**Report of the Trustees**  
**For The Year Ended 31 August 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objects of the charity are the provision of Nursery education for children under the age of five years whose parent or parents or guardian or guardians are resident in or whose place of work is in the bounds of the city of Plymouth together with the provision of recreational facilities for such children together with any other charitable purposes which the Executive Committee deems to be for the benefit of such children.

The charity aims to make a difference to the lives of the children within the care of its staff by providing a stimulating, orderly and homely environment where they may learn to explore and experience the world around them. The charity aims to ensure balance is created between the provision of quiet wonder and stimulating activity.

The charity plans to continue achieving its objectives by ensuring staff have a variety of experience and qualifications to help encourage children to progress and learn.

Our main objectives during the year were to continue to provide high quality education and facilities for the children in our care.

The Trustees have referred to the guidance contained in the Charity Commission general guidance on public benefit.

**Public benefit**

The charity provides nursery care for children whose parents live or work in the City of Plymouth. The availability of this facility within the City Centre enables parents to return to work in the knowledge that their children are being cared for in a secure, caring and stimulating environment, designed to encourage young children from birth to five years to grow in confidence and independence and develop their creativity and individual personalities. The nursery delivers early education benefits for children through high quality provision and early intervention (where required) that provides a strong start to their statutory schooling and improving their success for the future.

The trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance issued by the Charity Commission.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The continued commitment and hard work of the staff and trustees has enabled the charity to continue to build sufficient reserves to assist in maintaining the financial security of the nursery. The purchasing of the freehold of 24 Hoe Street continues to be a long term aim of the trustees along with the purchase of the land opposite the nursery, currently rented and used for parking spaces. The Trust's financial position at the end of the year is considered to be satisfactory.

The success of the nursery continues to be monitored by reference to Ofsted inspections and ratings. This has been maintained at a good level. In addition the financial performance of the nursery is monitored and discussed at each trustee meeting with satisfactory results for the year.

The nursery provides a bursary, which supports another Plymouth Nursery, which is a not-for-profit social enterprise in addition to any families in need within our own setting. This helps to promote the education and well-being of pre-school children who can benefit from additional support.

The nursery continues to enjoy positive feedback from parents.

**Internal and external factors**

A negative factor that has impacted on the nursery provision has been the recruitment and retention of staff. Alongside finding new staff with relevant qualifications and experience, which has been challenging.

The unexpected and significant increase in minimum wage has had an impact on the nursery's budget and this coupled with the cost-of-living crisis, rising energy prices and food costs, has made a noticeable financial impact.

**Report of the Trustees**  
**For The Year Ended 31 August 2023**

**FINANCIAL REVIEW**

**Financial position**

The net operating income for the year amounted to £30,527 (2022: net operating deficit £43,235).

The unrestricted fund held at the year ended 31 August 2023 was £472,413 (2022: £441,886).

Expenditure for the year has been made to support the charity's objectives of providing quality nursery education and childcare.

**Principal funding sources**

The charity's income is primarily received from parents for the provision of nursery places. The charity also receives grant income from the local authority.

**Investment Policy**

The management committee has considered the most appropriate policy for investing funds and has found that investing surplus funds in a deposit account meets their requirements. The management committee consider the return that they receive on their investments to be satisfactory.

The charity also holds £4,000 (2022: £4,000) invested in National Savings Certificates.

Total investment income from all sources was £3,074 for the year (2022: £140).

**Reserves policy**

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the charity should be three months of the resources expended. At this level, the management committee feel that they would be able to continue the current activities of the charity in the event of a significant drop in income. It would obviously be necessary to consider how the income would be replaced or activities changed.

The charity prepares budgets each year which are regularly reviewed by the trustees in light of actual performance. Variances from budget are reported to the trustees for consideration. All capital expenditure outside of the normal budget is approved by a trustee before being incurred.

**FUTURE PLANS**

The Charity will continue to maintain the good reputation that it has within the City of Plymouth and to continue to provide first class nursery care for children of pre school age.

The charity currently occupies the property known as 24 Hoe Street under a 99 year lease expiring on 29 April 2101. The long term aim of the charity is to acquire the freehold of the property in order to improve its security of tenure.

The nursery plans to undertake further internal refurbishment of the current building and is investigating potential options to extend the current building in order to be able to expand the provision on offer.

Possible extension of the 2 year old room and garden area. The nursery is considering extending the premises to meet to increase capacity.

The charity continues to maintain its good relationship with the landlord.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The Charity is constituted under a trust deed dated 23 October 1995. The charitable company is governed by its Memorandum and Articles of Association from its incorporation on 24 January 2007, and constitutes a limited company, limited by guarantee as defined by the Companies Act 2006.

**Recruitment and appointment of new trustees**

The members carry out the election of the officers and committee members at the Annual General Meeting. Nominations are made in writing and delivered to the Chairperson. Each nomination must be proposed and seconded by a voting member of the Charity and accompanied by the written consent of the nominee. New trustees are inducted into the workings of the charity during meetings held on a quarterly basis.

**Organisational structure**

Full responsibility for the running of the Charity is vested in the Trustees, who by reason of incorporation of the Charity are also Directors of the company. The company is limited by guarantee and does not hold any share capital. The Memorandum of Association precludes the Trustees/ Directors receiving any remuneration or benefits.

Mrs Toni Hambly is responsible for the day to day running of the charity.

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
