DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 5 APRIL 2024

The Directors and Trustees (whose details are shown in the reference and administrative information section of this report) are pleased to present their Annual Report together with the Financial Statements of the Charitable Company for the financial year ended 5 April 2024.

The Financial Statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Charity is a Public Benefit Entity as defined by FRS 102.

Objects and Activities:

The Objects of the Charitable Company are for the benefit of the public as set out in the Memorandum and Articles of Association:

- a) To advance the Christian Faith in accordance with the statement in such ways and in such parts of the United Kingdom or the world as the directors from time to time may think fit;
- b) To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind including through the provision of counselling and support in such parts of the United Kingdom or the world as the directors from time to time think fit;
- c) To advance education in such ways and in such parts of the United Kingdom or the world as the directors from time to time think fit.

Summary of the main activities in relation to these objectives:

QChurch open meetings for all ages for the purpose of exploring/reflecting upon Christian faith.

QKids activities for 5-11-year-olds.

Open for all ages 'Walk and Talk' events to provide companionship, support and care.

QGardening support for the more elderly in our wider community who are not easily able to manage this themselves.

QProduction events designed to offer great experiences to the wider York community.

The Directors/Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Directors/Trustees consider how planned activities will contribute to the aims and objectives they have set.

Achievements and Performance:

The charity continues to operate based on volunteer contributions at all levels, which is a credit to the community's commitment to thrive in new ways. Our one remaining staff member left his post in June 2024 but continues to help lead on a voluntary basis. His decision has helped release finance, as has the sale of one of the assets to support crucial fixes to the roof, a significant cost due to the status as a listed building, but we shall recoup some of the cost over time when we return to building hires.

The updated directors' group, as mentioned in last year's report, remain actively involved in the decision making and day to day running of the charity, as do the additional 3 leaders who make up the whole team. Roles and responsibilities continue to be shared in a collaborative way. We remain supported by a regular guest speaker who is affiliated with the Church of England and additional speakers now make contributions also via our continued Sunday morning gatherings and our new community lectures.

Up until July 2024, we continued to present conversation each week centred around principles of Christian faith, with a maintained inclusive approach to wherever people find themselves on their spiritual journey: we remain committed to allowing any question and encouraging individual and collective growth.

DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 5 APRIL 2024 (CONTINUED)

Achievements and Performance (continued):

Last year we reported that we had introduced some variation in how we deliver our content in opting for a more 'round table' approach some weeks, inviting open questions and discussions more informally. We do this most weeks, initially due to the challenges with the damaged roof, then by design as we have found that it lends itself to rich dialogue. We continue to make the core content available free of charge via our website and other media outlets, enabling us to reach a wider audience with our message.

Our weekly children's ministry continues. Its aims, reported last year, remain the same: to create an environment and plan activities in which children are building the skills of being conscious of their feelings, being confident enough to be honest and being curious about life, truth and how we can live well together. We have also continued our gardening group, 'Walk and Talk' and other community events. As reported last year, these are designed to build open, safe relationships so those attending experience a sense of belonging, love and acceptance. We continue to offer other aspects of pastoral care too as needs arise, financial and practical in other ways.

The charity has opened a café bar in the rear of our building, which is helping with income generation as well as rental income from one of our properties.

Financial Review:

The financial activities of the Charitable Company cover the year ended 5 April 2024.

Investment and reserves policies:

The exercising of faith in the area of provision is an inherent part of our belief. The necessity to uphold this belief has an impact on our reserves policy. We do not believe in retaining excessive funds as a safeguard to unrealised adverse financial circumstances. Also, as a body with no external funding the people belonging to the charity understand the process of faith and faithfulness in giving. Having said that, the Directors/Trustees have acted responsibly over the years building a considerable amount of equity in the properties owned by the charity consisting of the church building itself, a large house (previously used as an office) and one smaller but valuable house adjacent to the church building. Some or all the equity in these properties could be realised if a need arose. Funds which are not needed for immediate use are placed in an investment account with easy access to be drawn on as and when required.

Details of any funds materially in deficit: No funds were in deficit at the year end.

Principal sources of funds: The principal source of finance remains the voluntary giving of the people through "tithes & offerings" - £51,534 (2023 - £86,164).

Other income sources:

Children & Youth - £Nil (2023 - £30)

Other trading activities - £31,336 (2023 - £9,831)

We are constantly exploring ways by which added ministries will be either totally or partially supported by their own income.

How expenditure supports key activities of the charity: The three main areas supported by the expenditure are:

Staff - £30,651 (2023 - £39,627).

Buildings & Equipment - £70,366 (2023 - £57,643).

Mission and Charity Grants - £4,127 (2023 - £10,213).

Financial Review (continued):

A more detailed breakdown of the expenditure on charitable activities is shown in notes 7 and 8 to the financial statements on page 14.

The charity's outturn for the year was a deficit of £53,153 (2023 – deficit £36,533), which when deducted from reserves brought forward, gave rise to unrestricted funds to carry forward at the year end of £989,164 (2023 - £1,042,317), of which £714,573 relates to the revaluation reserve and designated funds.

Plans for future periods

We will enter 2025 with continued rental agreements in place and good relationships in place with those who make repeated use of our facilities for a fee, which will continue to secure us financially in the short to medium term. The addition of the chargeable coffee shop helps us provide a social space for the wider community to make use of every week and within all our meetings where possible. Financially, the cafe covers its costs and is currently staffed purely by volunteers.

Under the umbrella of the Q York charity, we launched The Forum at Q and this will continue to offer a safe space for open conversation, social interaction, community engagement and spiritual awareness. Already we have seen an increase in our attendees under this format. We will continue to offer in person free services on a regular basis and aim to introduce a free online podcast under the Forum to help reach a wider audience and anyone who is unable to attend in person, thus building an online community alongside our current social media platforms and online substack blog. We will offer midweek community lectures providing educational content around mental well being, culturally relevant issues and self empowerment.

The charity will continue to host social community activities such as regular walk and talks, social meet ups and regular reflections/mindfulness evenings all offering opportunities to improve physical and mental health, reduce social isolation. We will continue to partner with other charitable agencies in the city to widen the access to this provision.

We will continue to work closely together in a collaborative, volunteer-led approach.

1. accounting records were not kept in respect of the Charitable Company as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

b) Going Concern

The Charitable Company depends on its existing bank facilities to meet its day to day working capital requirements. Current forecasts indicate that the Charitable Company expects to be able to operate within these facilities for the foreseeable future. These facilities are renewed annually and are not guaranteed for the period covered by the going concern review. The Charitable Company has a reasonable expectation that the church has adequate resources to continue in operational existence for the foreseeable future. They continue to believe the going concern basis of accounting is appropriate in preparing the financial statements.

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed. Gifts in kind for use by the charitable company are included in the SOFA as incoming resources when receivable.

Donated Services and Facilities
