reviewing our formats of services and events, and how we reach a new audience as we organise church conferences and seminars promoting the Christian faith, singles Retreat, married couples' dinner and regular in-house leadership training. We will

resume our August Bank Holiday socials as a way to reach out to families in our

**COMMAND PRAYER CENTRE MINISTRIES INTERNATIONAL
FINANCIAL STATEMENTS YEAR ENDED 31 MAY 2024**

neighbourhood. Internally, there would be a variety of socials to further strengthen the bond between our members. We will continue to offer welfare support to individuals within our congregation and the local community at large.

The Community Connection Programme - We will continue with our plans to develop Transformation Community Resource Centre and the community projects we are currently running. Reviewing the future of the Ardwick & Longsight Foodbank will be a thorough exercise.

We will continue to develop and create volunteering opportunities to support employability and give local people confidence ahead of interviews. We would be refreshing our community engagement activities including how we engage with other churches, the voluntary sector, and statutory agencies. Enhancing good working relationship with key stakeholders in the local community would be crucial. The community hall will remain available to community groups and local organisations for meetings, conferences training and events.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2024

1. ACCOUNTING POLICIES

1.1. Basis of preparation of the financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), and the Companies Act 2006.

Command Prayer Centre Ministries International meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

1.2. Company status

The charity is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member. Command Prayer Centre Ministries International is incorporated in the United Kingdom.

1.3. Transition to FRS 102

This is the first fiscal year that the company has presented its financial statements in accordance with FRS 102 “The Financial Reporting Framework Applicable in the UK and Ireland” (“FRS 102”) – (Charities SORP (FRS102)). For fiscal years up to and including the year ending 31 May 2016, the company prepared its financial statements in accordance with the old UK GAAP.

The company’s date of transition to FRS 102 is therefore 1 June 2016. The policies applied under the entity’s previous accounting framework are not materially different to FRS 102 and have not impacted on funds.

1.4. Going concern

These financial statements have been prepared on a going concern basis. The directors/trustees have looked at least 12 months from the date of signing these financial statements and the company’s ability to continue in operational existence to support its charitable objectives will be dependent upon the support of donors. The directors/trustees have adopted the going concern basis of preparation on the basis that the donors promised contributions will enable the company to meet its debts as they fall due.

1.5. Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

1.6. Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

1.7. Expenditure

All expenditure other than that capitalised has been reflected in the Statement of Financial Activities on an accrual's basis.

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise fundraising expenses and advertising and marketing costs.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes those costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and are included within charitable expenditure.

1.8. Debtors

Trade and other debtors are recognized at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10. Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.11. Financial instrument

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.12. Taxation

The company is a registered charity whose charitable activities are fully exempt from United Kingdom corporation tax.

1.13. Critical accounting judgments and key sources of estimation uncertainty

In applying the charity’s accounting policies, the trustees are required to make judgments, estimates and assumptions in determining the carrying amounts of assets and liabilities. The trustees’ judgments, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgments, estimates and assumptions, the actual results and outcomes may differ. The Trustees do not consider there to be any critical accounting judgments nor key sources of estimation uncertainty contained within the financial statements.

2. INCOME

The income is attributable to the principal activities of the company, all of which arise within the United Kingdom.

Donations

This represents income from fundraising events and other donations received.

Donated services and facilities of £152,395 (2023: £99,230) have been recognized as an estimate of their gross value to the charity.

Independent Examiner's Report to the members of CPMMI Trustees

To the trustees and members of Command Prayer Centre Ministries International with Charity number 1118904. I report on the accounts for the year ended 31 May 2024, which are set out on pages 14 to 20.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act.
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view,' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

These reviews are key in ensuring that the Charity continues to meet its primary objectives. The Trustees / Directors work together with the Elders and Diaconate in the Church to ensure that these aims and objectives are met throughout the activity of the organisation.

Areas of oversight and governance have continued to be developed this year including the review of key policies such as health and safety policy, fire risk assessment, assets register, child protection and adult safeguarding policies in line with Government guidance or best practice.

