Activities and achievements in the year

Our Educational programs

1. Alif Academy – This year we have continued with Safar Academy syllabus. It is a very comprehensive syllabus put together for children to understand Islam in this modern society. It has been very beneficial for our students.
2. Tahfeez-ul Qur'an – This year we have had more students completing the memorisation of the full Qur'an. They were awarded at the annual conference as usual.
3. Hajj seminar - a practical demonstration and guide to Hajj rituals. 2022 was our 13th annual hajj seminar/training. We were the first to offer this training, and to date, many hundreds of people continue to benefitted from this free seminar.
4. Fiqh of Ramadan - one day intensive course covering all relevant issues pertaining to Ramadan & fasting.
5. Zakat seminar which deals with all issues of zakat, particularly modern financial assets such stocks, pensions etc.

6. Tarawi prayers during Ramadan and general advice to the congregation on Islam.
7. Fiqh of marriage - a one day intensive course packed with recipes for a successful marriage. This is a supplementary offering of Compass Matrimony.
8. Talks on various aspects of the Quran during Ramadan to rekindle our passion for the words of Allah and be informed on the subject of Quran which is entitled 'Quran Series.' This series has been offered for the last 6 years and is also a part of our inter-mosque networking efforts. Different scholars from CLC offer talks from the series in different mosques across Oldham which helps our networking efforts and the series is concluded with CLC's Annual Community Iftar.
9. One-day intensive courses delivered in modern academic styles by Ulama and professionals on various relevant subjects.
10. Annual conference: an annual event where we organise, host and invite reputable scholars to address pertinent issues. The last conference was our 14th annual event.

Our Community Services

1. **Compass guidance & Fatwa Department:** We have a dedicated fatwa department managed by our panel of Muftis who are committed to answering your Islamic legal issues or any other question or query that people may have about Islam.
2. **Compass Matrimony:** We offer match making, marriage advice, courses related to marriage. We also conduct Islamic marriage and have our own marriage certification service. Many people are using and benefitting from this service and to date we have made over 200 matches.
3. **Youth Work & Activities:** We organise events and activities for the youth to ensure that our youth are not engaged in activities that are contrary to Islamic teachings and values. We try to communicate to them through mediums that are effective. We have set up a dedicated games room for our Muslim youth in our new building and have already hosted several youth events. We have introduced professional development workshops and leadership trainings for college and university students and normal community members.
4. **Compass Scouts:** Compass Scouts was set up in 2015 to provide enriching extra-curricular opportunities to the young muslim children of Oldham.

Scouts was chosen as the model we wanted to follow as it has a structured programme, growing number of Muslims joining scouts and at present stands at 1.6 billion and is also recognised worldwide. We are driven by the belief that young British Muslims can grow and develop into responsible, productive and pivotal members of their local, national and international communities, when they have the chance to experience the everyday adventure of Scouting. Scouting has proven itself as a system for the development of individuals from all backgrounds for over 100 years and we pray that the scouts within our programme aged 6-14 will go on to become the future role models and leaders of our communities in years to come. Since covid lockdown we had had to close down scout sessions as we are struggling to find volunteers.

5. **Inter-Mosque Activities:** We endeavour to create a network of mosques who are committed to what CLC is committed to; who share the same passion of achieving excellence in Islamic education and community development. This network of mosques

will allow us to collaborate, share resources and, most importantly, create a sense of community and solidarity. One of our feature inter-mosque event is our free inter-mosque tournament for mosque students. This event is going from strength to strength and in the last couple of years has attracted over 22 teams per tournament. As part of our commitment to inter-mosque networking we are devising an educational framework for mosques of Oldham which aims to improve the provisions of mosques.

6. **Food Drive campaign:** we work with our network of mosques and collect non-perishable foods for our less fortunate brothers and sisters in humanity which we donate to a registered food bank. This service allows us to empathise and practically demonstrate the empathetic teachings of our religion. This campaign has been well-received by our community and we intend to keep up the support for this sort of activity.

Renovating the New building

Since the purchase of our new premise in December 2014, we have had a number of renovation works carried out to make it fit for use. This includes internal partitions, adding more toilets electrical and plumbing work. In 2022-2023 we continue to carryout enhancement works regularly in the building.

Governance, Structure and Management

The Trust is constituted as a charitable trust registered with the Charity Commission. It is governed by a constitution.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

"The trustees meet together as a body quarterly and are responsible for all decisions taken in relation to running the organisation and the activities provided by the charity. At the quarterly meetings, the Trustees review the charity's financial position, progress, issues and direction of the organisation."

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and other members of the organisation. The trustees believe this approach ensures that new trustees are respected and trustworthy members of the faith and local communities and ensures that good relations are fostered between the Trust and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Risk management

The Trustees routinely review risks relevant to the charity and take mitigating actions to manage such risks. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified.

Financial Review

In this financial year, the Trust made a surplus of £29,311. With the increase in demand for services and support for the charity, the financial outlook going forward is positive. The Trustees will continue to work towards ensuring that the charity achieves its key objectives.

Reserve Policy

The Trustees have established a policy whereby the unrestricted funds held by the charity should be sufficient to cover four months of the resources expended. The Trustees will ensure that the restricted funds are expended so that the conditions attached to such funds are met. At present, the level of unrestricted funds exceeds the target level.

Trustees and their responsibilities

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.

Independent examiner's report to the trustees of Compass Learning Centre

I report on the Financial Statements of the Charity for the year ended 30 June 2023 which are set out on pages 9 to 18.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and
 - which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts

Note 1 Basis of preparation

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014;
- the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102); and
- with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

Note 2 Accounting policies

2.1 INCOME

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Financial statements for the year ended 30 June 2023

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

2.2 EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Deferred income

No material item of deferred income has been included in the accounts.

Financial statements for the year ended 30 June 2023

Creditors The charity has creditors which are measured at settlement amounts less any trade discounts

Basic financial instruments The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.3 ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least
They are valued at cost

Debtors The depreciation rates and methods used are disclosed in note 9.2.
Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
