Objectives and activities

Objects and aims

To advance education and instruction in dance, singing, drama and contextual studies and all other subjects whatsoever that may be included in a commercial, technical, scientific, classical, or academic educational or are conducive to knowledge of or skill in the performing arts, in particular but not exclusively by establishing or helping to establish a school or schools, lecture classes, examination rooms and such other academic facilities and by providing or assisting in the provision of items, facilities and funding to help run such establishments and to support teachers and students in Great Britain and other countries. To advance education by funding scholarship and exhibitions and to give prizes, certificates and diplomas to persons who are or have been students or examined by or by the direction of the company.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

The Charity achieved its purpose with 64 students enrolled for the academic year 2022/2023, which was a decrease from the previous year of 72 students, the main reason for this was the impact of other colleges delivering BTEC & Degree Programmes which is the choice of course for many aspiring performers because of mandatory Student Finance and Maintenance Loans they can draw down. Some colleges have established themselves as a ‘Super College’ and have an intake in the first year of hundreds (because of BTEC & Degree programmes and the associated mandatory funding) this has naturally watered down applications across the entire sector. Combine this with the uncertainty of employment for families, self funding has been a big barrier and impacted numbers and thus has reduced applications for the CDMT course which is privately funded.

2023 has seen our new HNC (Higher National Certificate) course start with our new partnership with Coventry College and this 10 students currently enrolled and due to complete imminently.

The Management and Trustees continue to adjust and review on a frequent and regular basis the fees matrix and the overall procedures and policies in place, including financial, HR, operational, safeguarding and health and safety. Cost cutting continues to have a significant impact on the charity going forward into 2023/2024 based on student cohort figures enabling the charity to offer more scholarships and cement its future in the industry as many other colleges close their doors due to financial difficulties, the management team, along with the trustees and dedicated teaching staff have adapted and evolved to meet the requirements of students both already enrolled and those hoping to secure a place with us.

The Year ended with 100% of the 2023 graduating cohort successfully completing their studies and gaining their desired qualification and going on to work successfully & professionally within their chosen industry (Dance and/or Musical Theatre), having had secured agents either prior to their graduation or after it. All achieved either the CDMT (Council for Dance & Musical Theatre) accredited 3 yr professional musical theatre course and/or their level 6 musical theatre diplomas validated by Trinity College London.

Midlands Academy of Dance & Drama Limited

Trustees' Report

Financial review

Activities during the year resulted in a surplus of £33,200 (2022 deficit of £4,978) - This is attributable to a slight increase in income and the cost cutting outlined in the next section, collection of historic debts, therefore avoiding increased write offs and assessing financial capabilities of current debtors to ensure fees charged are in line with realistic payment expectations.

Teaching costs £186,054 were significantly lower than the previous year £253,918 which was in line with forecasting, other costs are starting to show reductions due to the stringent cost cutting strategy and attributed to renegotiating with suppliers, better sourcing by the management team and tighter financial controls.

Salaries, NI and pension showed an increase as the staff members increased from 3-4 with the addition of office support and a review of remuneration.

Rent shows a significant increase of £25K on the previous year as rent payments resumed after a period of free rent the previous year post pandemic.

Accountancy fees have increased again in line with forecast but shows a significant decline in 2024 after new processes and systems have been implemented and embedded.

Policy on reserves

Reserves are required to mitigate the risk of students defaulting on fees so the charity can meet all of its financial obligations. We plan on maintaining our reserves despite increases in utility costs and increase the number of students completing HNC's and BTEC's. Our reserve policy is continually reviewed as projected income and costs are reviewed on a weekly basis by our Management Accountant.

Principal risks and uncertainties

Cost of living

With the increased cost of living crisis, students are finding it increasingly hard to afford the courses we offer, to counteract this we have successfully increased our provision of courses with the addition of HNC's in 2023/2024 which are fully government funded and we plan on increasing these numbers further, in turn that will allow the charity to offer a greater amount of bursaries to talented students who wish to undertake the CDMT course which receives no funding.

Trustees' Report

Statement of Responsibilities

The trustees (who are also the directors of Midlands Academy of Dance & Drama Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of Midlands Academy of Dance & Drama Limited ('the Company')

Independent examiner's report to the trustees of Midlands Academy of Dance & Drama Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 July 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

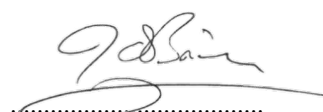

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member and Fellow of the Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Midlands Academy of Dance & Drama Limited

Notes to the Financial Statements for the Year Ended 31 July 2023

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Midlands Academy of Dance & Drama Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Exemption from preparing a cash flow statement

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Midlands Academy of Dance & Drama Limited

Notes to the Financial Statements for the Year Ended 31 July 2023

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land & buildings	20% straight line
Fixtures & fittings	10% reducing balance
Office & IT equipment	50% straight line

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Midlands Academy of Dance & Drama Limited

Notes to the Financial Statements for the Year Ended 31 July 2023

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.