The Elders and Trustees set and agree financial budgets for each area of Church life. These are monitored and reviewed each month against cash flow and expenditure management.

REVIEW OF ACTIVITIES

Promotion of the Gospel of Jesus Christ Our Lord and Saviour

We held regular weekly Bible studies and worship services. Members and the general public had access to our regular meetings on

Tuesdays – Prayer Line – 20:00hrs -21:00hrs

Wednesdays – Prayer Meeting – 19:30hrs - 21:00hrs

Fridays – Weekday Service – 1930-21:00hrs

Sundays – 10:30-12:30hrs

There were a number of outreach events undertaken during the last year to spread the good

news and share the love of Jesus Christ.

Post COVID-19 and Cost of Living Crisis

Before the pandemic, the church had been proactive in responding to the needs of our local community in partnership with other local churches, mainly Victoria Park Fellowship and Nazarene Church Longsight using the food bank as an anchor. During the pandemic and recovery phase we worked with partners to collectively respond to the demands of the community. As the occasion demanded, thankfully our volunteers worked hard to expand our services including delivery of food parcels by a dedicated team of volunteers. This is captured in the food bank report which appears on www.ardwickandlongsightfoodbank.org.uk.

We have been responding to the Cost-of-Living crisis following the pandemic and are seeing request for food at a level higher than the peak of the Covid-19 pandemic.

Training & People Development

We held a number of leadership training sessions aimed at equipping all leaders including Board, Elders, Diaconate, Heads of Department as well as those aspiring to be leaders. Members were offered advice and guidance to enhance their career prospects through one- to-one coaching.

Community Connection Programme

CPCMI is a multinational church with over 157 nationalities with a real heart for the local community organising events and activities aimed at building community resilience and fostering good neighbourliness. Below are a range of initiatives that benefits the wider community.

Community Engagement

We are proud of being actively engaged with the Civic life of Manchester and supporting other minority churches to do likewise. Our vision is to serve our local communities in partnership with local agencies and statutory bodies through our Community Connection Programme. Our values are underpinned by our Christian faith, but our activities and services can be accessed by people of all faiths and none. We have worked in partnership with other local churches.

Transformation Community Resource Centre - We continue to provide space for local groups and residents for meetings, workshops and conferences. We host a number of small organisations that use our premises for hot-desking and as a registered address. We

currently home for Manchester South Street Pastors, Cancer Care Diaspora, Caribbean & African Health Network Greater Manchester CIC.

IT Café- The IT Café is accessible to local residents for general browsing and job searches and application. The Café has printing facilities and a Sessional Worker who supports service users with acquiring or improving their IT skills. This runs during Foodbank sessions to benefit our service users and also by appointment at different times.

Ardwick & Longsight Food Bank - Our Foodbank is run with dedicated volunteers from Victoria Park Christian Fellowship and regular food donations from Nazarene Church Longsight to assist the needy and vulnerable in our community. Our Foodbank is opened twice a week on Mondays (11:00- 13:00hrs) and Thursdays (11:00-13:00hrs). We operate this in partnership with the Manchester Central Foodbank. We take referrals from local groups, organisations, or statutory agencies including Manchester City Council, Greater Manchester Probation Service, and Greater Manchester Police. Ardwick & Longsight Food Bank remains an independent food bank that fundraises and sources food items to distribute.

Grace Loaves & Fishes- Since February 2016, our partnership with local Tesco stores through the Fareshare Food Cloud scheme has benefitted many local residents. We receive surplus bakery, vegetables, and groceries that we redistributed during Foodbank sessions and to hostels and other churches in Ardwick, Longsight, Ancoats, Clayton, and Didsbury.

iProgress Work Club- iProgress runs on Tuesday mornings helping local residents who are unemployed with CV writing, online job applications completion, interview skills and support to start self-employment. We run sessions by appointment only due to the lack of funding.

Volunteering Scheme- We create opportunities for people to volunteer with any of our projects or refer potential volunteers to other organisations depending on their interests and skills set. We utilise the Manchester Volunteer Centre and the Manchester City Council VIP scheme.

