Properties

Name	Address	Notes
Bulwer Road	77a Bulwer Road Leyton E11 1DD	Freehold (see note 1)
The Boat House	The Boathouse, Charter Road IG8 9RE	Lease City of London (see note 2)
Danemead Camp Site	Cock Lane, Broxbourne Common, Broxbourne Hertfordshire EN1 8GG	25% share (£2,500)
Michael Mallinson Scout Centre	The Charter Road, IG8 9RE	Lease Waltham Forest (see note 3)
Wingrove Hall	Beech Hall Road, London E4 9NT	Lease Waltham Forest

Note 1 – Bulwer Road

In June 2018 the former district of Waltham Forest South District Scouts had the land and premises at Bulwer Road valued by Mason Archer - Chartered Surveyors. In their opinion the market value of the freehold interest in the property was £770,000. During the course of this exercise, it has been established that the former district could not prove legal ownership of the property. As a result, trustees are now working to establish legal ownership. Amelia Haye, Partner of Jefferies Essex LLP in Southend on Sea, Essex is providing pro-bono support to this process which is still on-going. As a consequence, the above valuation, of the asset itself, has not been reflected in the accounts under review and will be once legal title is established.

Note 2 – The Boat House

The Boat House is currently on a Tenancy at Will from the City of London. The trustees have decided that the new rent required by the City of London is too high and we are therefore in the process of handing this property back to the City.

Note 3 – Michael Mallinson Scout Centre

Trustees have agreed that this property should be handed back to Waltham Forest Council so that it can be passed to the Highams Park Planning Group who are planning to fundraise for a purpose built community building on the site which Scouts and others would be able to use.

STRUCTURE, GOVERNANCE & MANAGEMENT

General

Waltham Forest District Scout Council is a registered charity under the umbrella of The Scouts. It operates within the rules laid down in the Policy, Organisation and Rules of The Scouts.

The District's governing documents are those of The Scouts. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules document.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scouts.

Management

The District is managed by the District Executive Committee (Board of Trustees), the members of which are the 'Charity Trustees' of the Scout District which is an educational charity. As Charity Trustees they are responsible for complying with legislation applicable to charities. This includes registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of three independent representatives being the Chair, Secretary and Treasurer together with Elected, Nominated, Coopted and Ex-Officio members. Meetings are normally bi-monthly

Members of the Executive Committee complete 'Essential Information for Executive Committee', GDPR, Safety and Safeguarding training within the first five months of joining the committee.

Responsibilities

This District Executive Committee (Board of Trustees) exists to support the District's Leaders in meeting their responsibilities and are responsible for:

- The maintenance of District property;
- The raising of funds and the administration of District finance;
- The insurance of persons, property and equipment;
- District public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing District Administrators and Advisors other than those who are elected.

RISK & INTERNAL CONTROL

General

The District has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include two signatories for all payments and a comprehensive insurance policy to ensure that insurable risks are covered. The District Executive Committee has identified the major risks to which they believe the District is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Building & equipment risk

Damage to buildings, property and equipment. The District would request the use of buildings, property and equipment from neighboring organisations such as the church, community centre's and other Scout Districts. Similar reciprocal arrangements exist with these organisations. The District has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injuries to members

Injury to leaders, helpers, supporters and members. The District, through membership fees contributes to The Scouts national accident insurance policy. Risk Assessments are undertaken before all activities. The District has insurance for non-member adults helping with District activities.

Reduced income

Reduced income from fund raising. The District is primarily reliant upon income from subscriptions and fundraising. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the District on an ongoing basis or a temporary basis.

Reduction in leaders & adult volunteers

Reduction or loss of leaders. The District is totally reliant upon volunteers to run and administer the activities of the District. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the District as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst-case scenario, the complete closure of the District. Recruitment and retention are closely monitored in the District and the Team put in place appropriate support if numbers are low.

Reduction in youth members

Reduction or loss of members. The District provides activities for young people aged 6 to 18 and young adults aged 18-25. If there was a reduction in membership in a particular section or the District as whole then there would have to be a contraction, consolidation or closure of a section. In the worst-case scenario, the complete closure of the District. Recruitment and retention are closely monitored in the District and the Team put in place appropriate support if numbers are low. We know Covid-19 has had an impact on our numbers and we have supported the re-opening of face-to-face activities in groups and sections. We also know that

our Explorer age member numbers are low and are planning to try and rectify this now Covid restrictions are lifted.

OBJECTIVES

Our mission

Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

Values

As Scouts we are guided by these values:

Care: We support others and take care of the world in which we live.

