Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

AHDT is a non-partisan voluntary charity that works to facilitate the development and provision of health care in African communities, focusing currently on northern Nigeria. Some of our activities include the acquisition and supply of medical equipment to health centres, transfer of medical skills and knowledge through training and mentoring, and provision of pro-bono medical services by members.

During the reporting year, the charity undertook activities aligned with its charitable objects, with a focus on improving access to healthcare and essential support for underserved and remote communities in Nigeria. Trustees have had due regard to the Charity Commission's guidance on public benefit and have ensured that all activities were carried out to deliver clear and identifiable public benefit.

In response to the challenges of reaching remote and rural populations, the charity collaborated with local and international partners to extend its impact. The charity partnered with Dechi Health Trust Fund and participated in the Microsoft Global Hackathon in September 2024 to co-develop a telehealth application, *e-Likita*, designed to support healthcare delivery in rural communities. The application was successfully deployed and piloted in Gembu, Taraba State, North-Eastern Nigeria, improving access to medical consultation and support in an underserved area.

The charity also supported healthcare outreach initiatives by contributing expertise and volunteers. In December 2024, members supported a three-day 'Eye Camp' outreach in Gombe State, North-Eastern Nigeria, delivered in collaboration with a local clinic, Annur Eye Clinic. Although no direct financial contribution was made, the charity's involvement supported the delivery of essential eye care services to vulnerable populations.

In addition, regularly partners with a local charity on the ground in Northern Nigeria, the Foundation for Refugee Economic Empowerment (FREE) to provide targeted interventions to disadvantaged people going through difficult times and responding to humanitarian needs arising from natural disasters, e.g., flood relief and donation of medicines.

During the year, following flooding in Maiduguri, North-Eastern Nigeria, the charity collaborated with FREE to support affected communities through malaria chemoprophylaxis distribution and nutritional support for malnourished children, contributing to improved health outcomes during a crisis period.

Through the generosity of its donors/patrons, AHDT continues to support two orphanages in North-Western Nigeria, thereby impacting the lives of orphaned children through provision of shelter, feeding and education. The charity also continues to fund, through a major donor, an important hydrocephalus research collaboration with the University of Manchester here in the UK.

We confirm that trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Key achievements during the year include the successful development and pilot deployment of the *e-Likita* telehealth application for rural healthcare delivery. Through strategic collaboration and innovation, the charity helped bridge gaps in access to healthcare services in Gembu, Taraba State, North-Eastern Nigeria.

The charity also contributed to a three-day ‘Eye Camp’ medical outreach in Gombe State, North-Eastern Nigeria, between the 13th and 19th December 2024, supporting the delivery of eye care services that reached 118 patients. This initiative strengthened local healthcare provision through partnership working and volunteer engagement.

Furthermore, the charity played a critical role in emergency humanitarian response efforts following flooding in Maiduguri, North-Eastern Nigeria, on 14 November 2024. Through collaboration with local partners, over 100 children were reached with malaria prevention support and nutritional assistance, addressing urgent health and welfare needs.

Also, through the generosity of its donors/patrons, AHDT continues to impact on the lives of orphaned children through provision of shelter, feeding and education. During the year, AHDT disbursed a total of **£10,000.00** to an orphanage in Gumel, Jigawa State, North-Western Nigeria, which.

The charity, through one of its major donors, continued to fund an important hydrocephalus research collaboration with the University of Manchester in the UK. The sum of **£5,000.00** was disbursed for this during the year.

Overall, the charity demonstrated effective partnership working, innovation in service delivery, and responsiveness to community health and humanitarian needs, ensuring tangible public benefit throughout the year.

Section E Financial review

Brief statement of the charity's policy on reserves

As yet, there is no fixed policy on reserves due to the charity's modest finances. However, the charity has the practice of not using up the entire balance in its bank account at any given time. We normally maintain a balance of at least one thousand pounds (£1000.00).

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funding are membership subscriptions and charitable donations.

Section F Other optional information

Section G Declaration

The trustees declare that they have approved the trustees' report above.