Transformation Community Resource Centre (TCRC)

TCRC continues to service as work and meeting spaces for the church, Cancer Care Diaspora and the Caribbean & African Health Network. This also serves as service address

for new business start-ups.

We have plans to improve accessibility and the energy efficiency on the premises as well as the aesthetics. This is in furtherance of our goal of a green community hub that is welcoming to residents and other groups/organisations. TCRC will continue provides local meeting spaces and opportunity for information sharing as well as training and workshops.

FINANCIAL REVIEW

In promoting Christian faith, the church has managed to generate a total income of £157,273 (2022 £145,427) through holding regular weekly meetings, conferences and joint conferences with other churches. We received grants from The National Lottery Community Fund and Forever Manchester to support our Community Connection Programme as the COVID-19 pandemic peaked. These grants were duly used to deliver activities of the Ardwick & Longsight Foodbank as we began to experience a surge in food parcels request.

Voluntary income totalled £99,230 (2022: £93,907) and has been achieved through the efforts of the spiritual leadership of the church.

Total grants of fourteen thousand (£14,000) pounds (2022: £48,550) was received from The National Lottery Community Fund and Manchester City Council.

Other revenue generation is rental income from the use of the community hall for meetings, conferences, training, and events, which amounted to thirty one thousand three hundred (£31,300) pounds total from the Caribbean & African Health Network (CAHN), and Cancer Care Diaspora. We offer other charities and local community groups the use of our premises as our support towards their objectives.

RESERVES

It is the Trustees objective to build up sufficient reserves to cover three month's recurrent expenditure.

PLANS FOR FUTURE PERIODS – Responding to the Cost-of-Living Crisis

In furtherance of the gospel and providing pastoral care, we will continue to improve our operations and activities as above in furtherance of the objects of the church. This includes organising conferences and seminars, to promote the Christian faith, singles Retreat, married couples' dinner and regular leadership training. We intend to organise a social day trip to Scarborough in August to further strengthen the bond of our members. We will continue to offer welfare support to individuals within our congregation and the local community at large.

The Community Connection Programme - We will continue with our plans to develop Transformation Community Resource Centre and the community projects we are currently running.

We will continue to develop and create volunteering opportunities and engaging with our local

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2023

1. ACCOUNTING POLICIES

1.1. Basis of preparation of the financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), and the Companies Act 2006.

Command Prayer Centre Ministries International meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

1.2. Company status

The charity is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member. Command Prayer Centre Ministries International is incorporated in the United Kingdom.

1.3. Transition to FRS 102

This is the first financial year that the company has presented its financial statements in accordance with FRS 102 “The Financial Reporting Framework Applicable in the UK and Republic of Ireland” (“FRS 102”) – (Charities SORP (FRS102)). For financial years up to and including the year ending 31 May 2016, the company prepared its financial statements in accordance with the old UK GAAP.

The company’s date of transition to FRS 102 is therefore 1 June 2016. The policies applied under the entity’s previous accounting framework are not materially different to FRS 102 and have not impacted on funds.

1.4. Going concern

These financial statements have been prepared on a going concern basis. The directors/trustees have looked at least 12 months from the date of signing these financial statements and the company’s ability to continue in operational existence to support its charitable objectives will be dependent upon the support of donors. The directors/trustees have adopted the going concern basis of preparation on the basis that the donors promised contributions will enable the company to meet its debts as they fall due.

1.5. Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

1.6. Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

1.7. Expenditure

All expenditure other than that capitalised has been reflected in the Statement of Financial Activities on an accruals basis.

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise fundraising expenses and advertising and marketing costs;
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes those costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and are included within charitable expenditure.

1.8. Debtors

Trade and other debtors are recognized at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10. Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.11. Financial instrument

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.12. Taxation

The company is a registered charity whose charitable activities are fully exempt from United Kingdom corporation tax.

1.13. Critical accounting judgments and key sources of estimation uncertainty

In applying the charity's accounting policies, the trustees are required to make judgments, estimates and assumptions in determining the carrying amounts of assets and liabilities. The trustees' judgments, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgments, estimates and assumptions, the actual results and outcomes may differ. The Trustees do not consider there to be any critical accounting judgments nor key sources of estimation uncertainty contained within the financial statements.

