TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report and accounts for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Principle Objective

The New Parks Play Association's principle objective is:

The provision of facilities for education, recreation and other leisure time occupation for children resident in the New Parks and surrounding areas, in particular those children who have need due to social or economic circumstances; with the object of improving the conditions of life for such children by promoting their physical, mental and emotional development.

New Parks Play Association seeks to achieve this objective in various ways. The association operates and manages a permanent site and building known as the Adventure Playground, which is on Glenfield Road, Leicester; this is an "Open Access" play provision. The site consists of a play building for indoor activities providing space for arts/crafts workshops, board games, table tennis, table football; pool, reading corner, cookery and tuck shop. The site has been landscaped with wide pathways and native trees & shrubs. The site provides space for adventure play equipment, outdoor gym equipment, sand & water play and a multi-purpose floodlit ball court, the site is also floodlit for safety.

The playground now opens daily all year round from 3pm – 6pm Monday – Friday and during school holidays our hours are from 12pm – 4pm for young people aged 5 – 14 years of age, this includes a holiday Playscheme during the summer when extra staff are taken on from our pool of experienced workers. During half terms we are open to the children 12pm till 4pm, this is operated with core staff only. All children need to register before using the facility. During the year we ran 249 sessions with 10,126 users, we have 385 children registered with us.

How We Achieve Our Objectives

New Parks Play Association seeks to achieve this objective in various ways. The association operates and manages a permanent site and building known as the Adventure Playground, which is on Glenfield Road, Leicester; this is an "Open Access" play provision. The site consists of a play building for indoor activities providing space for arts/crafts workshops, board games, table tennis table football; pool, reading corner, cookery and tuck shop.

The site has been landscaped with wide pathways and native trees & shrubs. The site provides space for adventure play equipment, outdoor gym equipment, sand & water play and a multi-purpose floodlit ball court, the site is also floodlit for safety.

We remained outdoors during this year due to Covid-19.

Activities this year

In addition to day to day activities the playground hosts a number of special events throughout the year which included special theme days during summer holidays, visit from flying seagull Project, Falconry UK, Halloween Party, Bonfire party.

We cooked and served Christmas dinner to 70 children over two evenings and 50 children attended a Pantomime at Loughborough Theatre.

Achievements and performance

During this year we have worked closely with Fareshare , Holiday Activity Fund (LCC) Morrisons Glenfield, Samworths which has enabled the playground to provide snacks, drinks and food during our sessions all year round.

The playground was fortunate to be nominated for four awards at The New Parks Community Awards which was held at King Power Stadium.

We were overwhelmed to find we had won The Transforming Life's or outstanding Achievement Award.

Financial review

The statement of financial activities on page 6 shows a total income of £139,485 and expenditure of £156,604 across our unrestricted and restricted funds.

This provides a deficit of £17,119 for the year ended 31 March 2022 and there remains a surplus on reserves carried forward of £34,583.

These funds are split between the unrestricted funds and restricted funds.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for an alternative specific use should be maintained at a level equivalent to between three and six months of normal expenditure . The trustees estimate normal ongoing annual costs to be between £100,000 and £125,000 per year.

In the total reserves of £34,583 there are restricted funds of £552 which are committed to be spent in the near future. This leaves free reserves of only £34,031. Therefore, the trustees believe the charity is just below a position of comfort to deal with any financing problems. as ideally they would be nearer six months costs in reserve.

The trustees estimate that reserves at a level of approximately £50,000 would ensure that, in the event of a significant drop in funding, they would be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. It is desirable for the charity to maintain this level of reserves. However due to the nature of the funding and economic circumstances the charity has not been able to maintain this level of reserves throughout the year. Whilst reserves are not at an optimum level the trustees are pleased with the progress the charity has made over the last five years.

We will outline the funds held and how they will be utilised going forward. Overall the trustees are not content with the level of reserves at the year-end and wished they had greater assets at its disposal.

Restricted Funds

The Charity's principal funders remain the Leicester City Council who provided a grant of £121,300 for core playground activities throughout the year, and the Summer Playscheme.

The core funding we receive from Leicester City Council covers salaries & running costs any development has to come from fundraising. All of the grant has been spent and there remains no balances unspent

We have received an additional £4,549 in restricted funding over the past year which would include funding from:

Reaching People;
Leicester City Football Club;
Leicester City Council Ward Grants, and
Community Panel Grants

The trustees have committed to a large scale refurbishment of the playground over the years which has been well received.

We have a balance on the Leicester City Football Club fund of £552 which remained unspent at the year end.

FOR THE YEAR ENDED 31 MARCH 2022

Unrestricted Funds

The charity received £13,636 of unrestricted funds during the year. This came via grants from the Job Retention Scheme, other Covid-19 grants plus some other small grants and donations and our own fundraising.

We had unrestricted reserves of £34,031 carried forward.

Risk Policy Statement

As part of their overall duties of management, the trustees must ensure that the major risks to which the group is exposed are reviewed and that systems are established to mitigate those risks.

The trustees consider that a major risk is one, which if it materialised, would have a significant adverse impact on the charities ability to function and achieve its purposes as identified in its Memorandum and Articles of Association. The trustees recognise that risks can arise not only from the charities activities but also from failure to act or exploit opportunities.

Plans for future periods

Once again, our contract has been extended with LCC until 2023. We continue to have a very positive partnership with Fair share, Samworth and Morrisons Glenfield which will continue to have a big impact too the Playground. We continue to stay positive and look for sources of funding to develop our activities further but still rely on core funding to exist. We have been on standstill budgets for about 20+ years and continue to look for savings where we can. Other than that, the playground is as popular as ever within the community and is reflected with the continuing new user registrations. We have applied for and been successful with other grants for equipment over the past 12 months and will continue to carry on with this approach and also increase our network with local agencies who have supported us well.

Structure, governance and management

Organisation

New Parks Play Association is governed by Memorandum and Articles of Association. Its principle operating address is New Parks Adventure Playground, Glenfield Road Leicester LE3 6RN.

New Parks Play Association was founded as a charity in 1974 when the local community got together to run summer playschemes and later on received land from Leicester City council in 1978 along with urban area 5 year funding to establish the adventure Playground. After the 5 year period we were given annual grant-aid from Leicester City Council to continue to develop the playground. The Trustees over the years have raised funds through many organisations including Lottery to develop the playground from a field into what it is today.

Its objects and powers are set out in the Memorandum of Association and regulated by the Articles of Association. All members of the charity will be approved by the trustees and no employee of the company or relative of an employee is a member of the management committee. The management committee is responsible for setting the direction of the charity and establishing policy. The members have at least four extraordinary general meetings during the year and delegate the day to day operation of the charity to the Senior Playworker and Management Support worker, two full time and three part time Playworkers, extra Playworkers are taken on during the summer. The Executive Committee is selected annually following an Annual General Meeting. The Executive Committee also invites representatives from the funding body Leicester City Council.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Valerie Manship
Karen Laywood
Kim North
Darren Brown

- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an Independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Charity Information

New Parks Play Association is a private company limited by guarantee incorporated in England and Wales. The registered office is 21 Scott Street, Leicester, LE2 6DW.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans, which are subsequently measured at amortised cost using the effective interest method.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt Instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
