THE REDEEMED CHRISTIAN CHURCH OF GOD[RCCG]

Sanctuary of Power TRUSTEES REPORT YEAR END 2023

The Trustees have pleasure in submitting their report and accounts for the year ended 31st March 2023. The financial statement has been prepared in accordance with the accounting policies set out on pages 8 to 17 and comply with the statement of Recommended Practice (SORP 2015), and the applicable law.

Structure, Governance and Management Constitution

The Charity is constituted under a Trust Deed dated and Charity is number on the central register of the Charity Commission of England and Wales.

The principal Objectives of the Charity is the advancement of the Christian faith worldwide and relief of poverty.

Method of Appointment or Election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust Deed.

Organisational Structure and Decision Making

The church is organised so that the trustees meet regularly to manage its affairs. There is a part-time Minister and Volunteers, who manage the day to day administration of the church.

Related Party Relationships

RCCG- Sanctuary of Power is a member of Redeemed Christian Church of God [RCCG] which has Parishes all over the world. The relationship is governed by an 'Agreement for common purposes' between the parishes and RCCG.

Development activities and achievements in the year

The members who are with us have grown spiritually due to the various trainings they have received especially the Ministers. During this 2022-2023 Christmas, our Youth Department visited Queen Elizabeth Hospital in Romford (Children Department) and made presentation of gifts to sick children. Furthermore, Our Women Department visited Summerfield Residential Home in Romford with Christmas gifts.

Our weekly attendance has continued to increase and our need for a bigger place is now a matter of necessity. The short term solution was for us to have two services every Sunday which is quite telling on the pastors and volunteers. We believe that God will provide a solution in the coming year. We have continued to engage with our community through the six projects that we run for the benefit of the community. In order to reduce crime incident in the community, Evangelism was stepped-up. We also do monthly Environmental Clean-up of our Community to the admiration of our Neighbours. We had during the year organised projects for the need of the homeless and the general public bringing together people to have some BBQ accompanied with music and bouncy castle for the children. The best part of this event is that we invite people who have been freed from drug use to share their testimonies to encourage others to do the same.

Risk Policy

The Trustees have assessed the major risks to which the Charity is exposed, particularly those relating to the operations and finance and are satisfied with the risk management systems in place to mitigate any risk exposure.

Future development

We are hoping to establish a new parish in 2017 as we could not achieve this, this year as our baby parish still needs supporting at this time. Our pursuit of acquiring a bigger place for the charity is now very vigorous as it is now needed. A building committee is now in place, and they have requested that a new bank account be opened to take all the building funds. This has been referred to the trustees for approval.

The problem we have during winter at the end of the day at the shade project has continued to hunt us and we hope to establish a night shelter in the near future if we have the money. Finally, we are looking into the possibility of owning and running our own orphanage in the southern part of Nigeria.

Review of financial Position

The net incoming resources for the year amounted to £-1,592.41 (was £1,912)
All these have been unrestricted reserves and no fund is allotted to restricted projects.

Reserve Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets [the free reserves] held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of significant drop in funding.

Principal Funding

This is provided mainly through voluntary tithes and offerings by the church members. Pledges are also taken for specific projects.

Statement of Trustees' Responsibilities

The Charities Act requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the surplus or deficit of the charity for that period. Of the state of affairs of the charity and in preparing those financial statements, the trustees are requested to:

- i. Select suitable accounting policies and then apply them consistently;
- ii. Make judgements and estimates that are reasonable and prudent;
- iii. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- iv. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

REDEEMED CHRISTIAN CHURCH OF GOD – SANCTUARY POWER

I report on the accounts of the charity for the year ended 31ST March 2023, which are set out below and notes to the financial statements on pages 7 to 16

Respective responsibilities of Trustees and Examiners

As the Charity's Trustees, you are responsible for the preparation of the accounts; you consider that an audit is not required for this year (under section 144(2) of the Charity Act 2011 (the 2011 act) and that an independent examination is needed. It is my responsibility to

Examine the account (under section 145 of the Act);

- follow the procedures laid down in the General Directions given by the Charity;
- Commission (under section 145(5) (b) of the 2011 Act and
- State whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statements

In connection with the examination, no matter has come to my attention: -

- 1) Which give me reasonable cause to believe that in any material respect the requirements
 - To keep accounting records in accordance with section 130 of the 2011 Act;
 - To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been metor

To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

2.2 EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.
