LOST CATS BRIGHTON
TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's main object is to relieve the suffering and distress that cats experience by rescuing abandoned, unwanted, mistreated, injured and homeless cats and kittens, providing veterinary care, food, accommodation as necessary, but with the ultimate aim of rehoming healthy animals where possible. In addition, the charity aims to trap, neuter and return feral cats and to educate the public in feline welfare.

The charity has considered the Charity Commission guidance on public benefit and the trustees are satisfied that the activities of the charity provide public benefit.

Significant activities

We mentioned in our report from last year that we were actively recruiting for new trustees to join the board. We are delighted to welcome Jane Higgins & Will Edwards who joined June 2023, Jo Hathaway, Leela Andrews in March 2024 & Cathy Hill in October 2024. Three long-serving trustees have resigned this year, Polly Stebbens, Fiona Barrington and Ian Farrell. We thank them for their contribution and service and wish them all the best.

We will also be saying a fond farewell to Chair Fiona Pearce and Secretary Hannah Osmond in December 2024. Fiona and Hannah both joined Lost Cats Brighton as volunteers in 2010 & 2011 respectively. They were appointed Trustees in 2015/16 and took over the running of the charity when Ron Ayres passed away January 2017. Despite various challenges over the years, they endeavoured to keep the charity going and ensure Ron's legacy was kept. Numerous cats have been helped over the years and improvements made to the overall structure and running of the charity by Fiona and Hannah. We thank them for their hard work, commitment and diligence over the years. They feel they are leaving the charity with a strong board to continue the good work of Lost Cats Brighton. We wish them the very best of luck for the future.

Over the year, we saw more and more cats, mostly elderly, being abandoned, several of whom came into our care. The cats had health issues ranging from thyroid conditions to dental work required. Whilst it is difficult to rehome these cats, we are lucky to have some foster carers who are happy to provide forever homes or palliative care with the charity's support. It gives these cats a chance to live happily and comfortably to the end of their days, even if for a short period of time.

We recruited more Lost & Found online volunteers to continue the vital work of registering lost and found cats on the website and Facebook pages maintaining our commitment to support local cat owners by offering advice and information. We received over 900 submissions of missing or found cats in the area. This level of demand is supported by a committed and energetic team of volunteers, currently totalling 11 individuals, who support the charity on a rota ensuring quality and continuity of service for the cat community of Brighton & Hove and the surrounding areas.

OBJECTIVES AND ACTIVITIES

Other activities

We extensively promoted reminder posts on our website and Facebook page for owners to have their cats microchipped before it became the law on 10 June 2024.

We rehomed 24 cats and kittens and provided accommodation, food and veterinary care for these and the older cats in our care via our network of foster homes and caring members of the public. We continue to fund veterinary care for injured or unwell strays and support financially those owners who struggle to cover emergency veterinary care for their cats. Veterinary costs for the year were £48,843.

Our shed accommodation for unneutered strays and cats requiring isolation was replaced this year, which was much needed with upgraded electrics, a total of £6,190.

The charity made a donation of £12,500 to another local registered cat charity who took on 2 of our cats with significant pre-existing medical issues. We also supported a local cat rescue with their vet bills after they ran into financial difficulties.

Over the year, we received one legacy of £36,000 which was very much appreciated. We continue to receive some regular donations from supporters and some individual contributions from grateful families whose cats we have helped to reunite after they have been missing.

In April 2024, Fiona Pearce & Jane Higgins attended the Mayor's reception of Animal Welfare Champions in Brighton and Hove. We were delighted to be invited by the Mayor and Marc Abraham (the celebrity vet) and for Lost Cats Brighton to be recognised. The occasion was a good opportunity to network with people from different animal charities.

Volunteers

The Trustees would like to thank all the volunteers and foster carers for their commitment and help over the year and a big thank you to all of our supporters and friends of the charity for their generous and continued support.

LOST CATS BRIGHTON
TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's main object is to relieve the suffering and distress that cats experience by rescuing abandoned, unwanted, mistreated, injured and homeless cats and kittens, providing veterinary care, food, accommodation as necessary, but with the ultimate aim of rehoming healthy animals where possible. In addition, the charity aims to trap, neuter and return feral cats and to educate the public in feline welfare.

The charity has considered the Charity Commission guidance on public benefit and the trustees are satisfied that the activities of the charity provide public benefit.

Significant activities

The charity has maintained its commitment to support owners who have lost their cats via the Lost and Found online register and offering advice and information to members of the public via online and telephone enquiries. We are very proud of our team of dedicated volunteers who work so hard to achieve this. The website continues to be an excellent resource for the charity, enabling us to effectively manage the day to day running of the Lost and Found side of our work and ensuring that we are GDPR compliant. During this year we received over 700 submissions of missing or found cats in the area.

Our Facebook page reached 11,000 followers in January 2022 and continues to grow. Our posts for missing cats are shared multiple times across different Facebook pages with vital information being provided and often resulting in happy family reunions.

