THE PEACE & HOPE TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their annual report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The objects of the Peace and Hope Trust are the relief of poverty and sickness, the advancement of education and to further such charitable objects as the trustees in their absolute discretion think fit anywhere in the world, particularly in developing countries including Nicaragua. In practice this manifests as a focus on education and health.

The trustees have paid due regard to guidance on public benefit issued by the Charity Commission in deciding what activities the charity should undertake.

The Trust was established with objects that are for the public benefit. The trustees recognise their responsibility for the continued monitoring of the public benefit of the Charity's activities and for the safeguarding of vulnerable people wherever it operates.

Achievements and performance

During 2021/22 the Charity worked through teams of British volunteers together with a small number of paid staff in Nicaragua, through a local NGO "Centro Cosecha". It paid a small number of UK and Nicaraguan part-time workers and contractors when volunteers could not be recruited. The Trust rents a shop selling donated goods in the UK, and is loaned warehouse space to hold goods awaiting sale or for despatch to Nicaragua or other destinations. It owns a small plot of land in Managua. In 2021 a Cycle Sportive was held to raise funds for the Trust. It does not pay professional fund-raisers.

In May 2022 the Nicaraguan government closed down Centro Cosecha, formally for failure to conform to a recent strict compliance regime which also brought the closure of more than a thousand other NGOs. All of its staff were necessarily made redundant, with the most generous terms we felt justifiable. The Trustees immediately began to seek a legally-compliant method of returning to the projects which bring relief to the poorest of Nicaraguan society. That process continues.

As a result, and mainly due to government compliance requirements, the Trust's projects are necessarily subject to a much-increased proportion of administrative cost and effort in Nicaragua, compared to the cost of the items purchased (such as school books and teaching materials). The Trustees have made substantial efforts to address this issue. There is little or no increase in administration costs in the UK.

We paid for the roof of a school rebuild on Ometepe. Our continuing programme of upgrading school buildings and clinics was held up by Covid restrictions, and subsequently by the closure of Centro Cosecha, but we plan to resume as soon as is practicable.

The Trust had been sending aid containers of donated medical and educational supplies and equipment to Nicaragua but was unable to do so for the last 3 years. We have sent donated hospital goods to the Philippines, as part of a project led by Gorsley Baptist Church, and in February 2022 to Romania, to assist the refugees from Ukraine. We are still holding goods targeted for Nicaragua, as soon as the import of these items is possible.

THE PEACE & HOPE TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

The Trust again purchased new school uniforms and materials, and Christmas/end-of-school-year presents, for some 300 children around Bluefields. Similar work on Ometepe is supported by the Trust, focussed on helping an expanding group of schools around Urbaité. We also continued to support a number of children's feeding programmes, art and craft initiatives, vocational training, support for churches, and a programme in Granada to rescue vulnerable girls from sexual abuse. We also supplied maternity packs and baby packs for new mothers in the coastal regions, distributed via the clinics, and in a new initiative we bought start-up kits for training doctors there – high-quality stethoscopes and similar essential tools.

We have a sound relationship with Nicaragua's Ministry of Education, the Ministry of Health and with the local Alcaldía (City Council) in Bluefields to identify future projects and to ensure that our work is aligned closely to real local needs. We are gratified and humbled by the local community support which our activities generate. Our volunteers continue to find new ways of raising funds in the UK to help our work.

Financial review

During the year the Charity had incoming resources of £129,445 (2021: £203,541). At the end of the year the Charity had unrestricted reserves of £210,287 (2021: £195,498).

The Trust has been able to adapt to circumstances around the Coronavirus and maintains several projects in Nicaragua. It received grant payments from the UK government in respect of temporary enforced closures of its charity shop, which offset some of the impact of the loss of fund-raising activities.

The trustees are monitoring carefully the finances of the Charity and believe that at present they are satisfactory, as the operations of the charity do not require substantial reserves. It is therefore their policy to keep a minimum amount in reserves, sufficient to maintain fixed assets and meet current obligations as well as emergency contingencies. The Charity is dependent upon the regular ongoing support of its donors for the continuation of its work.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

In legal terms the charity is a company limited by guarantee and is a UK registered charity.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr J Allan

Mrs J Cole (Resigned 25 May 2022)

Mrs A Cruz Roque

Rev'd N Bennett (Resigned 7 March 2022)

Mr A Crawford

Mr S Ind

Mr William Hanks (Chair)

Ms L Swanwick (Resigned 31 May 2022)

Ms R Gibbins

The trustees are appointed having regard to the specific skills required for the governance of the Charity. Given the size of the Charity, the trustees consider that they have a suitable range of experience for the governance of the Charity. The majority of the trustees have been involved with the activities of the Charity for some years and are familiar with the history and operation of the Charity. New trustees have an appropriate induction programme, but are also likely to be familiar with the work of the Charity before becoming trustees.

THE PEACE & HOPE TRUST

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Day to day decisions are entrusted to the Chief Executive and a small team of volunteer managers - to cover, for example, the staffing of the Charity's shop in Ross-on-Wye. All strategic matters are referred to the full board of trustees who meet formally four times a year. None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £10 in the event of a winding up.

The trustees' report was approved by the Board of Trustees.

THE PEACE & HOPE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE PEACE & HOPE TRUST

I report to the trustees on my examination of the financial statements of The Peace & Hope Trust (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE PEACE & HOPE TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Charity information

The Peace & Hope Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is Little Llanafon Farm, Dorstone, Hereford, Herefordshire, HR3 6AT.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

THE PEACE & HOPE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land	Not depreciated
Computer and office equipment	33.33% straight line
Motor vehicles	25.00% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at recoverable amount.

THE PEACE & HOPE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price and are subsequently carried at payable amount.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amount payable.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Taxation

The Company is a registered charity and is not subject to Income Tax on its current activities.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

THE PEACE & HOPE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

16 Restricted funds

(Continued)

Moringa project - A project to develop Moringa, the 'Miracle Tree', and to seek ways of realising its potential for the benefit of needy communities.

Mary Anne Vocational Centre - The Trust continues to support tutors at the Mary Anne Vocational Centre, built in memory of a former team member, through the application of regular donations. The centre provides free tuition in a range of subjects.

Mother and Toddler groups - In 2017, three groups were inaugurated in the poorest districts of Bluefields, Nicaragua, with the help of the Trust. The plan was that these groups should be led and controlled by the mothers themselves and be self-sustaining. Over time only one group (at Santa Rosa) has flourished. The Trust shall continue to monitor their on-going progress, effectiveness and sustainability and if found to be successful, shall assist in the set-up of additional groups in the future.

Carolyn Gibbs - The Trust receives restricted donations and pays them every month to Carolyn's project account for school support work in Ometepe.

Warehouse Project - to buy land for building a storage warehouse

Tim Sharpe - The Trust receives restricted donations in recognition of Tim's service to the Trust.

ECHO - The ECHO grant was provided to pay for shipping of containers to Nicaragua and, by subsequent amendment, to the Philippines also.

Casa Rahab - The Trust operates a day centre for vulnerable and abused girls in Granada, Nicaragua. Restricted donations cover some of the running costs - the residue comes from unrestricted funds.

THE PEACE & HOPE TRUST