**INDEPENDENT EXAMINER'S REPORT ON THE FINANCIAL STATEMENT FOR THE
PERIOD FROM 1ST APRIL 2024 TO 31ST MARCH 2025**

I report on the accounts of the Trust for the year ended 31st March 2025, which are set out on pages **3 to 6**.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed. It is my responsibility to:

- i. Examine the accounts under Section 145 of the Act.
- ii. Follow the procedures laid down in the general directives given by the Charity Commission under Section 145(5)(b) of the 2011 Act; and
- iii. To state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directives given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosure in the accounts and seeking explanation from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the account.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - a) to keep accounting records in accordance with section 130 of the Act; and
 - b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2025

1. Statement of Management Committee Responsibilities

The management committee is required to prepare financial statements for each financial year which give a true and fair view of the AHDT and of the Income and Expenditure of the AHDT for the period. In preparing those financial statements the management committee are required to:

- a) Select suitable accounting policies and then apply them consistently.
- b) Make judgements and estimates that are reasonable and prudent.
- c) Prepare the statements on a going concern basis unless it is inappropriate to presume that the AHDT will continue in operation.

The management committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the AHDT and enable them to ensure the financial statements comply with regulatory requirements. They are also responsible for the prevention and detection of fraud and other irregularities.

2. Basis of Accounting

The accounts are prepared on a basis consistent with that of previous years. A receipt and payment basis is used under the historical cost convention subject to provision made for sundry debtors and accruals of expenditure relating to the year.

3. Donations

Donations from patrons and other donors to fund specific projects	100,000
Direct donations, membership dues and other income	14,409
TOTAL	£114,409

4. Resources Expended

	<u>Restricted</u>	<u>Unrestricted</u>	<u>Total</u>
Gumel Orphanage	10,000	-	10,000
Other direct expenditure	-	13,200	13,200
TOTAL	10,000	13,200	23,200

5. Fixed Assets

Fixed Assets, if any, are written off over a period.

6. Current Liabilities

The charity had no outstanding liabilities at the end of the financial year.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

AHDT is a non-partisan voluntary charity that works to facilitate the development and provision of health care in African communities, focusing currently on northern Nigeria. Some of our activities include the acquisition and supply of medical equipment to health centres, transfer of medical skills and knowledge through training and mentoring, and provision of pro-bono medical services by members.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Since the Coronavirus pandemic and its aftermath, AHDT has not engaged in its usual medical outreach programmes in the past few years. However, it regularly partners with a local charity on the ground in Northern Nigeria, the Foundation for Refugee Economic Empowerment (FREE) to provide targeted interventions to disadvantaged people going through difficult times, e.g., flood relief and donation of medicines.

During the year, through the generosity of its donors/patrons, AHDT disbursed a total of **£40,000.00** to two orphanages in Northern Nigeria, which continue to impact on the lives of orphaned children through provision of shelter, feeding and education.

We also confirm that trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

As mentioned in section C above, since the Coronavirus pandemic and its aftermath, AHDT has not engaged in its usual medical outreach programmes in the past few years. However, it regularly partners with a local charity on the ground in Northern Nigeria, the Foundation for Refugee Economic Empowerment (FREE) to provide targeted interventions to disadvantaged people going through difficult times, e.g., flood relief and donation of medicines.

During the year, through the generosity of its donors/patrons, AHDT disbursed a total of **£40,000.00** to two orphanages in Northern Nigeria, which continue to impact on the lives of orphaned children through provision of shelter, feeding and education.

Section E Financial review

Brief statement of the charity's policy on reserves

As yet, there is no fixed policy on reserves due to the charity's modest finances. However, the charity has the practice of not using up the entire balance in its bank account at any given time. We normally maintain a balance of at least one thousand pounds (£1000.00).

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funding are membership subscriptions and charitable donations.

Summary of the objects of the charity set out in its governing document

AHDT is a non-partisan voluntary charity that works to facilitate the development and provision of health care in African communities, focusing currently on northern Nigeria. Some of our activities include the acquisition and supply of medical equipment to health centres, transfer of medical skills and knowledge through training and mentoring, and provision of pro-bono medical services by members.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Supporting the Fight Against Malaria in Northern Nigeria Project: (Region: North-Western Nigeria): August-September 2021

In view of the Coronavirus pandemic and its aftermath, AHDT has not engage in its usual medical outreach programmes in the last two years. However, as in 2020, it partnered with a local charity on the ground in Northern Nigeria, the Foundation for Refugee Economic Empowerment (FREE) in the *Supporting the Fight Against Malaria in Northern Nigeria Project*, which is a community-based health initiative that seeks to protect rural poor people, particularly those under the age of 5, from the devastating impact of malaria on their lives. The programme is in its second year.

