REPORT OF THE TRUSTEES

For The Year Ended 31 August 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and activities

The company's objectives are to advance the education of children below compulsory school age by providing safe and satisfying group play in which parents have the right to take part, encouraging other charitable activities through which parents may help the children and furthering the aims of the Pre-school Learning Alliance.

The company's activities in relation to these objectives are to provide accommodation, equipment and staff; raise money to pay for the company's activities; make such payments as shall be necessary; fix and collect fees payable in respect of children attending groups run by the company; control admission of children to sessions and if appropriate require parents to withdraw them and to be a member of the Pre-school Learning Alliance.

Public benefit

The trustees consider that the charity is a public benefit entity. They have complied with the duty in section 17 (5) of the 2011 Charities Act to have due regard to the Charities Commission's guidance on Public Benefit when developing and implementing the charity's objects and aims. (See Objectives and Activities above).

ACHIEVEMENT AND PERFORMANCE

There was a surplus for the year amounting to £21,620 (2020: deficit of £3,149) which has directly impacted the General Fund. During the year, no donations were received (2020: £Nil). Due to the deficit in the prior year, the trustees continue to recognise the need for ongoing funding and fundraising activities.

Several fixed assets have come to the end of their estimated useful life and are now shown in the financial statements as fully depreciated. The trustees will ensure that these remain fit for purpose or will otherwise invest in replacements for these assets. Investment has been made in improvements to property in the year to ensure the charity remains best able to cater to the needs of both its own staff and the children in its care. The trustees remain committed to improving the quality of pre-school education the charity provides and will continue to make any necessary investments of the charity's resources in order to achieve this.

The charity is dependent on parents in the community choosing to bring their children for pre-school education, and as such the trustees consider it of vital importance to retain a strong reputation and a close relationship with the community it serves.

Therefore, while a surplus was experienced in the year which is in line with the aims of the charity's reserves policy, the charity has continued to invest in its future activities and is receiving the benefit of such past investments.

FINANCIAL REVIEW

Principal funding sources and expenditure

The company's principal sources of income are government funding, fees from parents and fundraising in the local community. The main purposes of expenditure in the year was to cover staff salaries and training, for building maintenance, and for other operating costs. These costs are directly attributable to the pre-schools operations.

REPORT OF THE TRUSTEES

For The Year Ended 31 August 2021

FINANCIAL REVIEW

Reserves policy

The charity seeks to hold sufficient unrestricted reserves to protect against the effects of any unforeseen variations in its income streams as part of a policy of good financial management practice. The charity also intends to eventually replace the pre-school building and has a Building Replacement Fund to this end. Currently charity holds unrestricted reserves totalling £114,236 (2020: £92,616) and expects this to increase in future periods to levels sufficient for the charity to achieve its aforementioned intentions.

The trustees meet to discuss financial information once per pre-school term, so meet a total of six times during the course of the financial year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure

The day-to-day running of the school is managed by Amanda Jenner, assisted by the school staff and by an elected committee of parents. The appointed directors take into consideration the guidance from the Charity Commission about public benefit and what charity directors should consider in order to show that their charity's aims are for the public benefit.

New directors are invited to their position by asking current parents of children at the pre-school to volunteer to take on a role when a role becomes available. If appropriate, a new director gets a consultation with the existing committee at the time of their appointment. New directors are made aware of their responsibilities, administrative procedures and the objectives of the charity.

The directors have assessed the major risks to which the company is exposed and consider that there are sufficient safeguards in place to mitigate those risks.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The trustees have ensured that such controls are in place, and consider that the charity has minimal exposure to price risk, credit risk, liquidity risk and cash flow risk.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Stocks Green Pre-School for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
STOCKS GREEN PRE-SCHOOL (REGISTERED NUMBER: 06051213)**

Independent examiner's report to the trustees of Stocks Green Pre-School ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

REPORT OF THE TRUSTEES

For The Year Ended 31 August 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and activities

The company's objectives are to advance the education of children below compulsory school age by providing safe and satisfying group play in which parents have the right to take part, encouraging other charitable activities through which parents may help the children and furthering the aims of the Pre-school Learning Alliance.

The company's activities in relation to these objectives are to provide accommodation, equipment and staff; raise money to pay for the company's activities; make such payments as shall be necessary; fix and collect fees payable in respect of children attending groups run by the company; control admission of children to sessions and if appropriate require parents to withdraw them and to be a member of the Pre-school Learning Alliance.

Public benefit

The trustees consider that the charity is a public benefit entity. They have complied with the duty in section 17 (5) of the 2011 Charities Act to have due regard to the Charities Commission's guidance on Public Benefit when developing and implementing the charity's objects and aims. (See Objectives and Activities above).

ACHIEVEMENT AND PERFORMANCE

There was a surplus for the year amounting to £21,620 (2020: deficit of £3,149) which has directly impacted the General Fund. During the year, no donations were received (2020: £Nil). Due to the deficit in the prior year, the trustees continue to recognise the need for ongoing funding and fundraising activities.

Several fixed assets have come to the end of their estimated useful life and are now shown in the financial statements as fully depreciated. The trustees will ensure that these remain fit for purpose or will otherwise invest in replacements for these assets. Investment has been made in improvements to property in the year to ensure the charity remains best able to cater to the needs of both its own staff and the children in its care. The trustees remain committed to improving the quality of pre-school education the charity provides and will continue to make any necessary investments of the charity's resources in order to achieve this.

The charity is dependent on parents in the community choosing to bring their children for pre-school education, and as such the trustees consider it of vital importance to retain a strong reputation and a close relationship with the community it serves.

Therefore, while a surplus was experienced in the year which is in line with the aims of the charity's reserves policy, the charity has continued to invest in its future activities and is receiving the benefit of such past investments.

FINANCIAL REVIEW

Principal funding sources and expenditure

The company's principal sources of income are government funding, fees from parents and fundraising in the local community. The main purposes of expenditure in the year was to cover staff salaries and training, for building maintenance, and for other operating costs. These costs are directly attributable to the pre-schools operations.

REPORT OF THE TRUSTEES

For The Year Ended 31 August 2021

FINANCIAL REVIEW

Reserves policy

The charity seeks to hold sufficient unrestricted reserves to protect against the effects of any unforeseen variations in its income streams as part of a policy of good financial management practice. The charity also intends to eventually replace the pre-school building and has a Building Replacement Fund to this end. Currently charity holds unrestricted reserves totalling £114,236 (2020: £92,616) and expects this to increase in future periods to levels sufficient for the charity to achieve its aforementioned intentions.

The trustees meet to discuss financial information once per pre-school term, so meet a total of six times during the course of the financial year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure

The day-to-day running of the school is managed by Amanda Jenner, assisted by the school staff and by an elected committee of parents. The appointed directors take into consideration the guidance from the Charity Commission about public benefit and what charity directors should consider in order to show that their charity's aims are for the public benefit.

New directors are invited to their position by asking current parents of children at the pre-school to volunteer to take on a role when a role becomes available. If appropriate, a new director gets a consultation with the existing committee at the time of their appointment. New directors are made aware of their responsibilities, administrative procedures and the objectives of the charity.

The directors have assessed the major risks to which the company is exposed and consider that there are sufficient safeguards in place to mitigate those risks.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The trustees have ensured that such controls are in place, and consider that the charity has minimal exposure to price risk, credit risk, liquidity risk and cash flow risk.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
STOCKS GREEN PRE-SCHOOL (REGISTERED NUMBER: 06051213)**

Independent examiner's report to the trustees of Stocks Green Pre-School ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
