Cuckmere Community Bus Ltd

Annual Review

for year ended 31 December 2025

The Trustees, who are also Directors of the company for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Review of Activities

Cuckmere Buses is the trading name for Cuckmere Community Bus Ltd (CCB), a charitable limited company based in Berwick, East Sussex. It has been running for 49 years supplementing existing bus services and providing bus links for village residents throughout the Cuckmere Valley area to their nearest towns for shopping, for appointments, or for social activities.

OUR VISION is being the Community Bus service of choice in our area, and OUR MISSION is providing a safe, reliable, and courteous local bus, serving those rural and urban communities in our part of East Sussex not served by commercial companies.

CCB is run entirely by volunteers; there are no employees. We have some 50 volunteer drivers, all with D1 classification on their licences, and a few additional volunteers who all help run the fleet of 16-seater low-floor Mercedes mini-buses. The MiDAS (Minibus Awareness Scheme) system of training has been radically altered to the point where CCB no longer considers it appropriate for new driver recruits or for continuing education and reassessment. CCB has instead developed its own training and assessment scheme, at least equivalent to MiDAS standards, which has been accepted by East Sussex County Council and our insurers. The value of volunteers to the organisation cannot be overestimated, in terms of community support and company viability. In addition to over 20 weekly timetabled services, requiring nearly twice as many half-day shifts, the company operates summer leisure services and offers private hire facilities. We also provide special annual services for the International Tennis in Eastbourne, and the Charleston festivals.

CCB remains a busy voluntary organisation and always needs new volunteers. Our ongoing recruitment programme has resulted in a reasonable net increase in drivers by the end of the year and we are still looking to increase numbers further in 2026. However, the Department for Transport's review of the changing need for D1 licence requirements for minibuses is a positive move and may result in us being able to access a broader driver pool, given that the D1 licence is currently only available if a car driving test was passed before 1997. Although this review seems to have stalled recently, we optimistically await the outcome of the consultation.

2025 saw a modest increase in passenger numbers over 2024, which was itself a record year, and by the year-end we had carried 88,267 (2024 87,915) passengers which, not only exceeded the 2019 figure of 81,632 but is now the highest numbers of journeys we have ever catered for. In addition, we ran some 168,671 (2024 159,042) miles and hope to see a continued growth in passenger journeys during 2026.

Annual Review

for year ended 31 December 2025 (cont)

The charity did not take any new buses into service during 2025 but did place an order in July 2025 for one new bus with delivery scheduled for January 2026 with the aim being for it to enter service in late March 2026 with a special livery celebrating the charity's 50th year. This means that the year end the fleet remains at eight minibuses. The charity was fortunate to be awarded a grant from the Garfield Weston Foundation for £10,000 towards the cost of the new 2026 addition and the charity thanks the trust for their kind donation.

Roadworks and road closures continued to present major challenges during the year, especially in Hailsham town centre, which often resulted in delays, re-scheduled and re-routed services and regrettably, some cancellations. Hopefully these will ease during 2026.

The charity operates efficiently to a high standard under the control of the Board of Trustees who met formally on four occasions during the year. They reviewed operations of the company, its financial position, and the outlook for the future. In addition, two Stakeholder meetings consisting of representatives of parish and town councils and company officers were held, plus the AGM in April. The annual social gathering of stakeholders and drivers was held in July and periodic drivers' meetings were held during the year to review resource availability, services operated and passenger views. Drivers provide a vital first point of contact with passengers and their feedback is invaluable.

The trustees have complied with their duty to have due regard to the charity commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant.

Financial Performance

The financial statements are included on pages 9 to 14. All income and expenditure are related to unrestricted funds; there are no restricted nor endowment funds.

Central and local government continued financial support for bus operators generally during the year by continuing to pay fuel rebate grants and concessionary travel fares based on pre-covid levels, along with other support grants. These government support initiatives, together with our volunteer structure avoiding staff costs and related overheads, plus maintenance costs reflecting a relatively young fleet, all helped the charity maintain a viable operating financial position.

