LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2025

The Directors, who are the Trustees of the charitable company, present the annual report and financial statements for the year ended September 30, 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated March 5 2007, as amended by special resolution dated 10 August 2007. It registered as a charity with the Charity Commission from 29 August 2007. Membership is open to those who apply in the form required by the Directors and are approved by the Directors. There are currently 8 members of the company, each of whom agree to contribute a sum not exceeding £1 in the event of the charity being wound up.

Appointment, induction and training of Directors and Trustees

Trustees were initially selected on the basis that they were committed to the concept of Light for Children Ltd, had been involved in the previous work carried out in Romania via St Johns Church, Chase Terrace, and had an appropriate range of skills to ensure that the charity was successfully launched. Each year the Directors consider whether there is a need to expand the range of skills and consider inviting others to join their number. Light for Children has no specific policy for Director Training, but training opportunities and governance information is forwarded to Directors where appropriate. Each year one third of the directors retire, being those longest in office and are eligible for re-election.

Organisation

The Board of Directors, which must have a minimum of three members, administers the charity and meets as necessary. The Board delegate certain functions to a Management Committee which comprise of individuals committed to the objects of Light for Children and actively involved in fundraising activities.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are:

“The advancement of the Christian faith through the relief of need, hardship or sickness amongst children and young people, resident in or citizens of Romania, by offering social, educational, cultural, medical, emotional and spiritual support according to Christian principles.”

The Directors seek to achieve these objectives by providing support to children and young people in the Romanian town of Dorohoi, focusing primarily on those living in families in poverty or with needs or living within, or recently moved on from, the state-run orphanage system. The activities are carried out by Helen & Costel Cosman, who live in Dorohoi and are dedicating their lives to support these children and young people. Helen & Costel are supported by a team of volunteers who raise funds to enable this work to continue.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2025

Statement of public benefit

The trustees have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The trustees believe that the activities carried out benefit the public by providing services and otherwise assist individuals in need because of poverty, ill-health, disability or lack of opportunity.

ACHIEVEMENTS AND PERFORMANCE

Light for Children charity is so privileged to have such an amazing group of supporters, who have continued to help the work Helen carries out in Romania. Every donation makes a huge difference to those in Romania. As in previous years, supporting the children and young people living in state care in Dorohoi has been our priority. We have continued to pay for medication, medical tests, first aid, optician appointments, glasses, and dental care. We have also continued to fund schoolbooks for children and young people who would not otherwise be able to afford them. We continue to be extremely well supported which helps to provide all the services mentioned and more. We had three amazing events in the 24/25 year. We enjoyed an amazing evening with The Rock Choir. A brilliant evening with Gan Teideal the fantastic Irish Band. Then in the summer a lovely coffee & cake afternoon. The giving from our supporters and our fund raisers has really blessed Helen and the Committee. Thank you for another successful year.

FINANCIAL REVIEW

Income for the year was £21,947 (2023/24 £19,804). This consisted mainly of donations and related gift-aid, together with proceeds from some fundraising activities. The donations from individuals and organisations remains stable and there has been an increase in gift aid tax refund income.

Expenditure of £24,889 (2023/24 £24,424) included £15,370 (2023/24 £15,425) spent directly on the provision of services to the young people, and £7,300 (2023/24 £6,970) was paid to Helen & Costel directly to provide for their personal needs, from restricted fund donations given specifically for that purpose. Other expenditure was kept to a minimum. There was a deficit of income over expenditure of £2,942 (2023/24 deficit of income £4,620), and this has been taken from accumulated reserves.

RISK REVIEW, FUNDS AND RESERVES POLICY

The Trustees are actively involved in the charity and monitor risk in an informal way. The trustees recognise the need for the Charity to establish and maintain reserves to enable it to continue to carry out its charitable objectives in the event of unforeseeable matters arising. They have resolved to maintain unrestricted free reserves sufficient to cover 3-6 months' average running costs, c£12,000. At such a level the young people in Dorohoi could expect to continue receiving support for a reasonable period should new donations be unavailable for any reason. At 30 September 2025, free reserves stood at £8,662 which is in line with this range.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2025

The movement on funds held by the charity are detailed in note 10 to the financial statements.

