# SILVER STAR DIABETES TRUSTEES' REPORT

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

The trustees present their report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's declaration of trust deed dated 26 March 2007 the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

## Objectives and activities

The charity's objects are:

1. To educate and train the general public in the United Kingdom in all matters relating to diabetes and related diseases, including in particular its causes, symptoms and treatment, research into it, and the problems faced by the people who suffer from it.
2. To promote and protect the physical and mental health of persons suffering from diabetes, by providing screening facilities, equipment and services.
3. To promote research into diabetes and to publish the useful results of such research.
4. To apply the income and the capital of the charity for such other charitable purposes and such registered charities as the trustees in their absolute discretion think fit from time to time.

The trustees meet regularly to review its affairs. The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake. We have referred to the Charity Commission's General Guidance on Public Benefit in the review of our work presented in this report. The charity believes it has demonstrated that it provides a public benefit through the services it provides and the target groups which it seeks to help.

Further details can be found on the charity website at [www.silverstaruk.org](http://www.silverstaruk.org).

## Achievements and performance

In 2019 Silver Star Diabetes launched the first ever Diabetes Village Initiative in the UK in partnership with the NHS Leicester City Clinical Commission Group at the Merlyn Vaz Health & Social Care Centre, 1 Spinney Hill Road, Leicester. The Diabetes Village aims to provide complete diabetes care and support under one roof. The Village is open every Thursday between 10am-4pm. The Diabetes Village has tested hundreds of people who were deemed to be at high risk of diabetes and were invited to join a diabetes intervention programme.

In 2020 during the COVID-19 Pandemic, Silver Star Diabetes launched its first ever Diabetes Chai Chat, which has continued into 2021. These are meetings held via zoom between the general public and doctors and other health professionals. The purpose of the meetings were to have chats with other members of the Diabetes community and to share information in an informal setting. The weekly chat allowed diabetes patients, their families and practitioners from Leicester, London, Morocco, India and Bangladesh to share information on an informal basis about current issues and concerns.

To date the Diabetes Chai Chat has held over 109 sessions during the pandemic, and over 9,500 people have attended the sessions.

Diabetics amongst the Leicester community are rapidly rising. Almost 30,000 people have been diagnosed – a 33% jump in just 5 years. The rate of diagnosis of 8.9% in Leicester is also higher compared to the national average of 6.4%.

Due to the COVID-19 pandemic and the national lockdowns in 2020 and 2021, the Silver Star Mobile Diabetes Units (MDUs) were unable to make regular visits to the local public. Instead, the charity carried out innovative campaigns through various social media events to raise awareness of Diabetes.

Silver Star Diabetes is commissioned by Local Authorities such as the London Borough of Barnet, London Borough of Brent, London Borough of Enfield, the London Borough of Harrow as well as the Hinckley and Bosworth Borough Council, Nottingham City Council and Leicester City Council. The charity's MDUs are stationed at different venues for visits and has tested thousands of people.

**SILVER STAR DIABETES  
TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2021**

---

In previous years the Charity has organised the road show for NHS Diabetes Prevention Week. The charity's MDUs' would normally be positioned across the country at mosques, temples, gurudwara's and churches during the major religious festivals.

The Charity has been on a 10 year journey to try and find as many diabetics and pre-diabetics as possible in the community especially in these uncertain times during the outbreak of the Coronavirus Pandemic.

During the COVID-19 Pandemic, Silver Star Diabetes partnered with the London Borough of Brent for them to use the Mobile Diabetes Unit for the COVID-19 Vaccination Programme.

In 2021 the Charity organised 'DIABETES AWARENESS WALK,' a fun walk event from Loughborough to Leicester. This was a multi faith and cross-community fundraising event targeted towards the people of Leicester and beyond. The event was a testimony to the diverse community of Leicester and united everyone to promote greater awareness of diabetes throughout all the people of Leicestershire.

The charity has continued working in partnership with the Leicester Diabetes Centre and NHS Leicester to help progress research into Type 2 diabetes. This includes donating a treadmill. This life saving equipment can be of direct benefit to the Leicester Diabetes Centre and also to thousands of local people who are now able to be assessed in a more effective way.

The charity received donations from individuals and corporate supporters as well as raising funds from Diabetes Walk event. The charity also works in partnership with a number of Lions and Rotary Clubs around the country.

**Financial review**

The charity has maintained a progressive level of income. The trustees ensure that there are always sufficient funds in reserves to maintain their activities should there be any decline in donations.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The charity is to continue providing free diabetic testing and information about diabetes across the United Kingdom with visits from the MDUs'. As a result of the Coronavirus (COVID-19) and the government enforced lockdown, the MDU visits had to be put on hold. During this period, the charity started online zoom group sessions where they could give advice to patients who were unable to leave their homes. These sessions are to continue for the foreseeable future even with MDU visits resuming post lockdown. On top of this, the charity helps out at the Diabetics Village in Leicester.

