Governing Document

Food For Life Vrindavan UK Ltd is a company limited by guarantee governed by its Memorandum and Articles of Association dated 16 September 2006.

Recruitment and Appointment of Management Committee

All members are circulated with invitations to nominate trustees prior to the AGM advising them of the retiring trustees and requesting nominations for the AGM. All new nominations will be considered by the trustees and members based on specialist skills, contacts and knowledge needed to further the aims of the charity.

Related parties.

The charity has a close relationship with Food For Life Vrindavan Society, an Indian registered NGO (number 41291). Food For Life Vrindavan UK Ltd aims to support the charitable activities that Food For Life Vrindavan Society carries out.

Risk Management

In order to have continuous income, the charity promotes regular donations from its donors. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are:

- To educate and support the "poorest of the poor" girls in the pursuit of a fulfilling life, enabling them to become exemplary members of society.
- This is achieved by giving the girls in the schools education, food, medical care, clothing, and items necessary for schooling. Each child has a sponsor that pays a monthly donation which takes care of the running costs of having a child in the school.
- In the past, the charity has also carried out other projects such as social welfare and reform, built water wells, helped create a hospital,
- environmental development, care of cows, and growing fruits/vegetables on
- an organic farm (which provides food for the schools).
- Strategies employed to achieve the charity's objectives include:
- Awareness presentations at events organised by third parties.
- Social or fundraising functions organised by the charity.
- Other events that enable third party charities to take part.
- Fund raising with other charities that have common objectives with Food For Life

Vrindavan UK Ltd.

- Creation of an "Ambassador Group", i.e. individuals that are interested in supporting FFLV UK Ltd in raising awareness and getting more child sponsorships. The main types of activities include religious and social events such as bhajans (recital of religious scriptures and songs), garba (folk dance and social events) and home parties, trekking and adventure challenges and corporate events.

ACHIEVEMENT AND PERFORMANCE:

Due to Covid 19 the charity had no opportunity to hold public functions, hence most of our fundraising and awareness campaign for the year were conducted online. We had many online seminars for the trustees and for volunteers as well. Funds were raised mostly to distribute monthly food rations, as the schools in India were still on lockdown. While the schools were closed we had online classes for the students and we distributed study books to all for continuing their studies from home. We also organized more than 50 village classes conducted by our girls in their villages gathering the children in makeshift classrooms, we distributed books and learning material as well as Covid 19 prevention with masks and sanitizer.

Schools reopened in September 2021, and we had extra classes to help the girls cover the curriculum for the year of study lost.

Since September 2021 with schools open we conducted health care programs, mental health and awareness campaign, and legal awareness workshops.

We completed and inaugurated the gymnasium for the girls as well as other sports facilities.

Also 2021 marked 30 years of Service for FFLV, and during the year we had many media post bringing awareness to the history of FFLV and how from one man in 1991 to the present with three schools complex, 240 employees and thousands of girls enrolled. The charity estimates that for all lockdown period 1,000 families got rations monthly. Trustees' meetings have continued to occur online (every 4 months).

FINANCIAL REVIEW

During the year £297,114 (2021-£269,978) was raised in donations including Gift Aid, with interest adding a further £9(2021-£19) to provide a total income for the year of £297,123 (2021-£269,007).

Our regular sponsor base has been maintained at approximately 252 during the year under review. Sponsorships give the charity the stability in income it needs to support the long-term education of children with our partner charity in India.

During the year Food For Life Vrindavan UK Limited transferred £189,093

(2021-£248,234) to the Indian charity Food For Life Vrindavan Society.

Food for Life Vrindavan Society has three schools with a capacity for 3,000 students.

At present, we have a total student population of around 1480 enrolled in our school and a further 140 sponsored by the charity in further education. All the students receive free meals, clothing, educational aids and medical assistance, the school is completely free as the students come all from below poverty line families and many are slum dwellers. Our goal is to help raise awareness and funds in the UK to help with the education of more girls in the schools, i.e., more places get taken up through sponsorship and funding.

FOOD FOR LIFE VRINDAVAN UK LIMITED
Report of the trustees
for the year ended 31 March 2022

In the year the charity incurred costs of £31,845 (2021-£63,464) which comprised, postage and stationery costs of £30 (2021-£385), accountancy fees of £1250 (2021-£1,540) salary costs of £24,004 (2021-£25,437), ex-gratia payments of £3,812 (2021-£35,000), bank charges of £487 (2021-£367), interest paid of £3 (2021-£Nil), depreciation of £Nil (2021-£165) and travel expenses of £Nil (2021-£Nil). Additionally, other costs incurred were legal expenses of £480 (2021-£Nil), sundry expenses of £58 (2021-£Nil), computer/internet expenses of £542 (2021-£491), and advertising & marketing costs of £1179 (2021-£79). During the year, the trustees did not receive any remuneration.

FUTURE DEVELOPMENTS

In order to achieve these objectives, the charity's trustees propose to take the following steps:

- Actively recruit volunteer members through personal and business networks and by those who have expressed an interest in serving.
- On 01 January 2019, the charity appointed an administrator to deal with all office administration and support allowing the charity to streamline its administration function.
- Regular communication to all UK donors and supporters via electronic media e.g. *mail chimp* began in November 2015 and continued into this financial year.
- -Further develop our current plans of activity to include a broader range of people and a greater geographical spread in the UK.
- Encouraging supporters to create their own fundraising events and thereby recruit new donors. These are low risk events at a low cost to all parties and work very well in terms of spreading awareness of our objectives, and in raising funds.
- The charities fund raising events were seriously curtailed because of COVID 19 but this was substituted by the ration incentive.
- Seek partnerships through employees of companies that have corporate philanthropy programmes and other funding charities that can support our partner's programmes.
- Actively seek donations from high net worth individuals and corporate bodies to significantly improve Food For Life Vrindavan UK Limited's income.
- The charity has taken a strategic change in direction away from "Sponsor a Girl" to "Educate Girls", i.e. we are keen on general fund raising and charitable financial support from donors to educate more girls collectively, rather than a potential donor being assigned to sponsor a specific girl allocated to him or her. These changes in the charity's new approach have been reflected on the charity website www.fflv.org.
- The trustees propose to collect funds to encourage outdoor activities such as trekking for the schoolchildren.