2. INCOME

The income is attributable to the principal activities of the company, all of which arise within the United Kingdom.

Independent Examiner's Report to the members of CPMMI Trustees

To the trustees and members of Command Prayer Centre Ministries International with Charity number 1118904. I report on the accounts for the year ended 31 May 2023, which are set out on pages 14 to 20.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached

The trustees' objectives for each year are determined by reference to the overall objects.

METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the Charity is the responsibility of the Directors who are elected and co-opted under the terms of the Articles of Association. This states that any person, being a member of the Church who accepts the doctrine of the Church, may be appointed to the board by the members.

POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

Each of the appointed Trustees / Directors draws on specialist and professional advice for their area of responsibility. Each has received training and teaching to help them bring governance and direction to their area of responsibility.

The Trustees / Directors are aware that they are responsible for the training of any new trustee, including awareness of a trustee's responsibilities and the Memorandum and Articles

During the year, the Trustees / Directors have a refreshed training programme.

The induction of the new Trustees / Directors consists of giving them a copy of the company Memorandum and Articles of Association and the CC3 Publication: 'The Essential Trustee, what you need to know'.

Specific training courses are attended by Trustees / Directors & other key personnel in the church throughout the year to help further develop their area of involvement and expertise, e.g., key directors, staff members & volunteers have attended training events in the areas of Safeguarding, Income Generation, Food Hygiene, Child Protection, First Aid, Health & Safety and Fire Safety.

ORGANISATIONAL STRUCTURE AND DECISION MAKING

The Directors / Trustees of the Charity are as noted on page 1.

Directors / Trustees meetings are held bi-monthly to review legal & financial strategy and financial performance, but regular contact is maintained in between meetings to monitor the organizational priorities, cashflow, legal / HR procedures and general governance issues.

The Directors / Trustees work together with the Eldership of the Church, which comprises the following people who meet at least 10 times a year as a team:

Elder Ivy Zormelo and Elder Patience Amartiefio.

In addition to the work done by Elders & Trustees / Directors as detailed above, the Charity seeks to further its aims and objectives by utilising the volunteers capacity (of about 40) in the membership of the Church. They help to facilitate various areas of the activity and vision of the charity as follows.

Areas of Church Life & Volunteer Leaders

Pastoral & Spiritual Oversight: Rt. Rev. Dr. Edmund Akyea-Mensah

Worship & Outreach: Mama Joyce Akyea-Mensah

Administration & Community Projects: Rev Charles Kwaku-Odoi

Finance: Elder Patience Amartefio & Miss Thelma Otoo

Safeguarding Officers - Vulnerable Adults and Children: Elder Patience Amartefio & Rev Charles Kwaku-Odoi

Children Church: Mrs Sandra Yartey

Youth Ministry and Prayer: Rev Emmanuel Allotey-Annan

Ardwick & Longsight Foodbank: Rev Charles Kwaku-Odoi

Building, Equipment & Maintenance: Elder Joseph Acquah,

Conferencing, Health & Safety, IT & Fire Strategy: Miss Sensile Sibanda

Media & Creative Output: Rev Hayford Tuffour and Deacon Richard Aducoffie

The Elders and Trustees meet with various leaders in the church to periodically review various areas of church life and activity. These reviews are key in ensuring that the Charity continues to meet its primary objectives. The Trustees / Directors work together with the Elders and Diaconate in the Church to ensure that these aims and objectives are met throughout the activity of the organisation.

Areas of oversight and governance have continued to be developed this year including the review of key policies such as health and safety policy, fire risk assessment, assets register, child protection and adult safeguarding policies in line with Government guidance or best practice.

The Elders and Trustees set and agree financial budgets for each area of Church life. These are monitored and reviewed each month against cash flow and expenditure management.