PLANS FOR THE FUTURE

The charity will continue to organise fund raising events and activities, towards the work in Romania. As funds become available, the charity will make grants to individuals in Romania or other charitable organisations with similar aims, we will support the expenses of Helen Cosman in carrying out her work in Romania. We will provide funds to purchase items to support and help children, young people and families of Romania and will consider other ways in which the needs of these people of Romania can be met. We are also in the process of becoming a CIO (Charitable Incorporated Organisation), which is a more appropriate organization for a small charity. We are waiting for approval.

Donations are received regularly for the purpose of providing support specifically to Helen & Costel Cosman, including covering the cost of flights to the UK, holidays, personal items and to subsidise their living costs in Romania. Donations are paid over to Helen and Costel monthly. The balance at the year end represents the donations received in the final month together with gift aid claims for the period to September, and these will be paid over in the new financial year. During the year donations were made specifically to support a savings plan for Helen, and this will be paid over when she has established a suitable investment vehicle.

Restricted funds - Charity Administration

The Trustees of the Charity are committed to the idea that wherever possible general donations to the charity should not be used to fund administration. For that reason they each make a specific personal cash donation every year which is held in a restricted fund to be used for Charity Governance and Admin costs. In addition they make in-kind donations of items such as stationary, stamps and the cost of the just giving website

What a star he is, such a faithful Light for Children supporter. A murder was then on the agenda. The Murder Mystery was an incredible night, where 100 people were investigating a murder. The evening went well, with everyone enjoying the event. Fortunately, no one was actually murdered!! Lastly we had musical extravaganza with The Rock Choir, what a fantastic night that was. Restricted funds - Helen & Costel's personal expenses and savings plan

Donations are received regularly for the purpose of providing support specifically to Helen & Costel Cosman, including covering the cost of flights to the UK, holidays, personal items and to subsidise their living costs in Romania. Donations are paid over to Helen and Costel monthly. The balance at the year end represents the donations received in the final month together with gift aid claims for the period to September, and these will be paid over in the new financial year. During the year donations were made specifically to support a savings plan for Helen, and this will be paid over when she has established a suitable investment vehicle.

Restricted funds - Charity Administration

The Trustees of the Charity are committed to the idea that wherever possible general donations to the charity should not be used to fund administration. For that reason they each make a specific personal cash donation every year which is held in a restricted fund to be used for Charity Governance and Admin costs. In addition they make in-kind donations of items such as stationary, stamps and the cost of the just giving website

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2023

The Directors, who are the Trustees of the charitable company, present the annual report and financial statements for the year ended September 30, 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated March 5 2007, as amended by special resolution dated 10 August 2007. It registered as a charity with the Charity Commission from 29 August 2007. Membership is open to those who apply in the form required by the Directors and are approved by the Directors. There are currently 8 members of the company, each of whom agree to contribute a sum not exceeding £1 in the event of the charity being wound up.

Appointment, induction and training of Directors and Trustees

Trustees were initially selected on the basis that they were committed to the concept of Light for Children Ltd, had been involved in the previous work carried out in Romania via St Johns Church, Chase Terrace, and had an appropriate range of skills to ensure that the charity was successfully launched. Each year the Directors consider whether there is a need to expand the range of skills and consider inviting others to join their number. Light for Children has no specific policy for Director Training, but training opportunities and governance information is forwarded to Directors where appropriate. Each year one third of the directors retire, being those longest in office and are eligible for re-election.

Organisation

The Board of Directors, which must have a minimum of three members, administers the charity and meets as necessary. The Board delegate certain functions to a Management Committee which comprise of individuals committed to the objects of Light for Children and actively involved in fundraising activities.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are:

“The advancement of the Christian faith through the relief of need, hardship or sickness amongst children and young people, resident in or citizens of Romania, by offering social, educational, cultural, medical, emotional and spiritual support according to Christian principles.”

The Directors seek to achieve these objectives by providing support to children and young people in the Romanian town of Dorohoi, focusing primarily on those living in families in poverty or with needs or living within, or recently moved on from, the state-run orphanage system. The activities are carried out by Helen & Costel Cosman, who live in Dorohoi and are dedicating their lives to support these children and young people. Helen & Costel are supported by a team of volunteers who raise funds to enable this work to continue.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2023

Statement of public benefit

The trustees have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The trustees believe that the activities carried out benefit the public by providing services and otherwise assist individuals in need because of poverty, ill-health, disability or lack of opportunity.

