The report of the Trustees for the year ended 31 March 2023

Introduction

The trustees present their annual director's report and financial statements for the year ended 31 March 2023, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities:

Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Purpose and Activities of the Charity

The charity objects and principle activities are:

To advance Christian faith in accordance with the Statement of Beliefs... in Merseyside and in other parts of the United Kingdom or the world as the Trustees may from time-to-time think fit and other such purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Charity.

To relieve sickness and financial hardships and to promote and preserve good health by the provision of funds, goods or services of any kind, including through the provision of counselling and support in such parts of Merseyside and in other parts of the United Kingdom or the world as the Trustees may from time to time think fit.

Further details on how we further these objectives can be found in the Memorandum of Association upon request.

Achievements and performances

During this last year, we continued to worship in the church building in Claughton Road, Birkenhead.

We have been able to continue to support the ministries and missions listed further below in this report and also maintain part time ministry, although it should be noted the current Pastor ministers on a self-employed basis. The fellowship numbers have grown steadily during the year and tithes and offerings have risen accordingly. Tithes and offering were primarily made through bank transfers and standing orders although cash offerings continued to be received during worship.

The weekly prayer meeting continued during the year and Sunday school for young Children continued during the Worship Services in the church building. The youth work interrupted during the year the previous year by Covid, resumed during the year.

Other mid-week activities included Bible Study, An Alpha Course, Craft Club, Parents and Toddlers Group and Messy Church and Coffee Morning.

We carried on with our primary aim of continuing to serve God and to seek His will for our church and community in the future.

Statement of Director's and Trustees' Responsibilities

The charity trustees (who are also the directors of the charitable company for the purpose of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statements as to disclosure to our independent examiner

In so far as the trustees are aware at the time of approving our trustees' annual report:

- There is no relevant information, being information needed by the independent examiner in connection with preparing their report, of which the group's auditor is unaware, and the trustees, having made enough enquiries of fellow directors that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a director in order to make themselves aware of any relevant independent examination information and to establish that the independent examiner is aware of that information.

By order of the board of trustees

This report was approved by the board of Trustees on 14 November 2023

Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiners to the Trustees on the account of the Charity for the year ended 31 March 2023

I report on the financial statement of the charitable company on page 8 to 19 for the year ended 31 March 2023.

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and charity's trustees as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of the Trustees and Examiner

As the charity trustees, who are also directors of the company for the purpose of the company law, you are responsible for preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied myself that the charity is not subject to audit under company law and under section 144(2) of the Charities Act 2011 ("the Charities Act") and is eligible for independent examination. It is my responsibility to:

- Examine accounts under the section 145 of the Charities Act;
- Follow the procedure laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- To state whether particular matters have come to my attention

Basis of opinion and scope of work undertaken

My examination was carried out in accordance to general directions given by the charity commission. An examination includes a review of accounting records, kept by the charity and a comparison of accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedure undertaken does not provide all the evidence that would be required in an audit. Consequently, no opinion is given to whether the accounts present a true and fair view and report is limited to the matters set out in the statement below.

Independent Examiner's Statement

In connection with examination, no matters have come to my attention;

Which gives me reasonable cause to believe that in any material respect the requirements;

1. a. To keep accounting records in accordance with section 386 of the Companies Act 2006; and
b. To prepare accounts which accord with the accounting records and comply with accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statements of Recommended Practice: Accounting and reporting by Charities have not been met; or,
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard application in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP(FRS 102) the Financial Reporting Standard application in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Charity meets the definition of a public benefit entity under FRS 102. Assets & liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes(s).

b) Preparation of the accounts on a going concern basis

The financial statements are prepared on a going concern. The Charity is entirely dependent on continuing grant and donation support and as a consequence the going concern basis is also dependent on that continuing financial support.

c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably. Income received in advance of the provision of specified services is deferred until the criteria for income recognition are met.

d) Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

e) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

The Link With Emmanuel Christian Fellowship Ltd
Notes to the Accounts for the year ended 31 March 2023

f) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Restricted funds are donations which the donor has specified are to be used for particular areas of the charity's work or for specific projects being undertaken by the charity.

g) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of activities undertaken to further the purposes of the charity and their associated support costs
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

h) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charitable activities. These costs have been allocated between costs of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note1.

i) Tangible fixed assets

Individual fixed assets costing £100 or more are capitalised as cost and are depreciated over their estimated useful economic lives on a straight-line basis as follows:

Asset Category	Annual rate
Freehold building	4%
Plant and equipment	20%

j) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k) Cash at bank and in hand

Cash at bank and cash in hand includes cash and bank current and deposit accounts.

The Link With Emmanuel Christian Fellowship Ltd
Notes to the Accounts for the year ended 31 March 2023

l) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2 Legal status of the charity

The charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £5 per member of the charity.
