ABBIE'S FUND GENERAL REPORT 2021/22

The COVID period during which the country spent a long period of time indoors meant that money raising activities and ongoing charity work were naturally limited.

However, we were fortunate to gain 3 places in the London Marathon, in October 2021, to make up for places lost in the cancellation of the Prudential Cycle Ride in the previous year.

We were lucky to find 3 excellent, keen runners and fundraisers who were joined by a fourth, who had run for us before, and having been given a 'veteran's' space, offered to do so again.

Thanks to an amazing effort by all 4 runners the bulk of the funds raised this year came from the marathon for which we can't thank them enough.

This meant we had a healthy bank balance as the year ended and we were delighted to award the Institute of Cancer Research a further grant for £40,000 to continue their work into blood tests for neuroblastoma which we are delighted to report is entering into 'live' trials on real patients on the wards.