ACHIEVEMENTS AND PERFORMANCE

Light for Children charity is so privileged to have such an amazing group of supporters, who have continued to help the work Helen carries out in Romania. Every donation makes a huge difference to those in Romania. As in previous years, supporting the children and young people living in state care in Dorohoi has been our priority. We have continued to pay for their prescribed medication, medical tests, first aid and sunscreen products, optician appointments, glasses, and dental care. We have continued to fund schoolbooks and extra tuition as needed and have provided ongoing monthly sponsorship to several young adults to help cover their university expenses. We continue to be extremely well supported which helps to provide all the services mentioned and more. We had three very successful events to help the Light for Children funds. An amazing evening concert with Gan Teideal an Irish band, and a fantastic Garden Party where we were able to enjoy tea and cake and a good catch up with folk. Lastly, we had an excellent Quiz night, which challenged the brain cells! The giving from our supporters and our fund raisers has really blessed Helen and the Committee. Thank you for another successful year.

FINANCIAL REVIEW

Income for the year was £21,733 (2021/22 £22,207). This consisted mainly of donations and related gift-aid, together with proceeds from some fundraising activities. The donations from individuals and organisations remains stable and there has been an increase in gift aid tax refund income.

Expenditure of £26,237 (2021/22 £20,149) included £16,803 (2021/22 £11,390) spent directly on the provision of services to the young people, and £6,754 (2021/22 £6,342) was paid to Helen & Costel directly to provide for their personal needs, from restricted fund donations given specifically for that purpose. Other expenditure was kept to a minimum. There was a deficit of income over expenditure of £4,504 (2021/22 surplus in income £2,058), and this has been taken from accumulated reserves.

RISK REVIEW, FUNDS AND RESERVES POLICY

The Trustees are actively involved in the charity and monitor risk in an informal way. The trustees recognise the need for the Charity to establish and maintain reserves to enable it to continue to carry out its charitable objectives in the event of unforeseeable matters arising. They have resolved to maintain unrestricted free reserves sufficient to cover 3-6 months' average running costs, c£10,000. At such a level the young people in Dorohoi could expect to continue receiving support for a reasonable period should new donations be unavailable for any reason. At 30 September 2023, free reserves stood at £16,224 which is higher than this range.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2023

The movement on funds held by the charity are detailed in note 10 to the financial statements.

PLANS FOR THE FUTURE

The charity will continue to organise fund raising events and activities, towards the work in Romania. As funds become available, the charity will make grants to individuals in Romania or other charitable organisations with similar aims, will support the expenses of Helen and Costel Cosman in carrying out their work in Romania. We will provide funds to purchase items to support and help children, young people and families of Romania and will consider other ways in which the needs of these people of Romania can be met.

DIRECTORS' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

Company law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of the company and of the surplus or deficit of the company for that period. In preparing those financial statements the directors have: -

- selected suitable accounting policies and applied them consistently
- made judgments and estimates that are reasonable and prudent
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepared the financial statements on the going concern basis.

The Directors are responsible for keeping records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking steps for the prevention and detection of fraud and other irregularities.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the special provisions applicable to companies subject to the small company regimes, as set out in parts 15 and 16 of the Companies Act 2006.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2022

The Directors, who are the Trustees of the charitable company, present the annual report and financial statements for the year ended September 30, 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated March 5 2007, as amended by special resolution dated 10 August 2007. It registered as a charity with the Charity Commission from 29 August 2007. Membership is open to those who apply in the form required by the Directors and are approved by the Directors. There are currently 8 members of the company, each of whom agree to contribute a sum not exceeding £1 in the event of the charity being wound up.

Appointment, induction and training of Directors and Trustees

Trustees were initially selected on the basis that they were committed to the concept of Light for Children Ltd, had been involved in the previous work carried out in Romania via St Johns Church, Chase Terrace, and had an appropriate range of skills to ensure that the charity was successfully launched. Each year the Directors consider whether there is a need to expand the range of skills and consider inviting others to join their number. Light for Children has no specific policy for Director Training, but training opportunities and governance information is forwarded to Directors where appropriate. Each year one third of the directors retire, being those longest in office and are eligible for re-election.

Organisation

The Board of Directors, which must have a minimum of three members, administers the charity and meets as necessary. The Board delegate certain functions to a Management Committee which comprise of individuals committed to the objects of Light for Children and actively involved in fundraising activities.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are:

“The advancement of the Christian faith through the relief of need, hardship or sickness amongst children and young people, resident in or citizens of Romania, by offering social, educational, cultural, medical, emotional and spiritual support according to Christian principles.”

