Summary of the main achievements of the charity during the year

Actively fundraised throughout the year.

We received funding from the following:

Cairn Terrier Relief Fund

Friends of Bath Cats and Dogs' Home

Animal Friends

Dogs In Distress

Legacies

Supported 50 dogs in foster care at any time.

Spent £91,474.42 on veterinary treatment in this period.

In this period we took in a further 64 dogs. 49 were rehomed. 10 became permanent sponsor dogs. 21 passed away. The rest being still available for adoption at that point.

Continued to seek volunteer help to continue our work – fosterers, homecheckers, transporters, rehoming co-ordination assistance, fostering co-ordination assistance.

Spread awareness of issues concerning dog welfare and our own organisation by use of social media, internet and attending events throughout the UK.

Continued to help other rescues to find homes for their dogs by producing information free of charge on our website.

Due to the Covid pandemic and lockdowns put in place by the government part of our activities were suspended for a while during this period. We were unable to attend events, rehome dogs, perform homechecks or accept transport help from volunteers due to the health risk involved. Some of the dogs remained in their foster homes with us covering veterinary costs until movement restrictions were lifted.

Section E

Financial review

Brief statement of the charity's policy on reserves

We limit the number of dogs supported in foster homes based on funds available to us at any given time. This ensures there is a healthy reserve available to cover any potential costs incurred by the dogs in our care.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principle sources of funds – Grants, donations, events, fundraising, sale of merchandise, sponsorship of dogs.

We have paid for all veterinary treatment required for all of the dogs in our care. In some cases this has avoided dogs being destroyed.

We have a number of dogs in permanent foster homes as they are deemed, through ill health or behavioural issues, to not be suitable for rehoming. We pay for their costs.