Respect: We have self-respect and respect for others.

Integrity: We act with integrity; we are honest, trustworthy and loyal.

Cooperation: We make a positive difference; we cooperate with others and make friends.

Belief: We explore our faiths, beliefs and attitudes.

Why is Scouting needed today?

We are equipped to meet the needs of young people and society...

- ...across divided communities Scouts brings people together. We offer shared experiences and a place to meet those of different backgrounds, promoting mutual understanding and building friendships.
- ...in a time of uncertainty Scouts helps young people develop the values, self-belief and belief in others that will help them become confident, active citizens. We offer a place to belong, skills to succeed and are optimistic about the future.
- ...when there is a lack of community engagement Scouts gives young people opportunities to improve the lives of those around them, taking positive social action in their local, national and international communities.
- ...in an age of increased competition Scouts develops skills for life; the character, practical and employability skills that young people will carry with them into adulthood, helping them to succeed.
-

Our vision for 2023/24

As part of a national movement, we will have prepared more young people with skills for life, supported by amazing leaders who deliver an inspiring program.

Our objectives

We want to...

- ...grow. We believe Scouts changes lives so we want to give every young person in Waltham Forest the opportunity to join.
- ...become more inclusive. Everyone, regardless of their background, should be able to participate in Scouts.
- ...be more youth shaped. Every young person should be shaping their experience and developing their leadership potential.
- ...impact our communities. Through social action, Scouts makes a difference not just to the individual but to whole communities.

Within our District we aim to:

- Ensure we are a resilient charity, responding to our external environment
- Network with a range of stakeholders to the benefit of young people
- Provide District support to adult Scout volunteers in Waltham Forest
- Provide District activities for young people to complement the activities provided by Groups and Units
- Maintain and develop our buildings to support activities for young people in our Borough
- Increase and diversify our restricted and unrestricted income so we continue to meet the needs of young people

DISTRICT COMMISSIONERS ANNUAL REPORT

2022/23 has been a year of returning to normal after COVID19. The number of young people in Scouts has returned to pre-covid levels and this is down to the hard work and commitment of all the leaders across our District.

In January we ran our third 'Let's Go' event which was well attended. Currently we are working towards our District Camp in June at Gilwell Park. This will be the first time since the formation of the merged district in 2019 that we have run an event that everyone can attend at the same time.

I reported last year that we were continuing to work on resolving the leases at The Boathouse and The Michael Mallinson Centre. This has proved to be a very slow process and is still ongoing. Hopefully we can resolve things this year.

Mandatory training is always a thorny subject but our compliance levels remain good and I would like to thank everyone for getting their training done quickly when the time comes around to do them again.

Our County Commissioner, Lee Clark, finished his term this year and I would like to thank him for his support since I started in this role.

Our Chair, Debbie Ladds, has decided the time has come to move away and I will miss her help and support. Thank you Debbie and good luck in your new home.

As always I thank the District trustees, the District Team and those in other support roles, for their help and support. My role would be much harder without you.

Paul Symons
District Commissioner

PUBLIC BENEFITS STATEMENT

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

FINANCIAL REVIEW

Reserves Policy

The District's policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short. The District Executive Committee considers that the District should hold a sum equivalent to 6 months running costs in reserves.

The District held reserves of £xxxxxx at the balance sheet date. This is above the level required for operating expenses.

Investment Policy

The District does not have sufficient funds to invest in longer term investments. The District has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks.

Treasurers Report

The accounts below are for the period 1 April 2022 to 31 March 2023.

1: Accounting Policies

Basis of preparing the financial statements –

The financial statement of the charity, which is a public benefit entity under FRS 102, has been prepared in accordance with the Charity SORP (FRS 102) 'Accounting & Reporting by Charities Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK & Republic of Ireland (FRS 102) effective 1st January 2019', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK & Republic of Ireland' & the Charities Act 2011. The Financial Statements have been prepared under the historical cost convention.

The accounts have been prepared on an Accrual accounting methodology to give a true & fair view of their financial activities & financial position.

The rest of this page is intentionally left blank

Income –

All Income comes from Membership subscriptions, Income from hire of the properties and activities, and this year from Government/Local Council Grants.

Expenditure –

Expenses are recognised has been classified under headings that aggregate all cost related to the category.

Taxation –

The Charity is exempt from tax on its charitable activities.

Fund Accounting –

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the object of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature & purpose of each fund is included in the notes top the financial statements.

Going Concern –

The Charity has sufficient funds to meet its financial obligations for the period of at least 12 months from the date of approval of these financial statements.