The Directors seek to achieve these objectives by providing support to children and young people in the Romanian town of Dorohoi, focusing primarily on those living in families in poverty or with needs or living within, or recently moved on from, the state-run orphanage system. The activities are carried out by Helen & Costel Cosman, who live in Dorohoi and are dedicating their lives to support these children and young people. Helen & Costel are supported by a team of volunteers who raise funds to enable this work to continue.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2022

Statement of public benefit

The trustees have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The trustees believe that the activities carried out benefit the public by providing services and otherwise assist individuals in need because of poverty, ill-health, disability or lack of opportunity.

ACHIEVEMENTS AND PERFORMANCE

2021/22 proved to be an easier year for the charity, here in the UK, and also for Helen in Romania, as the covid pandemic became more under control. Light for Children charity is so privileged to have such an amazing group of supporters, who have continued to help the work Helen carries out in Romania. Every donation makes a huge difference to those in Romania. As restrictions eased and we felt folk were beginning to feel more comfortable in meeting in public, we ran three Coffee and Cake afternoons. We were also able to benefit from the skills of the Shanty Singers which made the events even more popular. It was great to be able to meet again with our supporters and were encouraged by the funds raised at the events. The giving from our supporters and our fund raisers really blessed Helen and the Committee. This meant we were able to begin the new financial year in very healthier position. Helen continues to help the children, young people, and families in Dorohoi. Helen's skills in negotiating the necessary help in the changing circumstances have again benefitted and blessed the lives of the people the charity cares for. We thank her for the selfless work and help she provides in making lives a little easier in that area of Romania.

FINANCIAL REVIEW

Income for the year was £22,207 (2020/21 £20,484). This consisted mainly of donations and related gift-aid, together with proceeds from some fundraising activities. The donations from individuals and organisations remains stable and there has been an increase in gift aid tax refund income.

Expenditure of £20,149 (2020/21 £21,932) included £11,390 (2020/21 £13,430) spent directly on the provision of services to the young people, and £6,342 (2020/21 £6,354) was paid to Helen & Costel directly to provide for their personal needs, from restricted fund donations given specifically for that purpose. Other expenditure was kept to a minimum. There was a surplus of income over expenditure of £2,058 (2020/21 deficit in income -£1,449), and this has been taken to accumulated reserves.

RISK REVIEW, FUNDS AND RESERVES POLICY

The Trustees are actively involved in the charity and monitor risk in an informal way. The trustees recognise the need for the Charity to establish and maintain reserves to enable it to continue to carry out its charitable objectives in the event of unforeseeable matters arising. They have resolved to maintain unrestricted free reserves sufficient to cover 3-6 months' average running costs, c£10,000. At such a level the young people in Dorohoi could expect to continue receiving support for a reasonable period should new donations be unavailable for any reason. At 30 September 2022, free reserves stood at £19,966 which is higher than this range.

LIGHT FOR CHILDREN LIMITED
TRUSTEES' AND DIRECTORS' REPORT
YEAR ENDED SEPTEMBER 30 2022

The movement on funds held by the charity are detailed in note 10 to the financial statements.

PLANS FOR THE FUTURE

The charity will continue to organise fund raising events and activities, towards the work in Romania. As funds become available, the charity will make grants to individuals in Romania or other charitable organisations with similar aims, will support the expenses of Helen and Costel Cosman in carrying out their work in Romania. We will provide funds to purchase items to support and help children, young people and families of Romania and will consider other ways in which the needs of these people of Romania can be met.

DIRECTORS' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

Restricted funds - Helen & Costel's personal expenses and savings plan

Donations are received regularly for the purpose of providing support specifically to Helen & Costel Cosman, including covering the cost of flights to the UK, holidays, personal items and to subsidise their living costs in Romania. Donations are paid over to Helen and Costel monthly. The balance at the year end represents the donations received in the final month together with gift aid claims for the period to September, and these will be paid over in the new financial year. During the year donations were made specifically to support a savings plan for Helen, and this will be paid over when she has established a suitable investment vehicle.

Restricted funds - Charity Administration

The Trustees of the Charity are committed to the idea that wherever possible general donations to the charity should not be used to fund administration. For that reason they each make a specific personal cash donation every year which is held in a restricted fund to be used for Charity Governance and Admin costs. In addition they make in-kind donations of items such as stationary, stamps and the cost of the just giving website
