### **Financial Statements for the year ended 31 March 2022**

#### **Introduction**

The Trustees of The FredMill Trust (the "Trust") are pleased to present their report together with the financial statements for the year ended 31 March 2022.

#### **The Trust and its objects**

The Trust is a registered charity, number 1119718, and was established under a trust deed, dated 9 June 2007, by the late Miss Margaret E Holt in memory of her parents, Fred and Millicent Holt.

The objects of the Trust are the prevention or relief of poverty and the relief of those in need by reason of youth, age, financial hardship or other disadvantage.

The Trustees are mindful of the public benefit requirement for the Trust and have regard to the public benefit guidance of the Charity Commission. The Trustees receive reports from the organisations to which grants have been made setting out the charitable works of those organisations and are satisfied that the public benefit requirement has been met. The Trustees plan to make a more extended statement of public benefits in future annual reports.

#### **The Trustees**

The Trust Deed of the Trust requires that there shall be at least two Trustees and the first Trustees were Miss Holt and Mrs Lesley Middleton. Apart from Miss Holt, Trustees serve for an initial term of five years but may be reappointed for further terms.

Miss Holt passed away on 24 November 2020 and she ceased to be a Trustee on that date. Under her will, Miss Holt has bequeathed the residuary of her estate to the Trust on condition that there is a representative of her family on the board of Trustees, with Mr Charles Coase named as her preferred nominee. In accordance with her wishes, Mr Charles Coase and his brother Mr Richard Coase were appointed as Trustees on 25 September 2021.

New trustees are provided with a copy of the governing Trust Deed, a copy of the latest annual report and accounts and have access to the Charity Commission's guidance "The Essential Trustee: What You Need to Know".

All Trustees give of their time freely and no trustee receives remuneration for their services as a trustee. Details of related party transactions are disclosed in Note 13 to the accounts.

**Financial statements and developments**

The financial statements included in this annual report have been prepared in accordance with the basis of preparation set out in Note 2 to the accounts and with the accounting policies set out in Note 4 to the accounts.

There financial statements have been examined by the Trust's independent examiner, Slade & Cooper Ltd, and their report is provided on page 7.

As set out in the Statement of Financial Activities on page 8 and the Balance Sheet on page 9, the Trust realised a surplus on its activities for the financial year ended 31 March 2022 of £48,403 and had net funds at that date of £318,634.

The Trustees consider that the financial position of the Trust at the end of the financial year was satisfactory.

**Investment matters**

During the period until her death, Miss Holt, a former stockbroker, determined the investment holdings of the Trust, with substantially all investments held by and any trades executed by the Trust's stockbroker, Redmayne Bentley LLP.

Over the course of the first quarter of 2022, the Trustees conducted a review of the investment strategy and concluded, having regard to their skills and experience, that the Trust's investment funds should be managed on a delegated, fully discretionary basis by an independent professional investment manager. Following a tender process, CCLA Investment Management Limited ("CCLA") has been appointed as the Trust's investment manager.

During April 2022, the Trustees sold all the investments held by the Trust as at 31 March 2022 and, in May 2022, transferred £200,000 to CCLA for investment in their Ethical Investment Fund.

Subsequent to the year-end, the Trust received legacies of £500,000 in June 2022 and £200,000 in August 2022 from the estate of Miss Holt and these funds have also been transferred to CCLA for investment in the Ethical Investment Fund.

**Statement of Trustees' responsibilities in respect of the financial statements**

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Trust's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and Statements of Recommended Practice ("SORPs") have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Contact for further information**

Requests for additional information about the Trust should be addressed to the Trustees, for whom contact details are provided on page 3.

**Report of the Independent Examiner**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022 which are set out on pages 8 to 18.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 10 to 18 form part of these financial statements.

**The FredMill Trust**  
**Financial Statements for the year ended 31 March 2022**

**1. Identification of the financial statements**

These are the financial statements of The FredMill Trust, established as a trust under English law and registered as a charity, number 1119718. The address for enquiries to the Trustees is included in the Trustees' Report on page 3.

**2. Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019 (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The Trust has applied the exemption available to small charities in the Charities SORP (FRS 102) and does not include a Statement of Cash Flows in these Financial Statements.

The accounts (financial statements) have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019, rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Trust has a single unrestricted fund. The Trustees must apply the income of the Trust in furthering its objects and, at their discretion, may apply all or part of the capital of the Trust in furthering the objects.

**The FredMill Trust**  
**Financial Statements for the year ended 31 March 2022**

**3. Preparation of the accounts on a going concern basis**

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

There were no key judgments which the Trustees have made which have a significant effect on the accounts.

The Trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

**4. Accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

**(a) Incoming resources**

All incoming resources are recognised once the Trust has entitlement to the resources, it is certain that the resources will be received and the monetary value of the incoming resources can be measured with sufficient reliability.

For legacies, entitlement is taken as the earlier of the date on which either the Trust is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Trust has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Trust, or the Trust is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

**The FredMill Trust**  
**Financial Statements for the year ended 31 March 2022**

**(b) Resources expended**

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Trust to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trustees.

**(c) Irrecoverable VAT**

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**(d) Costs of generating funds**

The costs of generating funds consist of investment management fees.

**(e) Charitable activities**

Costs of charitable activities include grants made and administration costs.

**(f) Investment income**

Dividend income is accounted for when the relevant security is quoted ex-dividend. Interest on interest-bearing securities is accrued on a daily basis and recognised in income when received. Investment income arising from the underlying investments of pooled funds which is reinvested with the fund is recognised within the "change in market value" for the fund.

**(g) Investment gains and losses**

The change in market value of investments during the year comprises all increases and decreases in the market value of investments held at any time during the year, including gains and losses realised on sales or redemptions of investments and unrealised changes in market value.

**The FredMill Trust**  
**Financial Statements for the year ended 31 March 2022**

**(h) Valuation of investments**

Investments are included in the financial statements at market value. Listed investments are stated at the bid price at the balance sheet date. The value of interest-bearing securities includes accrued income, which is recognised in change in market value unless received.

**(i) Debtors**

Other debtors are recognised at the settlement amount due after any trade discount offered.

**(j) Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**(k) Creditors and provisions**

Creditors and provisions are recognised where the Trust has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**(l) Presentation currency**

The financial statements are presented in Pounds Sterling, being the functional currency of the Trust.