REVIEW OF ACTIVITIES

Promotion of the Gospel of Jesus Christ Our Lord and Saviour

We held regular weekly Bible studies and worship services. Members and the general public had access to our regular meetings on

Tuesdays – Prayer Line – 20:00-21:00hrs

Wednesdays – Prayer Meeting – 19:30-21:00hrs

Fridays – Weekday Service – 19:00-20:30hrs

Sundays – 10:30-12:30hrs

There were a number of outreach events undertaken during the last year to spread the good news and share the love of Jesus Christ.

COVID-19 Recovery

As a church, before the pandemic we had been proactive in responding to the needs of our local community in partnership with other local churches, mainly Victoria Park Fellowship and Nazarene Church Longsight using the foodbank as an anchor. When the pandemic struck in March 2020 and lockdown was announced, we met with partners to decide how we could collectively respond. As the occasion demanded, thanks to our volunteers we expanded our services including delivery of food parcels by a dedicated team of volunteers. This is captured in the food bank report

Training & People Development

We held a number of leadership training sessions aimed at equipping Elders, Diaconate, Heads of Department as well as those aspiring to be leaders. Members were offered advice and guidance to enhance their career prospects through one- to-one coaching.

Community Connection Programme

CPCMI is a multinational church with over 15 nationalities with a real heart for the local community organising events and activities aimed at building community resilience and fostering good neighbourliness. Below are a range of initiatives that benefits the wider community.

Community Engagement

We are proud of being actively engaged with the Civic life of Manchester and supporting other minority churches to do likewise. Our vision is to serve our local communities in partnership with local agencies and statutory bodies through our Community Connection Programme. Our values are underpinned by our Christian faith, but our activities and services can be accessed by people of all faiths and none. We have worked in partnership with other local churches.

Transformation Community Resource Centre - We continue to provide space for local groups and residents for meetings, workshops and conferences. We host a number of small organisations that use our premises for hot-desking and as a registered address. We currently home for Manchester South Street Pastors, Cancer Care Diaspora, Caribbean & African Health Network Greater Manchester CIC.

IT Café- The IT Café is accessible to local residents for general browsing and job searches and application. The Café has printing facilities and a Sessional Worker who supports service users with acquiring or improving their IT skills. This runs during Foodbank sessions to benefit our service users and also by appointment at different times.

Ardwick & Longsight Foodbank - Our Foodbank is run with dedicated volunteers from Victoria Park Christian Fellowship and regular food donations from Nazarene Church Longsight to assist the needy and vulnerable in our community. Our Foodbank is opened twice a week on Mondays (11:00- 13:00hrs) and Thursdays (11:00-13:00hrs). We operate this in partnership with the Manchester Central Foodbank. We take referrals from local groups, organisations or statutory agencies including Manchester City Council, Probation Service, and Greater Manchester Police. Ardwick & Longsight Foodbank remains an independent foodbank.

Grace Loaves & Fishes- Since February 2016, our partnership with Tesco through the Fareshare Food Cloud scheme has gone from one store to nine. We receive surplus bakery, vegetables and groceries that we redistributed during Foodbank sessions and to hostels and other churches in Ardwick, Longsight, Ancoats, Clayton, Didsbury and Salford.

iProgress Work Club- iProgress runs on Tuesday mornings helping local residents who are unemployed with CV writing, online job applications completion, interview skills and support to start self-employment. We are pleased to have been funded by the European Social Fund through the Skills and Funding Agency via the Worker's Education Association.

Volunteering Scheme- We create opportunities for people to volunteer with any of our projects or rightly refer them to other organisations depending on their interests and skills set. We are currently in consultation with key contacts within the African community about developing a BME Volunteering Project.

Refurbishment of Transformation Community Resource Centre (TCRC)

We have plans to improve the energy efficiency on the premises as well as the aesthetics. This is in furtherance of our goal of a green community hub that is welcoming to local residents and other groups/organisations. TCRC provides local meeting spaces and opportunity for information sharing as well as training and workshops.

