TRUSTEES ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024

2024 has been a very sad year. Our founder and trustee sadly passed away in April after a long illness. John was a big part of the sanctuary and will be deeply missed by all of us. The sanctuary is carrying on but for the time being operating with reduced numbers this gives us the time to carry on updating the units.

Veterinary costs are still continuing to increase so this year we have not been able to carry on the neuter campaign. We need to look at a different way to help in the future with this essential work but at a cost that the charity can afford.

The shop is keeping its head above water but the ongoing work at the JR Taylor building is still ongoing with no end in sight. This is causing problems for all the traders on Garden Street as the road is still closed hampering any visibility from the busiest part of the town.

We continue to work hard fundraising to keep the sanctuary operating so special thanks to everyone that supports us we could not do what we do without your continued help.

TRUSTEES ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2023

It has been an extremely challenging year again and have encountered many changes that have affected the sanctuary. A lot more repairs have been required this year that have been necessary to keep the units in good shape. This will need to carry on into 2024 for all the units to be done.

For the sanctuary to continue on our neuter campaign has had to be further reduced in numbers as the cost of the neutering is still increasing and the vets adding on extra charges too makes the neutering increasing hard to fund. Our priority for the moment is in ensuring the running of the sanctuary is maintained.

The shop continues to operate but is being hampered with footfall due to the works being carried on out the old J R Taylor building which has included the road to be closed off. This work we have been informed will continue into next year.

It takes a lot of hard work and effort to raise the funds to operate the sanctuary so special thanks to all our volunteers and supporters for their help and support during the year.

TRUSTEES ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2021

Each year our sanctuary operates at full capacity and as always, we have found good homes for as many of our cats and kittens as possible.

It has been an extremely challenging year due to all the Covid 19 lockdowns and restrictions. Our neuter campaign has had to be put on hold during the year as vets were only doing emergency appointments and operations in the lockdown periods therefore the majority of neutering operations has not been able to be done.

Our funds have been hard hit too with no government grants available for charities we have had to rely on the generosity of the public to support us. We have of course done what we could via on-line sales of charity goods.

Our shop also has been closed during the year due to the lockdowns.

Thank you to everyone that has donated to the charity during 2021. We would not be able to achieve what we do without your donations.

It takes a lot of hard work and effort to raise the funds to operate the sanctuary so special thanks to all our volunteers and supporters for their help and support during the year.

Due to Covid restrictions 2020 and 2021 have been similar without much change.
