Report of the Trustees for the Year Ended 31 March 2025

This report is the Trustees' Annual Report (Including Directors' Report and Strategic Report)

The trustees who are also directors of the charity for the purpose of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charities objects and principal activities are:

To promote, improve, develop, encourage and maintain public education in appreciation of the art and science of music in all its aspects by the presentation of public concerts, recitals and workshops in the county of Nottinghamshire.

Music is central to our experience of the world around us, it is a primary source of the way we experience, understand and interpret the world around us, unite us and enrich us.

musicworks exists to promote all forms of music in Nottingham by encouraging local musicians and providing a proper showcase for their talent, recognising their abilities and supporting them to reach a wider audience by encouraging and recognising their work.

Public Benefit

The trustees confirm that they have referred to the guidance on public benefit contained in the Charity Commissions general guidance on public benefit when reviewing musicworks midlands aims and objectives and in planning future activities for the year.

musicworks is providing networking opportunities for those who want to perform, with those who are interested in music and want to see it flourish locally. We are commissioning new music and showcasing local artists. We have undertaken national premiers, a three week musical festival, small and large shows in large and small venues. We are currently involved in working to promote music therapy for people with dementia and who are at the end of their lives.

musicworks has now achieved registered charity status and is devoted to education, appreciation, understanding and enrichment of our life experience.

Volunteers

There have been 5 volunteers working with the charity during this year.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Activities have centred around the following three core activities:-

ACHIEVEMENTS AND PERFORMANCE

Heron Music Café for Well Being

This year has seen some major changes for the Heron Music Café. After a great deal of work we were successful in receiving a National Lottery Community Grant for five years funding that not only secures the future of the café but allows us to extend the services we offer.

The grant totalling £81,172 has enabled the service to run weekly, support co-production with members of the café and the local community, train musicians, volunteers and coordinator's, run online sessions, pay for administration costs, support publicity, printing and marketing costs.

The Co-Production opportunity afforded by the grant enabled an intergenerational project which included members of the café with children from the local primary school and the local preschool. The three groups learnt a specially composed song "Just Be You" which emphasized the importance of well being and nurturing oneself and others. The recording is a local community single which has been posted on our Tunecore account so that is accessible on all major streaming platforms. There is also a video which is being used to advertise the benefits of being part of a vibrant, supportive local community.

We café continues to welcome people with learning and physical disabilities, mental health issues (including dementia, anxiety and depression and PTSD), carers, those who are socially isolated and lonely. We also have regular visits from care and nursing homes and the local pre-school who bring fifteen under fours once every half term. The café is supported by the trustees and volunteers who give their time on a voluntary basis to help run the sessions. We now have ten volunteers on a regular basis who not only assist at the café but support help to represent the charity at local community events, artistic projects and dementia forums.

The National Lottery recognised the importance of the Heron Music Café for Well Being as a true community resource. They were keen to see our approach being available in other communities who are interested in setting up a café in their area. We have a number of community groups wanting to adopt our template for creating and sustaining a music café for well being in their area.

Artistic Projects

Another major development in 2024 / 25 has been a collaboration with "Open Doors" an Arts Council Funded group based in Newark, Nottinghamshire who asked us to work with them to create a series of community music projects in the old mining communities of Nottinghamshire. The funding of £22,750 supported the following initiatives:-

- Willow Project & Songs - working with a local willow artist, Gerry Rennie, we ran willow workshops in the Newark and Sherwood Day Service for adults with disabilities and dementia. Whilst the group made their willow wands and stars our Café Co-Ordinator, Owen Jones and Musicworks Chair, John Osborne, talked with people about their life stories and the music they liked. The workshops were very well received and the life stories that were taken were turned into a series of 5 special composed songs by Owen about the participants and their lives in the local mining communities. The song have been mastered and added to our Tunecore account where they are available on all the main streaming platforms. We launched the songs at a special celebration event at the day service.
- Willow Café, the songs that were collected at the day service were placed on labels together with a QR code, they were then installed in a series of four "gentle jukeboxes" that are made of willow. The jukeboxes were then placed in various locations at the Vicar Water Country Park in Clipstone. The public were then invited to visit the jukeboxes, select a wand and have the song played to them by one of two musicians. One musician acted as a wandering minstrel who moved between the jukeboxes whilst the other remained at the main entry area to the park. The day was a great success with over 200 people participating.
- Musicwalks with Musicworks - this project placed 6 musicians within the forest area of the Vicar Water Country Park. The public were invited to take a tour between the musicians assisted by specially trained "Sound Guides" who encouraged people to listen differently to the soundscape they live within. The gentle stroll in nature was designed to enhance awareness and well being. The musicians introduced themselves and their instruments and gave examples of the range and styles they were capable of, they then played a piece that illustrated these qualities. The event was very successful with many families taking part, some described the experience as "magical".

ACHIEVEMENTS AND PERFORMANCE

- Heron Music Café at Rumbles Café - this took place within a specialist catering project for people with learning disabilities and mental health issues. Over 8 sessions the public were invited to come and sing along in sessions led by one of our Music in Care Practitioners.

- "Just Be You" - we took the song into the Orchard Special School in Newark where the children learnt the song and created a single and video, the project was greatly enjoyed by both pupils, staff and parents.

- "Sing with Santa" in a special Christmas project we sent musicians into a special Christmas breakfast event to play songs to the diners. It was a truly interactive event that, despite stormy weather was greatly enjoyed by everyone.

The success of the projects with Open Doors has led to them commissioning us to work with them for a further 12 months.

In February 2025 we were successful in attracting a grant from the National Forest to run the "Musicwalks with Musicworks" event within the forest in the summer of 2025 working in collaboration with Charnwood Arts.

Fundraising Activities

This year fundraising activities have included:-

- Participants of the Heron Music Café continue to prove themselves to be excellent fundraisers. This year they have raised over £2,014 to support the café.

- We also received a donation of £250 from Councillor Penny Gowland of Nottinghamshire County Council to support the purchase of equipment for us during the café and community fundraising events.

- We continue to receive donations from Easyfundraising for online shopping donations by our supporters, and regular amounts from the Just Giving Lottery and text donations via TeamDonr.

GOING CONCERN

12. We also confirm our plans for future action required to enable the charity to continue as a going concern are feasible. We have considered a period of twelve months from the date of approval of the financial statements. We believe that no further disclosures relating to the charity's ability to continue as a going concern need to be made in the financial statements..

Yours faithfully