FINANCIAL REVIEW

In promoting Christian faith, the church has managed to generate a total income of £145,427 (2021 £139,984) through holding regular weekly meetings, conferences, and joint conferences with other churches. We received grants from The National Lottery Community Fund and Forever Manchester to support our Community Connection Programme as the COVID-19 pandemic peaked. These grants were duly used to deliver activities of the Ardwick & Longsight Foodbank as we began to experience a surge in food parcels request. Voluntary income totaled £85,057 (2021: £42,797) and has been achieved through the efforts of the spiritual leadership of the church. Total grants amounted to £48,550 pounds (2021: £88,157) was received from The National Lottery Community Fund, Forever Manchester and Manchester Wellbeing Fund.

The charity also benefited from the Government Covid 19 Job Retention Scheme. An amount of £2,970 (2021 £9,030) was received during the year under review. Total grants of twenty-six thousand five hundred and sixty (£26,560) pounds (2019: £10,000) was received from The National Lottery Community Fund, and Forever Manchester.

Other revenue generation is rental income from the use of the community hall for meetings, conferences, training, and events, which amounted to sixteen thousand five hundred and ten (£16,510) pounds total from CAHN and Cancer Care Diaspora. We also allow other charities and local communities to use the facility as our support towards their objectives.

RESERVES

It is the Trustees objective to build up sufficient reserves to cover three month's recurrent expenditure.

PLANS FOR FUTURE PERIODS

In furtherance of the gospel and providing pastoral care, we will continue to improve our operations and activities as above in furtherance of the objects of the church. This includes organising conferences and seminars, to promote the Christian faith, singles Retreat, married couples' dinner and regular leadership training. We intend to organise a social day trip to Anglesey in August to further strengthen the bond of our members. We will continue to offer welfare support to individuals within our congregation and the local community at large. The Community Connection Programme - We will continue with our plans to develop Transformation Community Resource Centre and the community projects we are currently running. We will continue to develop and create volunteering opportunities and engaging with our local community, statutory agencies and enhancing good working relationship with key stakeholders in the local community. The community hall will remain available to community groups and local organisations for meetings, conferences training and events.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Notes to the Accounts

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.

OBJECTIVES AND ACTIVITIES

The purpose of the charity as set out in its governing document are for public benefit

1. To advance the Christian faith (in accordance with the statement of beliefs) in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit; 2. To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods, or services of any kind, including the provision of counselling and support in such parts of the United Kingdom and the world as the trustees from time to time may think fit; and 3. To advance education in such ways and in such parts of the United Kingdom or the world as the trustees from time to time may think fit.

We held regular weekly Bible studies and worship services. Members and the general public had access to our regular meetings on: Tuesdays – Prayer Line – 20:00-21:00hrs, Wednesdays – Prayer Meeting – 19:30-21:00hrs 2100hrs . Fridays – Weekday Service – 1930-21:00hrs 2130hrs, Sundays – 0930-1230hrs There were a number of outreach events undertaken during the last year to spread the good news and share the love of Jesus Christ.

Covid-19 Response : As a church, before the pandemic we had been proactive in responding to the needs of our local community in partnership with other local churches, mainly Victoria Park Fellowship and Nazarene Church Longsight using the foodbank as an anchor. When the pandemic struck in March 2020 and lockdown was announced, we had meet with partners to decide how we could collectively respond. As the occasion demanded, thanks to our volunteers we expanded our services including delivery of food parcels by a dedicated team of volunteers. This is captured in the foodbank report which appears before the finance section.

Training & People Development : We held a number of leadership training sessions aimed at equipping Elders, Diaconate, Heads of Department as well as those aspiring to be leaders. Members were offered advice and guidance to enhance their career prospects through one- to-one coaching.

Community Connection Programme: CPCMI is a multinational church with over 15 nationalities with a real heart for the local community organising events and activities aimed at building community resilience and fostering good neighbourliness. Below are a range of initiatives that benefits the wider community.

Community Engagement : We are proud of being actively engaged with the Civic life of Manchester and supporting other minority churches to do likewise. Our vision is to serve our local communities in partnership with local agencies and statutory bodies through our Community Connection Programme. Our values are underpinned by our Christian faith, but our activities and services can be accessed by people of all faiths and none. We have worked in partnership with other local churches

Transformation Community Resource Centre : We continue to provide space for local groups and residents for meetings, workshops and conferences. We host a number of small organisations that use our premises for hot-desking and as a registered address. We currently home for Manchester South Street Pastors, Cancer Care Diaspora, Caribbean & African Health Network Greater Manchester CIC. IT Cafe The IT Café is accessible to local residents for general browsing and job searches and application. The Café has printing facilities and a Sessional Worker who supports service users with acquiring or improving their IT skills. This runs during Foodbank sessions to benefit our service users and also by appointment at different times.

