Trustees' report

For the year ended 30 June 2024

The Trustees present their report of the charity for the year ended 30 June 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements.

PRINCIPLE ACTIVITY

The principal activity of the Charity is to relieve in cases of need, hardship or distress persons who are or have been employed or engaged by Chelsea FC Holdings or its associated entities.

FINANCIAL REVIEW

Reserves policy

The Trustees have reviewed the reserves of the Charity and considered the level of reserves it is appropriate for the Charity to hold to ensure it is provided with financial flexibility and a cushion against any future shortfalls in income. The level of free reserves at 30 June 2024 was £366,224 (2023: £177,837), all of which is unrestricted. The trustees consider this level of free reserves satisfactory to meet future donations. The trustees evaluate proposed donations cautiously having regard for funds available, both currently and in the future.

Investment Policy

The Trustees have powers to invest the funds as they see fit, as set out in the Memorandum and Articles of Association.

Future Development

The trustees will continue to seek out and assist beneficiaries, including those whom the trust has already made grants.

Going Concern

The Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also directors of the Chelsea Players Trust for the purposes of company law) are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

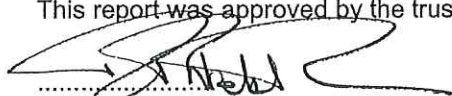

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each of the trustees is aware at the time the report is approved:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

This report was approved by the trustees on 16th January 202~~4~~⁵ and signed on its behalf, by:

Independent Examiner's Report to the Trustees of The Chelsea Players Trust For the year ended 30 June 2024

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 June 2024 which are set out on pages 7 to 13.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

The Chelsea Players' Trust is a private company limited by guarantee (Companies House No. 06148015) and a registered charity (Registered Charity No. 1120214). It is incorporated and domiciled in England and Wales. The registered office is Stamford Bridge, Fulham Road, London, SW6 1HS, UK.

1.1 Basis of accounting

The charity constitutes a public benefit entity as defined by the FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the levels of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements.

1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity has entitlement to the funds, any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged against the cost against the expenditure which was incurred.

1.6 Debtors

Debtors are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

1.7 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with instant access from the date of opening of the deposit or similar account.

1.8 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement after allowing for any trade discounts due.

1.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
