Narborough Cricket Club provides a service to participate in recreational cricket for all the community in the local area. The club provides weekly junior coaching sessions held by licensed coaches from an age group of 6 year old to 13 year old for both sexes. An Under 15 team competes in regular fixtures in Norfolk Alliance U15 league. All children from local schools are invited to attend these coaching lessons and are regularly populated with up to 30 children. Once the child reaches an age of 13 and they have the ability/confidence and desire to play, an invite is given to compete in the adult teams. The club has a Second Team and a First Team who compete in the Norfolk Cricket League Division Four (West) and Norfolk Alliance League Division Five respectively.

Money for the running of the club comes from funding through loans, grants, donations, fundraising events, membership and match fees from all teams.

For the season 2023-2024, has seen the largest financial outlay the club has ever and probably will ever have to make.

A major purchase of £12,000 was made to acquire a new replacement mechanical roller for the cricket square. This was made possible through an interest free loan of £10,000 from the English Cricket Board (ECB) to be paid back over a 5 year period, the remainder was met by the club.

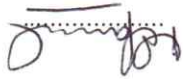

Extensive repairs and servicing costs to an outfield mower and also servicing and repair of the wicket mower amounted to £6,500. Both these expenses were compounded as equipment replacement hire had to be funded whilst new plant and repaired plant were not available, this totalling just under £2,000.

These bills are not envisaged to be repeated and would certainly hope not to arrive again in the same season.