Ardwick & Longsight Foodbank : Our Foodbank is run with dedicated volunteers from Victoria Park Christian Fellowship and regular food donations from Nazarene Church Longsight to assist the needy and vulnerable in our community. Our Foodbank is opened twice a week on Mondays (1300- 1500hrs) and Thursdays (1400-1600hrs). We operate this in partnership with the Manchester Central Foodbank. We take referrals from local groups, organisations or statutory agencies including Manchester City Council, Probation Service, and Greater Manchester Police. Ardwick & Longsight Foodbank remains an independent foodbank.

Grace Loaves & Fishes: Since February 2016, our partnership with Tesco through the Fareshare Food Cloud scheme has gone from one store to nine. We receive surplus bakery, vegetables and groceries that we redistributed during Foodbank sessions and to hostels and other churches in Ardwick, Longsight, Ancoats, Clayton, Didsbury and Salford.

iProgress Work Club: iProgress runs on Tuesday mornings helping local residents who are unemployed with CV writing, online job applications completion, interview skills and support to start self-employment. We are pleased to have been funded by the European Social Fund through the Skills and Funding Agency via the Worker's Education Association. Volunteering Scheme: We create opportunities for people to volunteer with any of our projects or rightly refer them to other organisations depending on their interests and skills set. We are currently in consultation with key contacts within the African community about developing a BME Volunteering Project.

Refurbishment of Transformation Community Resource Centre (TCRC): We have plans to improve the energy efficiency on the premises as well as the aesthetics. This is in furtherance of our goal of a green community hub that is welcoming to local residents and other groups/organisations. TCRC provides local meeting spaces and opportunity for information sharing as well as training and workshops.

FINANCIAL REVIEW

In promoting Christian faith, the church has managed to generate a total income of £139,984 (2020 £94,411) through holding regular weekly meetings, conferences and joint conferences with other churches. We received grants from The National Lottery Community Fund and Forever Manchester to support our Community Connection Programme as the COVID-19 pandemic peaked. These grants were duly used to deliver activities of the Ardwick & Longsight Foodbank as we began to experience a surge in food parcels request. Voluntary income totalled £42,797 (2020: £67851) and has been achieved through the efforts of the spiritual leadership of the church. Total grants of twenty-six thousand five hundred and sixty (£88,157) pounds (2020: £24,800) was received from The National Lottery Community Fund, Forever Manchester and Manchester Wellbeing Fund.

The charity also benefited from the Government Covid 19 Job Retention Scheme. An amount of £9,030 (2020 £1760) was received during the year under review.

It is the Trustees objective to build up sufficient reserves to cover three month's recurrent expenditure.

PLANS FOR FUTURE PERIODS

In furtherance of the gospel and providing pastoral care, we will continue to improve our operations and activities as above in furtherance of the objects of the church. This includes organising conferences and seminars, to promote the Christian faith, singles Retreat, married couples' dinner and regular leadership training. We intend to organise a social day trip to Scarborough in August to further strengthen the bond of our members. We will continue to offer welfare support to individuals within our congregation and the local community at large. The Community Connection Programme - We will continue with our plans to develop Transformation Community Resource Centre and the community projects we are currently running. We will continue to develop and create volunteering opportunities and engaging with our local community, statutory agencies and enhancing good working relationship with key stakeholders in the local community. The community hall will remain available to community groups and local organisations for meetings, conferences training and events.

1 Accounting policies

Income with related expenditure Where income has related expenditure the income and related expenditure is reported gross in the SoFA.

Donations and legacies Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Tax reclaims on donations and gifts Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.

Donated services and facilities These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.

Volunteer help The value of any volunteer help received is not included in the accounts.

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Notes to the Accounts

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.
