The objective of Education and Skills Development Group is to improve the conditions of Somali refugees, asylum seekers and other Black and ethnic minority (BAMER) communities in Ealing and surrounding boroughs, particularly children and young people by:

- The advancement of education and training
- The relief of unemployment for the benefit of the public

LEGAL STRUCTURE:

Education and Skills Development Group is a registered charity and company limited by guarantee. ESDEG is governed by a memorandum and articles of association and in accordance with these Trustees are appointed and the Chair nominated by the Trustees. OUR ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

Education and Skills Development Group has been engaged in various activities for the year ended 30 November 2025, which includes, among other things, the activities below.

Supplementary School Teaching

We delivered weekly supplementary classes in Maths and English in schools in Southall, Northolt, and Brent to children studying from Key Stage 1 to 4; as well as extra-curricular activities for pupils that have focused on developing self-esteem and confidence, aspiration, and core skills to enable young people to succeed.

Our activities are aimed to reduce the attainment gap between refugee-heritage and other disadvantaged children and their peers, helped children develop key soft skills and support parents to foster better working relationship with schools. This helps parents to work in partnership with school teachers which helps children achieve their full potential.

Mentoring, and STEM project

We mentored children from six Primary schools in West London (Blair peach Primary School, Durdan's Park Primary School, Viking Primary School, Gifford primary school, Petts hill primary school and Vincent primary school) and four secondary schools (Villiers High School and Brentside High School and Northolt High school and Greenford High school).

Our mentoring led to a reduction in fixed, permanent, and informal exclusion, improved attainment, and raised aspiration. In addition to mentoring this project also includes technology workshops designed to inspire children for future career in STEM by enabling them access to the use and design of robotics. This project is funded by the **National Lottery and Great Western Rail**.

SEND Project

We provided support to families and children affected by special educational needs and disabilities. Our work helped families to overcome challenges associated with gaining a SEND diagnosis, and/or EHC plan, and helped them to better support their child. Through accessible information, advice and guidance we raised awareness and enabled families to exercise their rights. In addition to support for families and children we also run short breaks or respite for children with SEND, this provides activities suited to needs of children with SEND while providing much needed respite to parents. This project is funded by **Esme Fairbairn and Henry Smith Charity**.

Counselling Project

We provided children and their family members with 1-2-1 and group counselling sessions to improve their mental health and wellbeing. Our qualified counsellor helped them to cope with a range of challenges from intergenerational conflict to mitigating the impact of Covid-19 and enabled them to access mainstream services as required. This project is funded by **Esme Fairbairn and Henry Smith Charity**

Healthy Eating and Positive Lifestyles Project

We provided activities for girls and women from disadvantaged and intersectional backgrounds to improve their lives through healthier eating, and exercise. As required participants were enabled and sign-posted to relevant NHS services that they needed. We also supported participants to socialise and develop targeted skills that enabled them to achieve their aspirations.

ESOL Classes Project

We delivered twice weekly ESOL classes for parents and grandparents of children attending our supplementary schools. In addition to helping attendees improve their English, this programme helped participants improve their functional skills, gain confidence and enabled them to interact positively with people from different communities.

Refugee Elders Luncheon Club

We delivered a weekly luncheon club to elderly people including from a refugee background. We helped participants escape isolation and loneliness, encouraged physical activity, and civic participation, mainly through socialising with other members of the community and through volunteering. This project is funded from ESDEG's own resources.

Home school liaison Project.

This a pilot project aimed to tackle disproportionately high number of school exclusions in mainly black heritage boys in Ealing. This is an intervention to help close the gap between mainstream schools and recent migrant communities. The project runs workshops for parents to educate them on British curriculum and school behavior policies. Similar initiatives are also in place to run cultural competency sessions for school teachers and management.

Welfare Advice and Guidance Project

We provided one to one and group support to service users as regards welfare benefit and housing, hospital appointments, energy and council tax payment plans, and any other issues they may have had that was preventing them from thriving.

Core costs:

Garfield Weston Foundation, provided core costs funding to ESDEG for the first time this helps us a lot in strengthening our governance, monitoring and evaluation of our services as well as to improve our networking and partnerships.

Other activities

As a hub for community services and activity, we delivered a number of other activities in the form of workshops, collaborative events, to help integration, civic participation and for people in the community to know their rights.

Public benefit statement

In shaping our objectives for the year and planning our activities, the Trustees have considered S.17 of the Charities Act 2011 and the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PD2)'. The achievements and activities above demonstrate the public benefit arising from the charity's activities.

FINANCIAL REVIEW

The Trustees of Education and Skills Development Group submit their Trustees' report and financial statements for the year ended 30 November 2025.

Risk management

The Trustees have a risk management strategy which comprises:

- An annual review of the risks that the charity may face;
- The establishment of systems and procedures to mitigate those risks identified in the plan;
- Implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

Reserve policy:

The charity currently operates with unrestricted reserves of £. The Trustees have set a target of £ unrestricted reserve which equals to approximately 6 months of operational expenditure.

Trustees Responsibilities:

Charity law requires the trustees to prepare the financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of its financial activities for that period. In preparing those financial statements, the trustees are required to:

1. Select suitable accounting policies and apply them consistently,
2. Make judgements and estimates that are reasonable and prudent,
3. State whether the policies adopted are in accordance with the Charities Act, and
4. Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue to operate.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the regulations and are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report

For the year ended 30 November 2025

I report on the accounts of the charity for the year ended 30 November 2025, which are set out on pages 7 to 12.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 43 of the 1993 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.
