## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 MARCH 2022

---

The trustees present their annual report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

#### **Objectives and activities**

The Charity's objects are to advance the Christian faith in accordance with the Charity's Statement of Beliefs in Somerset and in such other parts of the United Kingdom or the world as the Trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Trust.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### **Achievements and performance**

The Charity took over the management of Great Wood Camp on 1st April 2007. The site is in use during the months March to November in any year.

In August 2014, the Slavanka Trust advanced a loan of £200,000 interest free 10 year loan secured by way of a first charge on the freehold in order to facilitate the purchase of the site. This loan is being repaid by an annual grant of £20K from The Slavanka Trust, receivable on the condition that the trustees of The Slavanka Trust are satisfied that the charitable activities currently carried on by the Great Wood Trust are continuing broadly as at present. As at 31st March 2022 £40,000 remained outstanding.

Scripture Union have used Great Wood for many years for the provision of Christian holidays and weekends. Due to Covid restrictions Scripture Union was not able to run a full programme of holidays during the year under review and the impact of this made a meaningful impact on the Charity, both from a ministry and financial perspective. However in September 2021 Scripture Union entered into a licence agreement for the use of Great Wood for six weeks during the Summer Holidays in 2022, and since the year end they have entered into a two year booking for five weeks in the Summer holidays 2023 and 2024.

#### **Other Achievements**

In 2016 Somerset County Council signed a three year rolling license agreement for the use of the site for certain periods during the year, and a good working relationship continues between the Trustees and volunteers working for the charity and the staff of the Somerset centre at Kilve from which their activities are managed. Due to the Covid restrictions normal activities on site were suspended for the whole year, recommencing in May 2021, when a normal programme was resumed. The Charity provided a Chaplaincy Service to Kilve throughout the time when they were using the site.

In September 2021 the Charity entered into a secondment agreement with South West Youth Ministries (SWYM) whereby SWYM placed with our full time Chaplain a trainee who is studying for a Masters Degree in Applied Theology at Moorlands College in Christchurch, Dorset. This has enabled a meaningful increase in the work which our Chaplain can achieve especially during times when Great Wood Camp is closed for the winter months. This agreement is due to terminate in August 2023.

Once Covid restrictions were eased a limited number of weekend bookings were possible during the year under review. The loss of income due to Covid was alleviated by a further special Local Authority grant made to the hospitality sector in Somerset.

An annual work party of volunteers normally carries out a great deal of maintenance work during the Easter holidays, but this was not possible in 2021. However a limited work party happened in late August 2021, and the full work party returned to Camp in April 2022.

### Financial review

The charity generated an unrestricted surplus of £7,786 (2021 – surplus £38,867) during the year under review. The surplus arose due to the extraordinary generosity of our supporters, and the alleviation of the lost income through Government support. Generating an annual surplus is necessary to enable us to repay outstanding loans and to maintain a steady programme of improvements to the site.

Due to the national coronavirus pandemic our Chaplain had been furloughed under the Government scheme for part of the year, but is now back working full time. Our self employed Estate manager worked throughout the year, carrying out some useful maintenance which would not normally have been possible. Major tree surgery was carried out.

Our budget forecast for 2022/23 indicates a manageable deficit after charging depreciation on buildings, caused in part by reduced income for Summer 2022.

Restricted funds of £768,717 were held at the year end (2021 - £784,849) mainly in relation to donations for the new Mess Hut. Annual depreciation on the new Mess Hut is debited to this account.

The Trustees have reviewed the charity's need for reserves in line with the guidance given by the Charity Commission. Factors taken into account include the risk of fluctuations in general booking income, unforeseen expenditure on major repairs and the need to renovate and replace buildings and equipment from time to time.

The Trustees consider it prudent to hold in general reserve an amount equivalent to between three and six months general expenditure.

The policy on reserves is reviewed annually.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### Structure, governance and management

The Great Wood Trust is a charitable company limited by guarantee, registered in England and Wales. It is governed by its Memorandum and Articles of Association, dated 26<sup>th</sup> February 2007.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Rev'd J H Simmons

Mrs M A J Simmons

Mr J Chambers

Ms S Keighley

Mr J Rennison

Mr D Whitehouse

Rev'd M Haslam

Rev'd C Owen

Mr R W Barker

(Resigned 15 October 2022)

Trustees are appointed in accordance with the Articles of Association by ordinary resolution or by a resolution of the other directors. Directors retire by rotation at the Annual General Meeting, and can be recommended for re-election by the other Directors.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The Board of Trustees administers the charity and has set up a sub-committee covering buildings and estate maintenance and development, and marketing. Day to day administration is delegated to John Owen. Andy Bennett acts as a self employed Estate Manager.

New trustees are encouraged to spend time with the chairman, who will guide them through the induction process which includes time with key volunteers.

### Employee involvement

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the charity continues and that the appropriate training is arranged. It is the policy of the charity that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

The trustees' report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE GREAT WOOD TRUST

---

I report on the financial statements of the charity for the year ended 31 March 2022, which are set out on pages 5 to 16.

#### Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of The Great Wood Trust for the purposes of company law, are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 31 MARCH 2022**

---

### **1 Accounting policies**

#### **Charity information**

The Great Wood Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is 103 Argentia Place, Portishead, Bristol, BS20 7QS.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### **1.4 Income**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### **1.5 Expenditure**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

### 1 Accounting policies

(Continued)

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	5 to 50 years
Property improvements	10% straight line
Fixtures and fittings	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

#### 1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

# THE GREAT WOOD TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2022

#### 1 Accounting policies

(Continued)

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### 1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

#### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
