THE DAWE FAMILY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 30 JUNE 2025

Structure, governance and management

The Trust was established by a charitable trust deed on 23 April 2007.

There are 2 Founder Trustees, Mrs Joanna Dawe and Mr J Dawe, as well as a First Trustee, Mr S P Fox. The second Trustee, Mrs Jane Dawe, was appointed on 1st June 2018. The Founder Trustees retain their positions for life. First & second Trustees are appointed for a term of 3 years upon which they have to apply for re-appointment as set out in the Charitable Trust Deed.

The Trustees meet on a regular basis and at each meeting monitor the progress of the Charity's income and expenditure as well as considering requests for grants.

Risk management

The Trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established procedures to manage those risks.

Object of the charity

The Trust's objects are of aiding disadvantaged young people, between the ages of 16 and 30, in the United Kingdom.

The trust provides grants to benefit and support suitable candidates. As part of their objectives, in May 2020, the Trustees acquired two self-contained flats which are let, at a reduced rent, to disadvantaged young people with the aim of providing them with an initial stepping stone to independent living.

The trustees are in ongoing discussions to identify and acquire additional property to let out to suitable candidates.

Public benefit

The Trustees confirm that they have considered duties imposed on them by section 17(5) of the Charities Act 2011 regarding public benefit. In making grants during the year and in planning their grant making activities for the year ahead and continuing to provide assistance to disadvantaged young people in the United Kingdom and throughout the world they consider that they have complied with the Act.

Achievements and performance

The trustees have continued to provide financial support to suitable candidates throughout the year and have also provided a limited amount of assistance to other charities working to support young disadvantaged people.

Financial review

A donation of £600,000 was received in the year from Sanderson Solutions Group plc (Previous year £350,000).

During the year financial year ended 30 June 2025 the trustees approved 817 (2024 – 583) applications for assistance for disadvantaged young people at a total value of £619,804 (2024 – £486,861). Administrative costs and governance have again been kept to a minimum.

THE DAWE FAMILY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 30 JUNE 2025

In May 2020 the trustees acquired two new single bedroom flats in Bath & North East Somerset and these are leased to a Bath based housing charity for an initial 5 year period commencing on the 26 May 2020 to assist with the provision of housing. Rental income derived was £16,848 (2024 - £13,653). Associated costs were £2,949 (2024 - £4,815).

Reserves policy

It is the policy of the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between 3 and 6 month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Grant making policy

The charity welcomes grant applications from both individuals and organisations working towards the same objectives. Grant applications are considered and discussed on a rolling basis by a minimum of two Trustees.

Plans for the future

The Trustees plan to continue existing grant making policies recognising that the present economic squeeze is having a disproportionate impact on the Charity's clients.

Trustee's responsibilities in relation to the financial statements

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements giving a true and fair view, the Trustees should follow best practice and:

select suitable accounting policies and then apply them consistently;

observe the methods and principles in the Charity SORP;

make judgements and estimates which are reasonable and prudent;

state whether applicable UK accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and:

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities SORP (FRS102), Charities Act 2011, and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 29 April 2026 and signed on their behalf by:

THE DAWE FAMILY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 30 JUNE 2022

Structure, governance and management

The Trust was established by a charitable trust deed on 23 April 2007.

There are 2 Founder Trustees, Mrs Joanna Dawe and Mr J Dawe, as well as a First Trustee, Mr S P Fox. The second Trustee, Mrs Jane Dawe, was appointed on 1st June 2018. The Founder Trustees retain their positions for life. First & second Trustees are appointed for a term of 3 years upon which they have to apply for re-appointment as set out in the Charitable Trust Deed.

The Trustees meet on a regular basis and at each meeting monitor the progress of the Charity's income and expenditure as well as considering requests for grants.

Risk management

The Trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established procedures to manage those risks.

Object of the charity

The Trust's objects are of aiding disadvantaged young people, between the ages of 16 and 30, in the United Kingdom.

The trust provides grants to benefit and support suitable candidates. As part of their objectives, in May 2020, the Trustees acquired two self-contained flats which are let, at a reduced rent, to disadvantaged young people with the aim of providing them with an initial stepping stone to independent living.

The trustees are in ongoing discussions to identify and acquire additional property to let out to suitable candidates.

Public benefit

The Trustees confirm that they have considered duties imposed on them by section 17(5) of the Charities Act 2011 regarding public benefit. In making grants during the year and in planning their grant making activities for the year ahead and continuing to provide assistance to disadvantaged young people in the United Kingdom and throughout the world they consider that they have complied with the Act.

Achievements and performance

The trustees have continued to provide financial support to suitable candidates throughout the year and have also provided a limited amount of assistance to other charities working to support young disadvantaged people.

Financial review

A donation of £400,000 (2021 £nil) was received in the year from Sanderson Solutions Group plc.

During the year financial year ended 30 June 2022 the trustees approved 366 (2021 – 479) applications for assistance for disadvantaged young people at a total value of £271,417 (2021 – £328,169). Administrative costs and governance have again been kept to a minimum.

THE DAWE FAMILY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 30 JUNE 2022

In May 2020 the trustees acquired two new single bedroom flats in Bath & North East Somerset and these are leased to a Bath based housing charity for an initial 5 year period commencing on the 26 May 2020 to assist with the provision of housing. Rental income derived was £13,014 (2021 - £13,014). Associated costs were £2,906 (2021 - £3,415).

Reserves policy

It is the policy of the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between 3 and 6 month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Grant making policy

The charity welcomes grant applications from both individuals and organisations working towards the same objectives. Grant applications are considered and discussed on a rolling basis by a minimum of two Trustees.

Plans for the future

The Trustees plan to continue existing grant making policies recognising that the present economic squeeze is having a disproportionate impact on the Charity's clients.

Trustee's responsibilities in relation to the financial statements

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates which are reasonable and prudent;
- state whether applicable UK accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and:
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities SORP (FRS102), Charities Act 2011, and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 30 March 2023 and signed on their behalf by:
