The charity is constituted as a company limited by guarantee and as such, its governing documents are its Memorandum and Articles of Association. The trustees administer the day-to-day affairs of the charity. None of the trustees have any beneficial interest in the charity. Should the situation change in the future, the trustees will apply suitable recruitment training and induction procedures.

Objectives and activities

The charity's objects are the advancement of religion according to the tenets of the Jewish faith, the advancement of education, the relief of poverty, sickness and infirmity and the advancement of such other objects as are charitable according to English law. Each year the trustees review their objectives and activities to ensure that they continue to reflect the trustees' aims. In carrying out their review, the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary guidance, with focused regard towards the advancement of the Orthodox Jewish Faith and all its facets for the public benefit.

Public Benefit

The governors have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. In particular the provisions of funds for communal charitable institutions automatically gives rise to a public benefit. Each year the governors review the objectives and activities of the charity to ensure that they continue to reflect these aims. In carrying out this review the governors have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Grant making policy

Grants are made to charitable institutions, organisations and authorised individuals which accord with the objects of the charity.

Achievements and performance

Financial review

Reserves policy

At the year end date, the unrestricted funds are as shown on the face of the attached Balance Sheet. It is the policy of the charity to maintain sufficient unrestricted funds, which are the free reserves of the charity, at a level which the trustees believe to be appropriate after taking into consideration both the future commitments of the charity and future plans.

Funding

The charity does not take part in external funding activities.

Investment powers, policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to make any investment, which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

Plans for future periods

The trustees plan to continue to make distributions in accordance with their grant making policy.

Independent Examiner's Report to the Trustees of Loson Limited
Year ended 31 May 2022

I report to the trustees on my examination of the financial statements of Loson Limited ('the charity') for the year ended 31 May 2022.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