2: Financial Review

INCOME –

Membership Subscriptions - was £12,335 (2020/21) compared with £6,527 (2019/20 Six months only).

Donations – The closure of 27th Chingford Scout Group had £1,100 transfer to the district accounts. The district prescribed to Amazon Smile whereby a percentage of revenue is returned back to the district. 2021 this will be extended to the whole district to contribute to this fund.

Grants – The District has six properties which five pay business rates. Bulwer Road is classified as two properties under the business rate scheme. The Boat House is not listed either under Waltham Forest County Council or with City of London Corporation. The District applied for four properties for COVID-19 £10,000 grant being Michael Mallinson Centre, Wingrove Hall, Larkshall Road, &

Bulwer Road which was granted. It was felt by the Executive trustees that only one grant for Bulwer Road was appropriate as this property in our eyes is only one building.

The second wave of Grants the District took the stand that only three properties was affected by COVID-19 which was the Wingrove Hall & the Michael Mallinson Centre, with the other being the Boat House where we were unable to claim for any grants as there was no business rates paid on the Boat House. We were awarded another £8,097. The Executive Meeting in February 2021 discussed to distribute this money back to the local Scout Groups based on £5.00 per young member.

The Third wave of Grants was based on the previous submitting and another £2,096 was awarded.

Finally, under this heading there are four payments of £250.00 from the Jack Petchey Foundation for Network Members. The expenditure is under boat house equipment for uniforms and kayak equipment.

As these grants are for the effects of COVID-19 it was agreed that we could offer discounts to the hall users 2020/2021, & 2021/2022, which is reported under 'Community Engagement Discounts' under each property heading on the Profit & Loss.

As trustees of the District, it was agreed that we should carry out compulsorily statutory inspections for the properties within the District. Therefore, this year we have undertaken Fire Risk Assessments for the Michael Mallinson Centre, Wingrove Hall, Boat House & Bulwer Road as a cost of £240.00 each.

Asbestos Survey for two properties being, Michael Mallinson Centre, & Boat House at a cost of £420.00 each. Wingrove Hall had this done last year and the trustees felt that Bulwer Road, due to the current condition, was not sensible at this time.

Legionella Survey for two properties being, Michael Mallinson Centre, & Boat House at a cost of £343 each. Wingrove Hall had this done last year and the trustees felt that Bulwer Road due to the current condition was not sensible at this time.

Larkshall Road – As this property was a loss maker it was agreed that we should hand this back to the Local County Council which happen on 30th September 2020, due to having all the legal pack and running cost for six months the building had a loss of £3,500 this year but did receive a Grant of £10,000 from COVID-19 grants

A new section has been introduced this year for expenditure over and above the budget, call Projects under each building. A total of £6,500 has been approved by the executive members, some of which is listed above, (Asbestos, Legionella Survives). These are costs which were not budgeted but still need to be reported under the relevant sections.

Trustees have contacted Waltham Forest Bourough Council to process application for Boat House Business rates, which the local council, has processed and issued out invoices for the last four years (2017-2021), and coming year (2021-2022), totalling £18,993 in business rates. This has not been applied to this year's Accounts (2020-2021), as we are a Charity organisation and therefore are entitled to Mandatory Charitable Relief of 80%. We also receive a Discretionary Charitable relief on all our properties and therefore cannot see why this will not be the case on the Boat House. If no Discretionary discount is given then the liability from to the organisation will be the 20%, (£3,798.60). We can now can apply for grants from the local council for the Boathouse.

Finally, the Trustees have also trying to register the boat house to the local water company. We have applied £750 in this year's Account in case they try to charge for previous years. The Water company has now registered the site a as “GAP site” and therefore looking at installing a water metre in the coming months.

The rest of this page is intentionally left blank

Profit –

The overall profit was £26,796.98 compare with a budget loss of £419.85.

INDEPENDENT EXAMINER REPORT

Waltham Forest Scout District

I report on the accounts of the Waltham Forest Scout District ("The District") for the period ending 31st March 2023. Which comprise the Statement of Financial Activities, the Balance Sheet and related notes set out on pages 14-16.

This report is made solely to the trustees in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than The District and the District's trustees for my examination work.

Respective responsibilities of Trustees and Examiner

The District's trustees are responsible for the preparation of the accounts. They consider that an audit is not required for this period (under Section 144 of the Charities Act 2011 (the Charities Act)) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts (under Section 145 of the Charities Act);
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 145(5)(b) of the Charities Act); and
- To state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by The District and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements
 - To keep accounting records in accordance with Section 130 of the Charities Act
 - To prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