The restricted funds relate to a grant of £122,131 received in the year to 31 December 2014 and further to a letter of variation received during the year ended 31 December 2016 is to be used for the following purposes:

- To acquire and outfit a new mobile diabetes unit (MDU),
- to provide one year's maintenance and running costs of the MDU,
- to provide one year's worth of diabetes testing equipment for use in the MDU,
- to provide one year's staffing cost for the MDU, consisting of a specialist diabetes nurse and a healthcare assistant,
- to cover the costs of publicity leaflets, posters, forms and factsheets,
- support a diabetes centre in Morocco.

The charity has restricted funds brought forward of £70,308 and carried forward of £70,308 as detailed in note 14.

**SILVER STAR DIABETES  
TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**Structure, governance and management**

Silver Star Diabetes was constituted by a trust deed dated 26 March 2007. The charity was registered on 21 May 2007.

The trustees who served during the year were:

Ms R E Carter MBE

Dr D McConnell

Trustees must be appointed by a resolution of the trustees. As per the trust deed there must be no less than two or more than five trustees at any one time.

**Statement of trustees' responsibilities**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Financial statements and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' report was approved by the Board of Trustees.

**SILVER STAR DIABETES  
INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF SILVER STAR DIABETES**

---

I report to the trustees on my examination of the financial statements of Silver Star Diabetes ('the charity') for the year ended 31 December 2021, which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

**Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

**SILVER STAR DIABETES**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**1 Accounting policies**

**1.1 Accounting convention**

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015. The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

**1.2 Going concern**

The ongoing impact of the Coronavirus (COVID-19) globally has created uncertainty for businesses and charities all around the world. One of the main activities of the charity is to travel across the country via the Silver Star Mobile Diabetes Units (MDU's) to attend events and conduct diabetic tests to members of the public, all of which had to be put on hold due to the various restrictions imposed due to the COVID-19 pandemic. However, at the time of approving the financial statements, the use of MDU's has returned almost back to normality due to the fall in COVID-19 cases as well as mass immunisation of the general public. With this in mind, the trustees have a reasonable expectation that the charity has adequate resources to continue operational existence, as well as receiving continued donations from well wishers. Thus the trustees' continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purpose and use of the restricted funds are set out in the notes to the financial statements.

**1.4 Incoming resources**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Donated goods, services or facilities are included in incoming resources when the benefit to the charity is reasonably quantifiable and measurable. They are valued by the trustees at the amount the charity would have been willing to pay for the goods, services or facilities on the open market value. The charity does not recognise the volunteer time in accordance with Statement of Recommended Practice for charities applying FRS 102.

**SILVER STAR DIABETES**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**1 Accounting policies**

(Continued)

**1.5 Resources expended**

Expenditure on charitable activities includes the costs of activities undertaken to further the objects of the charity and their directly associated costs.

Support costs are those costs which have not been directly allocated to an activity of the charity but nevertheless support those activities.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	25% per annum on a straight line basis
Motor vehicles	25% per annum on a straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

**1.7 Investment property**

The property is held to earn rentals and/or for capital appreciation. It is measured using the fair value model and stated at its fair value as the reporting end date. The surplus or deficit on revaluation is recognised in net income/(expenditure) for the year.

**1.8 Impairment of fixed assets**

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

**1.9 Cash and cash equivalents**

Cash and cash equivalents include cash at bank.

**SILVER STAR DIABETES**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**1 Accounting policies**

(Continued)

**1.10 Taxation**

The charity is recognised by HM Revenue & Customs and therefore benefits from certain exemptions from taxation on income and gains, to the extent that they are applied for charitable purposes.

No tax charges have arisen in the charity.

**1.11 Employee benefits**

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

**1.12 Retirement benefits**

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

**2 Critical accounting estimates and judgements**

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant.

**3 Investments**

	<u>73,716</u>	<u>14,823</u>	<u>3,500</u>	<u>92,039</u>	<u>65,592</u>

In 2021 expenditure on MDU's costs and direct charitable activities was £22,692 (2020: £2,332) of which expenditure from restricted funds was £Nil (2020: £Nil).

During visits made by the MDUs' (Mobile Diabetes Unit's) to various events across the country, qualified nurses have provided their services to help conduct diabetic testing. These nurses have been reimbursed for the expenses they have incurred but not received any additional payment. The charity does not recognise volunteer time.

The charity received accountancy services worth £3,500 (2020: £3,500) at no charge. The value of these services is recognised within incoming resources as a donation, and an equivalent charge included with accountancy services.

**6 Trustees**

None of the trustees (or any persons connected with them) received any remuneration or benefits from the charity during the year. No expenses were reimbursed to trustees.
