# THE REDEEMED CHRISTIAN CHURCH OF GOD RCCG

## Sanctuary of Power TRUSTEES REPORT YEAR END 2025

The Trustees have the pleasure of submitting their report and accounts for the year ended 31st March 2025. The financial statement has been prepared in accordance with the accounting policies set out on pages 8 to 17 and complies with the Statement of Recommended Practice (SORP 2015), and the applicable law.

### Structure, Governance and Management Constitution

The Charity is constituted under a Trust Deed dated and the Charity is registered with the number on the central register of the Charity Commission of England and Wales.

The principal Objectives of the Charity are the advancement of the Christian faith worldwide and relief of poverty.

### Method of Appointment or Election of Trustees

The management of the charity is the responsibility of the Trustees, who are elected and co-opted under the terms of the Trust Deed.

### Organisational Structure and Decision Making

The church is organised so that the trustees meet regularly to manage its affairs. There is a part-time Minister and Volunteers, who manage the day-to-day administration of the church.

### Related Party Relationships

RCCG- Sanctuary of Power is a member of the Redeemed Christian Church of God [RCCG], which has Parishes all over the world. The relationship is governed by an 'Agreement for common purposes\*' between the parishes and RCCG.

### Development activities and achievements in the year

The members who are with us have grown spiritually due to the various trainings they have received especially the Ministers. During this Christmas, our Youth Department visited Queen Elizabeth Hospital in Romford (Children Department) and made presentation of gifts to sick children. Furthermore, Our Women Department visited Summerfield Residential Home in Romford with Christmas gifts. Our weekly attendance has continued to increase and our need for a bigger place is now a matter of necessity. The short term solution was for us to have two services every Sunday which is quite telling on the pastors and volunteers. We believe that God will provide a solution in the coming year. We have continued to engage with our community through the six projects that we run for the benefit of the community. In order to reduce crime incident in the community, Evangelism was stepped-up. We also do monthly Environmental Clean-up of our Community to the admiration of our Neighbours. We had during the year organised projects for the need of the homeless and the general public bringing together people to have some BBQ accompanied with music and a bouncy castle for the children. The best part of this event is that we invite people who have been freed from drug use to share their testimonies to encourage others to do the same.

## Risk Policy

The Trustees have assessed the major risks to which the Charity is exposed, particularly those relating to the operations and finance and are satisfied with the risk management systems in place to mitigate any risk exposure.

1 |

### Future development

We are hoping to establish a new parish, as we could not achieve this, this year, as our baby parish still needs supporting at this time. Our pursuit of acquiring a bigger place for the charity is now very vigorous as it is now needed. A building committee is now in place, and they have requested that a new bank account be opened to take all the building funds. This has been referred to the trustees for approval.

The problem we have during winter, at the end of the day, at the shade project has continued to haunt us, and we hope to establish a night shelter in the near future if we have the money.

Finally, we are looking into the possibility of owning and running our own orphanage in the southern part of Nigeria.

## Review of Financial Position

The net incoming resources for the year amounted to £2,156.19 (2024 was £819). All these have been unrestricted reserves, and no fund is allotted to restricted projects.

## Reserve Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets [the free reserves] held by the church should be 3 months of annual expenditure. At this level, the trustees believe they can continue the church's current activities in the event of a significant funding drop.

## Principal Funding

This is provided mainly through voluntary tithes and offerings by the church members. Pledges are also taken for specific projects.

## Statement of Trustees' Responsibilities

The Charities Act requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the surplus or deficit of the charity for that period. Of the state of affairs of the charity and in preparing those financial statements, the trustees are requested to:

- i. Select suitable accounting policies and then apply them consistently;
- ii. Make judgements and estimates that are reasonable and prudent;
- iii. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;

- iv. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES****REDEEMED CHRISTIAN CHURCH OF GOD – SANCTUARY POWER**

I report on the accounts of the charity for the year ended 31<sup>ST</sup> March 2025, which are set out below and notes to the financial statements on pages 7 to 16

**Respective Responsibilities of Trustees and Examiners**

As the Charity's Trustees, you are responsible for the preparation of the accounts; you consider that an audit is not required for this year (under section 144(2) of the Charity Act 2011(the 2011 act) and that an independent examination is needed. It is my responsibility to

Examine the account (under section 145 of the Act);

- follow the procedures laid down in the General Directions given by the Charity;
- Commission (under section 145(5) (b) of the 2011 Act and
- State whether particular matters have come to my attention.

**Basis of Independent Examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent Examiner's Statements**

In connection with the examination, no matter has come to my attention: -

- 1) Which give me reasonable cause to believe that in any material respect the requirements

- To keep accounting records in accordance with section 130 of the 2011 Act;
  - To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met
- OR

To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

**Note 2                      Accounting policies**

**2.1 INCOME**

This standard list of accounting policies has been applied by the charity except for those ticked No or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

**Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**Offsetting**

There is no legacy received during this period.

**Grants and donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

**Legacies**

There is no legacy received during this period.

**Government grants**

No government grant was received during this period.

**Tax reclaims on donations and gifts**

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

**Contractual income and performance related grants**

This is not applicable

**Donated goods**

This is not applicable

**Donated services and facilities**

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

**Support costs**

The charity has incurred expenditure on support costs.

**Volunteer help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

### **Settlement of insurance claims**

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.

### **Investment gains and losses**

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

## **2.2 EXPENDITURE AND LIABILITIES**

### **Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

### **Governance and support costs**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

### **Grants with performance conditions**

The Charity is not awarding grant to any organisation

### **Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

### **Redundancy cost**

The charity made no redundancy payments during the reporting period.

### **Deferred income**

No material item of deferred income has been included in the accounts.

### **Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts

### **Provisions for liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

### **Basic financial instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.

The depreciation rates and methods used as disclosed in note 16. They are valued at cost.

**Investments**

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.

**Stocks and work in progress**

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

**Debtors**

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

**Current asset investments**
