Structure, Governance and Management

Involved is an unincorporated charity governed by a Constitution. Trustees are appointed in accordance with the terms of the Constitution and serve on a voluntary basis. Induction and training are provided to new trustees to ensure understanding of the charity's aims and responsibilities.

Day-to-day operations are overseen by the trustees with support from volunteers and community partners.

Objectives and Activities

Involved exists to:

- Advance education and training of young people through participation in music and performance as part of the Essex Marching Corps, Youth Band.
- Provide facilities at Community Hall, Rookery View Hall, for recreation and leisure-time occupation for the community, with the objective of improving quality of life.

- Encourage the development of skills, confidence, and teamwork among children, young people, and adults as part of our other youth projects, such as Challenge Us Project.

Key activities include:

- Running the **Essex Marching Corps**, providing music tuition, structured band rehearsals, and performance opportunities.
 - Managing **Rookery View Community Hall**, offering affordable space for local groups, families, and organisations.
 - Operating a **youth group programme** to engage young people in positive activities, reducing social isolation and supporting community cohesion.
-

Public Benefit

The trustees confirm they have had due regard to the Charity Commission's guidance on public benefit. All activities undertaken by Involved are for the direct benefit of the public through accessible musical opportunities, provision of a community hall, and youth engagement activities.

Achievements and Performance

During the year, Involved has:.

- Delivered regular rehearsals, public performances, and training events for young people aged 8 to 25 years old
- Performed a number of outreach activity sessions in the wider community.
- Continued to manage **Rookery View Hall**, supporting numerous community groups and events, including family activities, social clubs, and local celebrations.
- Continued with improvements at Rookery View Hall to continue to offer suitable facilities for the growing number of users and make the most of our site.
- Offered volunteering and leadership opportunities, particularly for young people looking to gain skills and experience.
- Numbers of beneficiaries have increased in the year.
 - Rookery View Hall was used by 10,943 people in the year (from monitoring information collected at booking times)

- Essex Marching Corps delivered musical sessions to over 50 youngsters on a regular basis in the year. We also delivered outreach sessions to 350 children in the year.
-

Financial Review

The charity invests any surplus created back into investment of the organisation.

Depending on plans of the trustees to meet the needs of beneficiaries in the year, capital requirements vary. Most capital investment is funded by grants.

The charity remains financially sustainable, supported by grants, donations, hall hire income, and community fundraising.

Plans for Future Periods

Looking ahead, Involved intends to:

- Expand music tuition opportunities for young people, with a focus on inclusivity and accessibility.
 - Strengthen partnerships with schools, local authorities, and voluntary organisations.
 - Continue investment in youth leadership, volunteering, and community-based projects.
 - Increase capital investment into new equipment for the Essex Marching Corps to enable increased capacity.
 - To increase opportunities for more beneficiaries to use Rookery View Hall, by hosting more groups, clubs and sessions.
 - Increasing our local interaction and outreach with a specialist project to promote the heritage and cultural opportunities related to our activity.
-

Reserves Policy

The trustees' policy is to maintain reserves at a level sufficient to safeguard against unexpected events, while ensuring that funds are applied to charitable purposes in a timely manner. The charity has a policy of maintaining £20,000 of unrestricted funds in reserve. The current reserves are working towards this level.

Risk Management

The trustees have considered the major risks facing the charity, particularly in relation to safeguarding, financial sustainability, and facilities management. Policies and procedures are in place to mitigate these risks, including safeguarding policies, financial controls, and insurance.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and Financial Statements in accordance with applicable law and United Kingdom Accounting Standards.