During the year, through the generosity of its donors/patrons, AHDT disbursed a total of **£110,283.03** to various intervention projects and causes that have had a huge impact on the less privileged members of society, mainly in northern Nigeria, as well as to fund an important hydrocephalus research collaboration with the University of Manchester here in the UK.

We also confirm that trustees have had regard to the guidance issued by the Charity Commission on public benefit.

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

As mentioned in section C above, AHDT has not engage in its usual medical outreach programmes in the last two years due to the Coronavirus pandemic and its aftermath. However, it partnered with a local charity on the ground in Northern Nigeria, the Foundation for Refugee Economic Empowerment (FREE) in the *Supporting the Fight Against Malaria in Northern Nigeria Project*, which is a community-based health initiative that seeks to protect rural poor people, particularly those under the age of 5, from the devastating impact of malaria on their lives. The programme is in its second year.

Under the intervention, AHDT through local donors, provided FREE with malaria drugs, specifically **5000 packs of Cartef 20/120** (each pack with 24 tablets) for distribution in five (5) Northern Nigerian States (Bauchi, Taraba, Kebbi, Zamfara and Katsina). FREE identified the communities for implementation, devised the project targeting criteria, and distributed the medications to people in need, along with sensitization on malaria prevention. The breakdown is as follows: Bauchi (800), Taraba (800), Kebbi (200), Zamfara (1200) and Katsina (2000). Beneficiaries were primarily IDPs, widows, orphans and the less privileged. It is estimated that the project reached approximately 35,000 individuals (based on Cluster standard of approximately 7 persons per HH) who live in high risk hyperendemic malaria areas and constantly face life-threatening episodes of malaria attack.

During the year, AHDT also disbursed a total of **£20,000.00** to AYTAM Orphanage/School, an orphanage and school in Zaria, Kaduna State, northern Nigeria, that has been a beneficiary of specific donations from one of AHDT's patrons and proprietor of Wise Pharmacy in Manchester.

A similarly disbursement of **£16,000.00** from another AHDT patron/donor was made to a project supporting orphans' welfare in Gumel, Jigawa State, northern Nigeria.

AHDT also disbursed funds worth **£70,000.00** to University of Manchester for Hydrocephalus research, which the charity is partnering on with the University.

Section E

Financial review

Brief statement of the charity's policy on reserves

As yet, there is no fixed policy on reserves due to the charity's modest finances. However, the charity has the practice of not using up the entire balance in its bank account at any given time. We normally maintain a balance of at least one thousand pounds (£1000.00).

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funding are membership subscriptions and charitable donations.

Section F Other optional information

Section G Declaration

The trustees declare that they have approved the trustees' report above.

**INDEPENDENT EXAMINER'S REPORT ON THE FINANCIAL STATEMENT FOR THE
PERIOD FROM 1ST APRIL 2021 TO 31ST MARCH 2022**

I report on the accounts of the Trust for the year ended 31st March 2022, which are set out on pages **3** to **6**.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed. It is my responsibility to:

- i. Examine the accounts under Section 145 of the Act.
- ii. Follow the procedures laid down in the general directives given by the Charity Commission under Section 145(5)(b) of the 2011 Act; and
- iii. To state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directives given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosure in the accounts and seeking explanation from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the account.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - a) to keep accounting records in accordance with section 130 of the Act; and
 - b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2022

1. Statement of Management Committee Responsibilities

The management committee is required to prepare financial statements for each financial year which give a true and fair view of the AHDT and of the Income and Expenditure of the AHDT for the period. In preparing those financial statements the management committee are required to:

- a) Select suitable accounting policies and then apply them consistently.
- b) Make judgements and estimates that are reasonable and prudent.
- c) Prepare the statements on a going concern basis unless it is inappropriate to presume that the AHDT will continue in operation.

The management committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at anytime the financial position of the AHDT and enable them to ensure the financial statements comply with regulatory requirements. They are also responsible for the prevention and detection of fraud and other irregularities.

2. Basis of Accounting

The accounts are prepared on a basis consistent with that of previous years. A receipt and payment basis is used under the historical cost convention subject to provision made for sundry debtors and accruals of expenditure relating to the year.

3. Donations

Donations from patrons and other donors to fund specific projects	120,000
Direct donations, membership dues and other income	8,916
TOTAL	£128,916

4. Resources Expended
