The charity's financial statements are required to give a true and fair view of the state of affairs of the charity at the end of the year and of the net surplus on activities for the year then ended. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies, as described on page 6, and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity to enable them to ensure that the financial statements comply with relevant law and regulations. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activities

The principal activity of the charity is to support local community projects in Kilifi, Kenya.

Review of activities and future development

During the year the charity has endeavoured to support a range of activities performed by the Upendo Orphan Support Project in Kenya. The primary focus has been to support the feeding programme of 40 orphans, providing grants for children's schooling and health education activities in Kilifi.

The charity plans to continue to support future Upendo Orphan Support Projects.

Financial results

The charity has a profit for this financial year of £10,422.28. (2020: deficit of £77.05) which will be adjusted in the reserves.

Statement of trustees' responsibilities

The trustees are responsible for ensuring the trustees' report and the financial statements are prepared for each financial year, in accordance with applicable law and regulations, and with UK accounting standards. The charity's financial statements are required to give a true and fair view of the state of affairs of the charity at the end of the year and of the net surplus on activities for the year then ended. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies, as described on page 6, and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity to enable them to ensure that the financial statements comply with relevant law and regulations. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
