8. Talks on various aspects of the Quran during Ramadan to rekindle our passion for the words of Allah and be informed on the subject of Quran which is entitled 'Quran Series.' This series has been offered for the last 6 years and is also a part of our inter-mosque networking efforts. Different scholars from CLC offer talks from the series in different mosques across Oldham which helps our networking efforts and the series is concluded with CLC's Annual Community Iftar.
9. One-day intensive courses delivered in modern academic styles by Ulama and professionals on various relevant subjects.
10. Annual conference: an annual event where we organise, host and invite reputable scholars to address pertinent issues. The last conference was our 14th annual event.

### Our Community Services

1. **Compass guidance & Fatwa Department:** We have a dedicated fatwa department managed by our panel of Muftis who are committed to answering your Islamic legal issues or any other question or query that people may have about Islam.
2. **Compass Matrimony:** We offer match making, marriage advice, courses related to marriage. We also conduct Islamic marriage and have our own marriage certification service. Many people are using and benefitting from this service and to date we have made over 200 matches.
3. **Youth Work & Activities:** We organise events and activities for the youth to ensure that our youth are not engaged in activities that are contrary to Islamic teachings and values. We try to communicate to them through mediums that are effective. We have set up a dedicated games room for our Muslim youth in our new building and have already hosted several youth event at the new building. We have Compass Scouts operating for younger children. We have introduced professional development workshops and leadership trainings for college and university students and normal community members.
4. **Compass Scouts:** Compass Scouts was set up in 2015 to provide enriching extra-curricular opportunities to the young muslim children of Oldham.

Scouts was chosen as the model we wanted to follow as it has a structured programme, growing number of Muslims joining scouts and at present stands at 1.6 billion and is also recognised worldwide. We are driven by the belief that young British Muslims can grow and develop into responsible, productive and pivotal members of their local, national and international communities, when they have the chance to experience the everyday adventure of Scouting. Scouting has proven itself as a system for the development of individuals from all backgrounds for over 100 years and we pray that the scouts within our programme aged 6-14 will go on to become the future role models and leaders of our communities in years to come.

5. **Inter-Mosque Activities:** We endeavour to create a network of mosques who are committed to what CLC is committed to; who share the same passion of achieving excellence in Islamic education and community development. This network of mosques

will allow us to collaborate, share resources and, most importantly, create a sense of community and solidarity. One of our feature inter-mosque event is our free inter-mosque tournament for mosque students. This event is going from strength to strength and in the last couple of years has attracted over 22 teams per tournament. As part of our commitment to inter-mosque networking we are devising an educational framework for mosques of Oldham which aims to improve the provisions of mosques.

6. **Food Drive campaign:** we work with our network of mosques and collect non-perishable foods for our less fortunate brothers and sisters in humanity which we donate to a registered food bank. This service allows us to empathise and practically demonstrate the empathetic teachings of our religion. This campaign has been well-received by our community and we intend to keep up the support for this sort of activity.

### **Renovating the New building**

Since the purchase of our new premise in December 2014, we have had a number of renovation works carried out to make it fit for use. This includes internal partitions, adding more toilets electrical and plumbing work. In 2022 we continue to carryout enhancement works regularly in the building.

### **Governance, Structure and Management**

The Trust is constituted as a charitable trust registered with the Charity Commission. It is governed by a constitution.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

"The trustees meet together as a body quarterly and are responsible for all decisions taken in relation to running the organisation and the activities provided by the charity. At the quarterly meetings, the Trustees review the charity's financial position, progress, issues and direction of the organisation."

### **Recruitment and appointment of trustees**

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and other members of the organisation. The trustees believe this approach ensures that new trustees are respected and trustworthy members of the faith and local communities and ensures that good relations are fostered between the Trust and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

### **Risk management**

The Trustees routinely review risks relevant to the charity and take mitigating actions to manage such risks. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified.

### **Financial Review**

In this financial year, the Trust made a surplus of £29,311. With the increase in demand for services and support for the charity, the financial outlook going forward is positive. The Trustees will continue to work towards ensuring that the charity achieves its key objectives.

### **Reserve Policy**

The Trustees have established a policy whereby the unrestricted funds held by the charity should be sufficient to cover four months of the resources expended. The Trustees will ensure that the restricted funds are expended so that the conditions attached to such funds are met. At present, the level of unrestricted funds exceeds the target level.

### **Trustees and their responsibilities**

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.

**Independent examiner's report to the trustees of Compass Learning Centre**

I report on the Financial Statements of the Charity for the year ended 30 June 2022 which are set out on pages 9 to 18.

**Respective responsibilities of trustees and examiner**

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and
  - which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