With a gross income of £329,623 (2024 – £339,027) and expenditure of £319,771 (2024 - £329,667), the year ended with a modest surplus of £9,852 (2024 - £9,360). Year-end net assets amounted to £294,039 (2024 - £284,187) including cash at bank of £146,558 (2024 - £114,309). The charity operates a policy of holding cash reserves to meet projected cash outlays taking account of sourcing requirements for acquisitions under its bus replacement programme. Funds not required in the short term are held in an appropriate deposit account. At the end of the year, the Trustees agreed an unrestricted bus replacement reserve fund of £50,000 (2024 - £20,000), to cover future bus acquisitions.

A high-level five-year trend of finances, passengers and miles run is shown graphically on page 15.

The Trustees have not identified any major uninsured risks to which the charity is exposed.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The governing document of the charity is the Memorandum and Articles of Association, which was adopted in November 2006 on the formation of the Cuckmere Community Bus as a company which was registered as a charity.

The current members of the Company are all Directors of the Company and Trustees of the Charity, who meet quarterly to fulfil both functions and who may stand for re-election at the next Annual General Meeting.

Going Concern

The Trustees continue to monitor the ongoing impacts the industry faces, including recovery of passenger numbers as well as other events, particularly levels of inflation and increased fuel and vehicle running costs. They have determined that, whilst significant, they do not create a material uncertainty that casts major doubt upon the charity's ability to continue as a going concern.

Forward View

In addition to maintaining a strong operational business base for the charity, our focus over the coming year will again be threefold. First, to continue to build patronage numbers so we can provide support to the same or greater level of deserving passengers we helped pre-pandemic. Secondly, to continue to develop our driver training, assessment and support programme and thirdly, to continue with the recruitment programme to increase the overall number of volunteer drivers.

As a result of central government's positive focus on the bus industry, a number of initiatives within East Sussex may provide the opportunity for CCB to increase current service levels leading to increased net revenues. We look forward to these possible developments during the coming year.

Changes in Trustees/Directors

There have been no changes to any of the Trustees or Directors during 2025.

Acknowledgements

We are a successful business in meeting our mission and as always, thanks go to our volunteer drivers, our regular passengers, to everybody involved in the day to day running of the organisation, and to Berwick Service Station for keeping the buses well maintained. Particular thanks also go to the individuals and local authorities who made donations to the charity during the year. A summary of donation support is listed on page 13 of this report. Thank you all.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

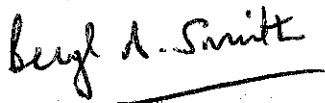

The Trustees (who are also Directors of the company for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1.1 Statutory information - Cuckmere Community Bus Limited is an incorporated charity and registered in England & Wales. The charity's registered number and registered office address can be found in the Report of the Trustees.

1.2 Basis of Accounting - The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention. Income and expenditure are accounted for on an accruals basis.

1.3 Income - is recognised in the accounts when the charity becomes entitled to the resources and is shown exclusive of VAT. The significant value of voluntary help received is not included in the accounts but is described in the trustees' annual report. Debtors are measured at settlement amounts less any trade discounts.

1.4 Expenditure - liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to pay out resources, and the amount of the obligation can be measured with reasonable certainty. Creditors are measured at settlement amounts less any trade discounts.

1.5 Tangible Fixed Assets - are recorded at cost and subsequently stated at cost less accumulated depreciation and accumulated impairment losses.

1.6 Depreciation - is calculated to write off the cost of an asset, less its estimated residual value, over the prudent useful economic life of that asset on a straight-line basis, as follows:

Motor Vehicles 5-7 years

1.7 Capital Grants - In accordance with s24 of FRS 102 these are treated using an accruals model and so are recognised in income on a systematic basis over the periods in which the charity recognises the related costs for which the grants intended to compensate.

1.8 Hire Purchase Agreements - assets are capitalised as tangible fixed assets and depreciated over their useful lives. The capital element of future finance payments is included within creditors; finance charges are allocated to accounting periods over the length of the contract.

1.9 Fund Accounting - unrestricted funds (including designated funds) may be used in accordance with the charitable objectives of the charity at the discretion of the trustees.

1.10 Taxation - The charity is exempt from corporation tax on its charitable activities.