We are still seeing the results of the Covid restrictions with many callouts to attend abandoned cats who are unneutered and unchipped. This is putting immense strain on all local rescues both financially and physically with limited capacity to take on all these cats. We are fortunate to have a caring cat community in Brighton and the surrounding areas and many members of the public will help to temporarily 'foster' or feed a cat until help is available.

We rehomed 30 cats and kittens and provided accommodation, food and veterinary care for these and the older cats in our care via our network of foster homes and caring volunteers. We continue to fund veterinary care for injured or unwell strays and support financially those owners who struggle to fund emergency veterinary care for their cats. Veterinary costs as ever are our biggest expenditure totalling £31,907, representing just over 80% of our overall annual spend in 2022/23.

Other activities

We received some most generous legacies in the year totalling £130,734 which has considerably boosted our reserve funds. We continue to receive some regular donations from supporters and some individual contributions from grateful families whose cats we have helped to reunite after they have been missing.

As a result of the organisational review of the charity last year, a period of recruitment was undertaken for Lost and Found volunteers and foster carers over the summer of 2022. Five volunteers joined the Lost and Found team and three additional foster carers were recruited. This has strengthened our Lost and Found online service and eased pressures on the existing volunteers. We began advertising for new trustees to join the board in the spring of 2023. Trustee meetings continued to be held virtually since some of our board members were still cautious of in-person meetings following the pandemic.

Volunteers

The Trustees would like to thank all the volunteers and foster carers for their commitment and help over the year and a big thank you to all of our supporters and friends of the charity for their generous and continued support.

LOST CATS BRIGHTON
TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 April 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's main object is to relieve the suffering and distress that cats experience by rescuing abandoned, unwanted, mistreated, injured and homeless cats and kittens, providing veterinary care, food, accommodation as necessary, but with the ultimate aim of rehoming healthy animals where possible. In addition, the charity aims to trap, neuter and return feral cats and to educate the public in feline welfare.

The charity has considered the Charity Commission guidance on public benefit and the trustees are satisfied that the activities of the charity provide public benefit.

Significant activities

The charity has continued over the past year to offer support, advice and information to members of the public via online and telephone enquiries and has been more busy than ever with the Lost and Found Register found on our website and Facebook pages. Our ability to support owners who have lost their cats and try to reunite them continues to be one of our biggest successes; growing year on year and with fantastic feedback regarding the service our dedicated team of volunteers provide. Our Facebook page reached 10,000 followers in December 2021, an incredible achievement and a valuable resource for sharing information about lost and found cats in the community.

During this period and coming out of lockdown there were still Covid restrictions in place and we saw the subsequent knock-on effect of so many owners unable to have their kittens microchipped or neutered due to backlogs at vets. We also experienced difficulties as a rescue charity with obtaining vet appointments due to the NHS Test and Trace causing issues with shortages of vets and vet nurses.

We rehomed 27 cats and kittens and provided foster homes for many older cats with health issues who needed love and care in their final months. We continue to support financially those owners who struggle to fund emergency veterinary care for their cats and unchipped injured strays that are taken to vets. Veterinary costs continue to be our biggest expenditure by far, representing approximately 86% of our overall annual spend in 2021/22.

Other activities

We received one legacy in the year of £10,000 and remain ever dependent on legacies to build up reserve funds whilst our expenses exceed income. Fundraising events were still cancelled or postponed due to Covid restrictions and some fundraising was achieved by online sales of second hand books and other items. We have continued to receive some regular donations from supporters; as well as one-off contributions from grateful families whose cats we have helped to reunite after they have been missing.

With the charity having struggled for some time in respect of human resources, it was agreed that an outside professional organisational review of the charity as a whole, its financial position, its governance, its wider activities and volunteers, would help move the board towards making some concrete decisions about the future. The board unanimously agreed to engage an independent charity consultant to carry this out. Trustees then undertook a period of research to identify a suitable candidate felt to be a suitable match.

Trustees and volunteers were invited to participate and were asked about their current and possible longer-term involvement of the charity, their views on the charity and their thoughts on possible next steps. Recommendations were made to begin a period of recruitment for volunteers for the Lost and Found team and foster carers in the summer of 2022 with trustee recruitment to follow in the spring of 2023 to strengthen the board.

LOST CATS BRIGHTON
TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2022

OBJECTIVES AND ACTIVITIES

Volunteers

The Trustees would like to thank all the volunteers and foster carers for their commitment and help over the year and a big thank you to all of our supporters and friends of the charity for their generous and continued support.

FINANCIAL REVIEW

Financial position

Due to the reduction in donations received and the increase in donations made, the charity realised a deficit in the financial year of £18,823 for the year (2021 £34,883).

Reserves policy

It is the policy of the charity to expend its reserves in carrying out its objects, whilst aiming to maintain an appropriate level of reserves where possible to cover any shortfalls in income.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.
