THE SYDER FOUNDATION

REPORT OF THE TRUSTEES

For The Year Ended 30 September 2024

The Trustees present their report with the financial statements of the Charity for the year ended 30 September 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the Charity is to advance, promote or carry out any lawful Charitable Purpose as the Trustees in their absolute discretion from time to time think fit.

Public benefit

The focus of the Charity is to provide funding to suitable causes, determined by the Trustees, which provide benefit to the general public. The Trustees have had due regard to the Charity Commissions' guidance on public benefit.

Grantmaking

The Trustees identify charities or projects which align with the objectives of the Charity. Suitable grant applications received are researched and, if appropriate, due diligence undertaken. Grant offers will be made when the Trustees are satisfied that the cause is viable and capable of being properly managed.

Grants are awarded primarily to charities within the UK. In the event that grants are awarded to charities established outside the UK, the Trustees will conduct an assessment following the guidance principles provided by the Charity Commission to ensure that:

- the activities carried out are in furtherance of the Charity's purposes
- reasonable steps are taken to monitor the use of funds for proper charitable purposes.

Although there are no upper or lower limits to the size of grants made, the number of projects and charities that can be supported is limited by the amount of funds designated by the Trustees for distribution each year. The Charity seeks to distribute approximately 80% of the funds designated for distribution each year to ten or fewer recipients as 'large grants', with the balance made available as a larger number of 'small grants'.

ACHIEVEMENT AND PERFORMANCE

The Charity, over the past six years, has provided grants of £2,740,000 that have helped allow recipient charities to fund their respective objectives and undertake various capital projects.

The Trustees consider the performance of the Charity's investments to be in line with the longer term investment objectives.

FINANCIAL REVIEW

Investment policy and objectives

The Charity seeks to invest in investment assets which are primarily equities, combined with cash deposits and bonds.

In general, each class of investment asset should produce income and should be at the lower end of the risk spectrum.

The majority of the Charity's investments are managed by Evelyn Partners.

The current investment objective is to generate a total return of 3% over inflation per annum, over the medium term after investment management expenses. This should allow the Charity to maintain the real value of its net assets, whilst funding annual charitable grants in the region of 3% per annum.

THE SYDER FOUNDATION

REPORT OF THE TRUSTEES For The Year Ended 30 September 2024

FINANCIAL REVIEW

Reserves policy

The Charity is governed by a Trust Deed dated 16 March 2007, amended on 10 July 2019.

The Charity's total unrestricted reserves amount to £19,000,447 (2023: £16,991,555).

The funds held are held for the general purposes of the Charity, there are no restricted or permanent endowment funds.

The Trustees wish to be able to maintain a level of general reserves over the next few years in order to generate annual income of between £300,000 and £500,000.

Should the level of grants made in a single year exceed the level of investment income received, the Trustees may elect to reduce reserves as they see fit.

The Trustees believe that the existing level of reserves is sufficient for the Charity's current purposes and are reviewed on an annual basis.

FUTURE PLANS

The Trustees will continue to ensure that the Charity has sufficient resources to meet its aims and objectives in the future.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, a Deed of Trust, and constitutes an unincorporated Charity.

Recruitment and appointment of new Trustees

Appointment of Trustees is governed by the Constitution of the Charity. The Trustees are responsible for overseeing the affairs of the organisation.

Organisational structure

The Charity was registered on 24 May 2007 and is administered by the Trustees who were the original donors responsible for its establishment. All decisions are made by the Trustees.

Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Trustees, who are experienced in investment management, review the investment holdings on a regular basis, identify and monitor relevant risks and manage these risks accordingly.

AUDITORS

A resolution proposing that Banks & Co Limited be re appointed as auditors of the charity will be put to the Annual General Meeting.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 6 June 2025 and signed on its behalf by:

T D J Syder - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE SYDER FOUNDATION

Opinion

We have audited the financial statements of The Syder Foundation (the 'charity') for the year ended 30 September 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE SYDER FOUNDATION

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

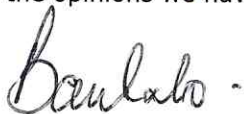

- Enquiry of management and those charged with governance around actual and potential litigation claims
- Enquiry of staff in compliance functions to identify any instances of non-compliance with laws and regulations
- Reviewing financial statements' disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
For The Year Ended 30 September 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The Charity has determined that there are no post balance sheet events and accordingly, the financial position as at, and results of the activities for, the year ended 30 September 2024 have not been adjusted to reflect their impact.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Investments

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.
